ROMAN ROWAN

Large Format Edition Ballantine Books

Over a millennium ago, Erna, a seismically active yet beautiful world was settled by colonists from far-distant Earth. But the seemingly habitable planet was fraught with perils no one could have foretold. The colonists found themselves caught in a desperate battle for survival against the fae, a terrifying natural force with the power to prey upon the human mind itself, drawing forth a person's worst nightmare images or most treasured dreams and indiscriminately giving them life. Twelve centuries after fate first stranded the colonists on Erna, mankind has achieved an uneasy stalemate, and human sorcerers manipulate the fae for their own profit, little realizing that demonic forces which feed upon such efforts are rapidly gaining in strength. Now, as the hordes of the dark fae multiply, four people—Priest, Adept, Apprentice, and Sorcerer—are about to be drawn inexorably together for a mission which will force them to confront an evil beyond their imagining, in a conflict which will put not only their own lives but the very fate of humankind in jeopardy.

Foo, a Japanese-American Prisoner of the Rising Sun Createspace Independent Pub

"Mutiny on the Rising Sun is a deeply human history of smuggling that demonstrates how interconnected the future United States was with the wider world, how illegal trade created markets for exotic products like chocolate, and how slavery and smuggling were key factors in the development of American capitalism"--

Scattered Under the Rising Sun Xulon Press

FABLED LANDS is an epic series of interactive books with the scope of a massively multiplayer game world. You can choose to be an explorer, merchant, priest, scholar or soldier of fortune. You can buy a ship or a townhouse, join a temple, undertake desperate adventures in the wilderness or embroil yourself in court intrigues and the sudden violence of city backstreets. You can undertake missions that will earn you allies and enemies, or you can remain a free agent. With thousands of quests and locations to explore, the choices are all yours. *** SET OUT ON A JOURNEY OF FABULOUS ADVENTURE The Lords of the Rising Sun hold absolute power over the exotic kingdom of Akatsurai. But proud warrior clans constantly seek to overthrow them. In the turmoil of war there are countless opportunities for a quick-witted adventurer. Will you spy for the Shogun? Will you pledge your life to the Sovereign as one of his chivalrous knights? Or just play one side against the other in your pursuit of riches and power? Track down the elusive, raven-winged Tengu to learn the secret arts of sorcery and swordplay. Defeat the vampires, skilled in martial arts, who guard the Lost Tomb of the Necromancer. Enter the dreadful cloisters of the Noboro Monastery, where you will fight the most dangerous opponent of all ? yourself ... A thousand quests await you and every decision is in your hands. Be whoever you choose, go anywhere you please, do anything you want ? the only limit is your imagination. The choices are unlimited, the adventures endless, in the fantastic role-playing world of the FABLED LANDS.

Wings of the Rising Sun Scholastic Inc.

During the grand opening celebration of the new American headquarters of an immense Japanese conglomerate, the dead body of a beautiful woman is found. The investigation begins, and immediately becomes a headlong chase through a twisting maze of industrial intrigue and a violent business battle that takes no prisoners.

Japanese Saints HarperPerennial

Rebellion is always right. Oyza yearns for revolution—an impossible dream with her lifetime prison sentence. Fueled by the destruction of her home and years of servitude, she reads the smuggled texts of the Ungoverned and dreams of a future that can never be. But the arrival of a new prisoner, Yars, reignites Oyza's courage. She finds herself capable of more than she ever imagined. To fight

their way to their own freedom, they must fight for something bigger: freedom for their homeland. Between an invasion by godless gunwielders, a heartless commander who's determined to kill Oyza, and webs of secrets and lies woven through their world, it will take all their strength and wits to survive. When blood is spilled, how much will be their own? Rising Sun And Tumbling Bear W. W. Norton & Company

During his time as a POW, Frank "Foo" Fujita kept a diary of daily happenings, embellished with drawings of life in the camp. He secreted the diary in the walls of his barracks, as the practice was forbidden. That diary forms the basis of these memoirs. Fujita's memoirs are also unique in that he was one of the fewer than nine hundred Americans taken prisoner on the island of Java. The bulk of American POWs in Japanese hands surrendered in the Philippines, and most of the published POW memoirs reflect their experience. Fujita's account of the defense of Java and of the fate of the "Lost Battalion" of Texas artillerymen serves to distinguish this memoir from others. At one point while a POW in Japan, Fujita was forced to be part of the Japanese radio group broadcasting propaganda. After the war, he testified at some of the war crime trials in San Francisco, and the diary on which this book is based was used as evidence in those trials.

Rising Sun Simon & Schuster

Every vampire has heard rumor of the mythical place where their kind can daywalk. But what no vampire knows is that this City of Eternal Night actually exists. And its name is New Orleans. For centuries, the fae have protected the city from vampire infestation. But when the bloodsuckers return, the fragile peace in New Orleans begins to crumble. Carefree playboy Augustine, and Harlow, a woman searching for answers about her absent father, are dragged into the war. The fate of the city rests on them --- and their fae blood that can no longer be denied. Book one in the brand new, action-packed urban fantasy Crescent City series, from award winning, House of Comarre author Kristen Painter!

How America Vanquished World War II Japan SCB Distributors

It is the summer of 1942 and what our historians have called the Incredible Victory in the Battle of Midway has become a horrendous disaster in this world. Two of America's handful of carriers in the Pacific have blundered into a Japanese submarine picket line and have been sunk, while a third is destroyed the next day. The United States has only one carrier remaining in the Pacific against nine Japanese, while the ragtag remnants of U.S. battleships _ an armada still reeling from the defeat at Pearl Harbor _ are in even worse shape. Now the Pacific belongs to the Japanese. And it doesn't stop there, as Japan has thrust her sword in to the hilt. Alaska is invaded. Hawaii is under blockade. The Panama Canal is nearly plugged. Worst of all, the West Coast of America is ripe for destruction as bombers of the Empire of the Sun bombard west coast American cities at will. Despite these disasters, the U.S. begins to fight back. Limited counterattacks are made and a grand plan is put forth to lure the Japanese into an ambush that could restore the balance in the Pacific and give the forces of freedom a fighting chance once more. At the publisher's request, this title is sold without DRM (Digital Rights Management). About Rising Sun: _Conroy extrapolates a new and militarily plausible direction for WWII . . . A thrilling adventure.¼Booklist About Himmler's War: _[Conroy] adds a personal touch to alternate history by describing events through the eyes of fictional characters serving on the front lines. VERDICT: Historical accuracy in the midst of creative speculation makes this piece of alternate history believable.¼Library Journal About Red Inferno: 1945 _An ensemble cast of fictional characters. . . and historical figures powers the meticulously researched story line with diverse accounts of the horrors of war, making this an appealing read for

fans of history and alternate history alike. Publishers Weekly [E]ngrossing and grimly plausible. . . the suspense holds up literally to the last page. Sadists Of The Rising Sun Macmillan

An insightful account traces the transformation of the Japanese military, praised by the West during the early twentieth century for its chivalry in warfare, into a notoriously brutal, rapacious legion during World War II.

Black Sun Rising NYU Press

In August of 2011, I found myself on the banks of the Ohio River as the sun began its ascent. As a young boy, I watched in amazement as Ironman athletes competed in Kona. Before this dream came to fruition, my life had already been frenetic with four children and a busy practice. By the time it was over, though, I came to understand why I had little choice but to accept its calling. In multiple instances, I would come face-to-face with death in unlikely ways. I would find myself questioning the sanity of my decision. I would learn to find joy in strange places, in the briefest times. I would learn to embrace suffering and befriend those I never met. Into the Rising Sun is a chronicle of this journey, both as one individual in pursuit of a calling and one family in search of the truth. It became our story of faith, in each other and in realities difficult to comprehend. It is an intimate look at a young family shrouded in love midst the challenges of an ever-changing landscape and the travails that new life brings. In many ways, it is a saga of millions left untold all searching for clarity.

Couched in this story are other related tales. These are the accounts of Ironmen past and present, both known personally and through popular media. These are stories that have inspired millions. They are the ones who inspire us to carry on when the toil seems just too hard. Into the Rising Sun seeks to understand the drive that exists in all of us to transcend barriers that seem insurmountable. It goes in search of a greater purpose that underlies it all.

African Americans, Japan, and the Rise of Afro-Asian Solidarity Protea Publishing Company

"[The Rising Sun] is quite possibly the most readable, yet informative account of the Pacific war."—Chicago Sun-Times This Pulitzer Prize-winning history of World War II chronicles the dramatic rise and fall of the Japanese empire, from the invasion of Manchuria and China to the atomic bombing of Hiroshima and Nagasaki. Told from the Japanese perspective, *The Rising Sun* is, in the author's words, "a factual saga of people caught up in the flood of the most overwhelming war of mankind, told as it happened—muddled, ennobling, disgraceful, frustrating, full of paradox." In weaving together the historical facts and human drama leading up to and culminating in the war in the Pacific, Toland crafts a riveting and unbiased narrative history. In his Foreword, Toland says that if we are to draw any conclusion from *The Rising Sun*, it is "that there are no simple lessons in history, that it is human nature that repeats itself, not history." "Unbelievably rich . . . readable and exciting . . . The best parts of [Toland's] book are not the battle scenes but the intimate view he gives of the highest reaches of Tokyo politics."—Newsweek

House of the Rising Sun Start Publishing LLC

An up-and-coming executive at the computer firm DigiCom, Tom Sanders is a man whose corporate future is certain. But after a closed-door meeting with his new boss—a woman who is his former lover and has been promoted to the position he expected to have—Sanders finds himself caught in a nightmarish web of deceit in which he is branded the villain. As Sanders scrambles to defend himself, he uncovers an electronic trail into the company's secrets—and begins to grasp that a cynical and manipulative scheme has been devised to bring him down.

The Rising Sun University of North Texas Press

A sweeping saga of prehistoric North America follows the quest of an Ice Age warrior who rejects his prophesied destiny as a peacemaker to seek revenge against those who killed his grandfather. Original.

Mormons in the Land of the Rising Sun Weidenfeld & Nicolson

In war, victory can be held hostage to seemingly insignificant incidents—chance events, opportunities seized or cast aside—that can derail the most brilliant military strategies and change the course of history. What if the Japanese had conquered India and driven out the British? What if the strategic link between the United States and Australia had been severed? What if Vice Admiral Nagumo had launched a third attack on Pearl Harbor? What if the U.S. Navy's gamble at Midway had backfired? Ten leading military historians ask these and other questions in this fascinating book. The war with Japan was rife with difficult choices and battles that could have gone either way. These fact-based alternate scenarios offer intriguing insights into what might have happened in the Pacific during

World War II, and what the consequences would have been for America.

Killing the Rising Sun Simon and Schuster

When Mr. Oto arrives in Salty Creek, Georgia, kind Miss Anne takes him in and widow Sophie rediscovers new joy after meeting him, but the relationships are tested after the Japanese bomb Pearl Harbor and Mr. Oto's new life is besieged.

Russia's War with Japan U of Nebraska Press

Espionage and betrayal become part of one family's struggle to survive in the sequel to the bestselling author's *The Far Side of the Sky*. It's 1943, and the Japanese war machine has swallowed up Shanghai, the once-thriving "Paris of the East," upending life for its Chinese population, as well as the city's thousands of American, British and officially stateless European residents. Newlyweds Dr. Franz Adler and his wife, Soon Yi (Sunny), struggle to keep the city's only hospital for refugee Jews open, while Shanghai's Allied citizens are interned in squalid camps outside the city. The Japanese force 20,000 Jewish refugees, including the Adlers, to relocate to a one-square-kilometre area in the slums of the city—the Shanghai Ghetto. For those trapped inside, heat, starvation and disease are constant threats. Sunny, a Shanghai native desperate to defend her lifelong home, is tempted into the dangerous embrace of the local Resistance movement, while a mysterious Chinese man brought critically wounded to the hospital may represent an even greater threat. Meanwhile, as the tide of the war begins turning in the rest of the world, the local Nazis maintain a persistent, menacing interest in Shanghai's Jewish population. *Rising Sun*, *Falling Shadow* blends a rich portrait of a city under siege with medical drama, romance and intrigue, showing us both the heroism and the treachery that can result when ordinary people find themselves faced with extraordinary dangers.

A Novel Authors 4 Authors Publishing

The authors of this 2004 volume consult Chinese and Western archival materials to examine the Chinese War of Resistance against the Japanese in the Shanghai area. They argue that the war in China was a nationalistic endeavour carried out without an effective national leadership. Wartime Chinese activities in Shanghai drew upon social networks rather than ideological positions and these activities cut across lines of military and political divisions. Instead of the stark contrast between heroic resistance and shameful collaboration, wartime experience in the city is more aptly summed up in terms of bloody struggles between those committed to normalcy in everyday life and those determined to bring about its disruption through terrorist violence and economic control. The volume offers an evaluation of the strategic significance of the Shanghai economy in the Pacific War. It also draws attention to the feminisation of urban public discourse against the backdrop of intensified violence. The essays capture the last moments of European settlements in Shanghai under Japanese occupation.

House of the Rising Sun NYU Press

The definitive history of the Russo-Japanese war The Russians were wrong-footed from the start, fighting in Manchuria at the end of a 5,000 mile single track railway; the Japanese were a week or so from their bases. The Russian command structure was hopelessly confused, their generals old and incompetent, the Tsar cautious and uncertain. The Russian naval defeat at Tsushima was as farcical as it was complete. The Japanese had defeated a big European power, and the lessons for the West were there for all to see, had they cared to do so. From this curious war, so unsafely ignored for the most part by the military minds of the day, Richard Connaughton has woven a fascinating narrative to appeal to readers at all levels.

The Journey of an American Song Bell Bridge Books

2nd Battalion, Gordon Highlanders was posted to Singapore in 1937 with their families. When the Japanese invaded Malaya in December 1941, the Battalion fought bravely until the surrender of Singapore on 14 February 1942. Those who were not killed became POWs. Of the 1000 men involved initially, over 400 had died by their liberation in summer 1945. Despite the diverse background of the members of the Battalion, all were bound by close regimental spirit. As POWs, all suffered hard labour, starvation, brutality and tropical diseases. Rank was no protection from death. After initial incarceration in Singapore the Gordons were dispersed to work on the famous Thai-Burma railway, in the mines of Taiwan and Japan and on other slave labour projects. Conditions defy modern comprehension. Others died trapped in hell-ships torpedoed by allied submarines. The author has researched the plight of these extraordinary men, so many of whom never saw their native Scotland again. Despite the grim conditions, he captures the strong collective regimental spirit and the humour and cooperation that saved so many who would have otherwise have perished — as many did. This is an inspiring tale of courage and survival against appalling odds.
