The History of Akbar, Volume 5 North
 Atlantic Books
 In this second book of the series, you will
 follow Lady Sita's journey from an Adopted
 Child to the Prime Minister to finding her
 true calling. She is the warrior we need.
 The Goddess we await. She will defend
 Dharma. She will protect us. India, 3400
 BCE. India is beset with divisions,
 resentment, and poverty. The people hate
 their rulers. They despise their corrupt and
 selfish elite. Raavan, the demon king of
 Lanka, grows increasingly powerful,

sinking his fangs deeper into the hapless
 Sapt Sindhu. Two powerful tribes, the
 protectors of the divine land of India,
 decide that enough is enough. A savior is
 needed. They begin their search. An
 abandoned baby is found in a field.
 Protected by a vulture from a pack of
 murderous wolves. She is adopted by the
 ruler of Mithila, a powerless kingdom,
 ignored by all. Nobody believes this child
 will amount to much. But they are wrong.
 For she is no ordinary girl. She is Sita.

A monumental biography of the subcontinent from the award-winning author of *The World Is What It Is: The Authorized Biography of V. S. Naipaul*. Second only to China in the magnitude of its economic miracle and second to none in its potential to shape the new century, India is fast undergoing one of the most momentous transformations the world has ever seen. In this dazzlingly panoramic book, Patrick French chronicles that epic change, telling human stories to explain a larger national narrative. Melding on-the-ground reports with a deep knowledge of history, French exposes the cultural foundations of India's political, economic and social complexities. He reveals how a nation identified with some of the most wretched poverty on earth has simultaneously developed an envied culture of entrepreneurship (here are stories like that of C. K. Ranganathan, who trudged the streets of Cuddalore in the 1980s selling sample packets of shampoo and now employs more than one thousand people). And even more remarkably, French shows how, despite the ancient and persistent traditions of caste, as well as a mind-boggling number of ethnicities and languages, India has nevertheless managed to cohere, evolving into the world's largest democracy, largely fulfilling Jawaharlal Nehru's dream of a secular liberal order. French's inquiry goes to the heart of all the puzzlements that modern

India presents: Is this country actually rich or poor? Why has its Muslim population, the second largest on earth, resisted radicalization to such a considerable extent? Why do so many children of Indians who have succeeded in the West want to return "home," despite never having lived in India? Will India become a natural ally of the West, a geostrategic counterweight to the illiberal rising powers China and Russia? To find the answers, French seeks out an astonishing range of characters: from Maoist revolutionaries to Mafia dons, from chained quarry laborers to self-made billionaires. And he delves into the personal lives of the political elite, including the Italian-born Sonia Gandhi, one of the most powerful women in the world. With a familiarity and insight few Westerners could approach, Patrick French provides a vital corrective to the many outdated notions about a uniquely dynamic and consequential nation. His India is a thrilling revelation.

"This book articulates and defends an interpretation of Schopenhauer's ethics as an original and credible contribution to the history of ethics. It presents Schopenhauer's ethics of compassion as in direct tension with his resignationism and aims to show surprising continuities with Kant's ethics"--

Akbarnāma, or The History of Akbar, by Abu'l-Fazl (d. 1602), is one of the most

important works of Indo-Persian history and a touchstone of prose artistry. Marking a high point in a long, rich tradition of Persian historical writing, it served as a model for historians across the Persianate world. The work is at once a biography of the Mughal emperor Akbar (r. 1556-1605) that includes descriptions of his political and martial feats and cultural achievements, and a chronicle of sixteenth-century India. The fifth volume details the bellicose seventeenth to twenty-second years of Akbar's reign, including accounts of the conquest of Gujarat, the capture of Rohtas fort from rebel Afghans, and the invasions of Patna and Bengal. The Persian text, presented in the Naskh script, is based on a careful reassessment of the primary sources.
