JONATHAN HATFIELD

In the Name of the Father Penguin
Finally joining their father in America, Ajay and Birju enjoy their new, extraordinary life until tragedy strikes, leaving one brother incapacitated and the other practically orphaned in this strange land in the second novel from the author of *An Obedient Father*. 30,000 first printing.
To Stand in the Breach Oxford University Press
Leela—alluring, taciturn, haunted—is

moving back to Delhi from New York. She knows her return will unsettle many lives. Twenty-five years ago her sister was seduced by Vyasa, a young university lecturer. Now Vyasa, an eminent Sanskrit scholar, is preparing for the unlikely marriage of his son, Ash, to the child of a Hindu nationalist. Compounding Leela's disruptive presence, Vyasa's hedonistic daughter Bharati arrives from London, reluctantly leaving her cosmopolitan university life to see Ash married. He, meanwhile, has fallen in love with his brother-in-law to be. Gleefully presiding over the drama is Ganesh—divine,

elephant-headed scribe of India's great epic, the Mahabharata. The family patriarchs may think they have arranged the wedding for their own selfish ends, but according to Ganesh it is he who is directing events—in a bid to save Leela, his beloved heroine, from his devious enemy Vyasa. Turning to fiction after an award-winning travel book, Alice Albinia has written a brilliantly playful and genre-defying first novel. Ambitious and entertaining, *Leela's Book* weaves a tale of contemporary Delhi that crosses religious and social boundaries, reaching back into the origins of the Mahabharata itself.

If I Stay Babelcube Inc.

Andrew Murray traces obedience through the Bible, from Genesis to the final chapter of Revelation, in a warm, inspirational devotional study. It looks at the issue of obedience in the lives of Bible characters and focuses the reader's attention on the obedience of Christ. Practical as well as inspiring, *A Life of Obedience* speaks to today's reader as clearly as it did to his audience a century ago.

A Life of Adventure and Delight Henry Holt and Company

"With superb confidence, Lavender constructs a brilliant fictional web of lies, inventively warping the psychological thriller to fit the confines of a scholarly investigation." —Kirkus Reviews When the students in Winchester University's Logic and Reasoning 204 arrive for their first day of class, they are greeted not with a syllabus or texts, but with a startling assignment from Professor Williams: Find a hypothetical missing girl named Polly. If after being given a series of clues and details the class has not found her before the end of the term in six weeks, she will be murdered. At first the students are as intrigued by the premise of their puzzle as

they are wary of the strange and slightly creepy Professor Williams. But as they delve deeper into the mystery, they begin to wonder: Is the Polly story simply a logic exercise, designed to teach them rational thinking skills, or could it be something more sinister and dangerous? The mystery soon takes over the lives of three students as they find disturbing connections between Polly and themselves. Characters that were supposedly fictitious begin to emerge in reality. Soon, the boundary between the classroom assignment and the real world becomes blurred—and the students wonder if it is their own lives they are being asked to save. From the Hardcover edition.

The Breadwinner Tor Books

As he stood up, he suddenly felt aroused by Mrs Shaw's large breasts, boy's haircut, and little-girl sneakers. Even her nostrils suggested a frank sexuality. Gopal wanted to put his hands on her waist and pull her toward him. And then he realized that he had. Gopal Maurya's wife has left him, preferring to seek enlightenment in an ashram in India. But when his neighbour comes to borrow his lawnmower, Gopal thinks he might find something similar

right here in New Jersey. Armed with *Cosmopolitan* magazine as his bible, he embarks on a quest for suburban romance.

West of Eden Simon and Schuster

A young woman in an arranged marriage awakens one day, surprised to find herself in love with her husband. A retired divorcé tries to become the perfect partner by reading women's magazines. A man's long-standing contempt for his cousin suddenly shifts inward when he witnesses his cousin caring for a sick woman. In this tender and darkly comic collection, the protagonists deceive themselves and engage in odd behaviors as they navigate how to be good, how to make meaningful relationships, and the strengths and pitfalls of self-interest. From a dazzlingly original, critically acclaimed writer, these stories—elegantly written and emotionally immediate—provide an intimate, honest assessment of human relationships between mothers and sons, sons and lovers, and husbands and wives.

The Lost Platoon Book One Penguin Random House India Private Limited
A New York Times Book Review Editors' Choice "Inferno is a disturbing and

masterfully told memoir, but it's also an important one that pushes back against powerful taboos. . ." --The New York Times Book Review "Explosive" --Good Morning America "Sublime" --Bookpage (starred review) When Catherine Cho and her husband set off from London to introduce their newborn son to family scattered across the United States, she could not have imagined what lay in store. Before the trip's end, she develops psychosis, a complete break from reality, which causes her to lose all sense of time and place, including what is real and not real. In desperation, her husband admits her to a nearby psychiatric hospital, where she begins the hard work of rebuilding her identity. In this unwaveringly honest, insightful, and often shocking memoir Catherine reconstructs her sense of self, starting with her childhood as the daughter of Korean immigrants, moving through a traumatic past relationship, and on to the early years of her courtship with and marriage to her husband, James. She masterfully interweaves these parts of her past with a vivid, immediate recounting of the days she spent in the ward. The result is a powerful exploration of psychosis and

motherhood, at once intensely personal, yet holding within it a universal experience – of how we love, live and understand ourselves in relation to each other.

A Novel Unbridled Books

In the steamy jungles of West Africa, a Marine Reconnaissance platoon races against time to save the lives of American citizens caught in a bloody civil war. One recon team arrives at a mission only to find they are too late. The missionaries had been burned to death while strung up crucifix style. Realizing that the rebels intend to kill all of the missionaries in the region, the Marines race through the jungle in an attempt to beat the rebels to another nearby mission before they can kill the missionaries there. The Marines arrive just in time to see the guerrillas enter the mission compound and begin killing mission workers. The recon team opens fire and the situation escalates. They successfully push the rebels back into the jungle. Gathering the mission workers, including the mission's doctor, Ellen McKenzie, they flee into the jungle. While on the run, the hospital corpsman, Sean Austin, finds himself struggling with his feelings for the young missionary

doctor. Traveling day and night they arrive at the platoon's harbor site. While waiting for helicopters to evacuate the Americans to a waiting ship, the group stumbles onto a large underground crypt left by an ancient civilization. A tropical hurricane forces the Americans to take shelter within the crypt; they discover it is actually a portal to another world. Transported to the middle of a lopsided battle, the group is forced to choose sides and fight against a huge medieval army. Once the great battle is over, the reality of this new world leaves the sojourners from earth conflicted and searching for answers about reality, God, and eternity. Sean is particularly conflicted about his life as a prodigal and his attraction to Dr. McKenzie. Into the Breach is a war of ideals, a war between living a good life and living an obedient life. Liam Morgan takes the reader through adventure after adventure while unraveling our calling, not to be right, but to be obedient.

Macmillan

An Obedient Father Macmillan

A Novel The Church of Jesus Christ of Latter-day Saints

Learning that her orthodox Jewish rabbi

father has passed away, Manhattan single woman Ronit Krushka returns to the home she fled years earlier and reconnects with a beloved cousin and a forbidden childhood sweetheart, only to become a threat to her former community. A first novel. Reprint. 25,000 first printing.

An Obedient Wife A John Scognamiglio Book

Ram Karan works for the New Delhi school system but supports his widowed daughter and granddaughter by taking bribes for a small time Congress party boss, until his involvement in a political campaign could cost him his life.

The Obedient Assassin Houghton Mifflin Harcourt

Sixty-five million years ago, a disastrous cataclysm eliminated three quarters of all life on Earth. Overnight, the age of dinosaurs ended. The age of mammals had begun. But what if history had happened differently? What if the reptiles had survived to evolve intelligent life? In *West of Eden*, bestselling author Harry Harrison has created a rich, dramatic saga of a world where the descendants of the dinosaurs struggled with a clan of humans in a battle for survival. Here is the story of

Kerrick, a young hunter who grows to manhood among the dinosaurs, escaping at last to rejoin his own kind. His knowledge of their strange customs makes him the humans' leader...and the dinosaurs' greatest enemy. Rivalling Frank Herbert's *Dune* in the majesty of its scope and conception, *West of Eden* is a monumental epic of love and savagery, bravery and hope. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Obedient Daughter (B&W)

Createspace Independent Publishing Platform

Because the Taliban rulers of Kabul, Afghanistan impose strict limitations on women's freedom and behavior, eleven-year-old Parvana must disguise herself as a boy so that her family can survive after her father's arrest.

Lessons from My Dad, Truths about God
Our Sunday Visitor

Two sisters who couldn't be more different come together to plan a shocking revenge in this "addicting" (Hello Giggles) domestic thriller. Two sisters. One murder plan. Everyone thought reckless, troubled

Geraldine Monroe was the bad sister -- especially when she fled town after her mother's death twenty-five years ago. But people don't know the truth. Marie Monroe knows. She was there for their father's cruel punishments, the constant manipulation, the lies. Everyone thinks she's the perfect daughter -- patient and kind, and above all obedient. No one would suspect her of anything. Especially not murder. Now Geraldine's home again, and she and Marie have united in a plan for the ultimate revenge. But when old secrets and new fears clash, everyone is pushed to the breaking point . . . and the sisters will learn that they can't trust anyone--not even each other. "The story of Geraldine's return to her roots is vividly told... [for] readers looking for something to follow Jeanette Walls' nonfiction *The Glass Castle*." -- Booklist "An excellent psychological thriller that's filled with dark family secrets and plenty of intrigue." -- New York Journal of Books
A Novel W. W. Norton & Company
With no memory of the car accident itself, 17-year-old Mia must come to terms with never really knowing what happened one horrific winter's day that changed her life

forever.

A Life of Adventure and Delight

Destiny Image Publishers

Growing up on the Aegean Coast, Ozge loved the sea and imagined a life of adventure while her parents and society demanded predictability. Her dad expected Ozge, like her sister, to become an engineer. She tried to hear her own voice over his and the religious and militaristic tensions of Turkey and the conflicts between secularism and fundamentalism. Could she be a scuba diver like Jacques Cousteau? A stage actress? Would it be possible to please everyone including herself? In her unpredictable and funny graphic memoir, Ozge recounts her story using inventive collages, weaving together images of the sea, politics, science, and friendship. *An Obedient Father* Delacorte Press Patrick Henry, the famous statesman, has a secret: He keeps his wife in the cellar. Slowly losing her mind, Sarah Henry has become a danger to herself and her children. But daughter Anne has a secret of her own: She knows which child will inherit their mother's madness. Told from the point of view of the Henry children,

this compassionate tale explores the possibility that Patrick Henry's immortal cry of "Give me liberty, or give me death," which roused a nation to arms, was first spoken by his wife as she pleaded for her own freedom. Includes a reader's guide.

Patris Corde Faber & Faber

Present Day: Ellie is a young woman who is content with the life she lives. She's grateful for what she's been able to accomplish so far, since it allows her some economic stability and lets her help her little sister pay for college. She's not interested in love, because she saw at a young age what giving her heart away can do to a woman. Her mother was made miserable by her father, a man she loved with all her heart who wound up destroying her. But destiny has a surprise prepared for her, and when she least expects it, she finds herself arriving in an era not her own, in the house of a man she has never seen in her life, with a gruff, bossy personality. All she has with her is a letter in her hands directed to him, informing him that she is the mail-order bride he'd written for some months earlier. 1880: Phillip is a responsible, hard-working, and very handsome man who

lives alone and feels the need for a wife. A woman to take care of him and his house, who is obedient and does what he tells her to. Someone strong, who can give him healthy children and not go running at the first difficulty. When he realizes that this skinny woman in strange clothing is the bride they sent him, he is furious and wants to send her away, back to her city, but something in her touches his heart and makes him change his mind. Maybe with a little instruction she can grow to be the kind of woman he's looking for, but what worries him most is that she seems to be a bit wrong in the head; she keeps saying that she's from the future. Ellie just wants to get out of there, and Phillip just wants an obedient wife. What will come out of this mess?

[This I Know](#) K-LOVE

Tracy Black was only five years old when her mother was hospitalised for the first of many occasions, leaving Tracy in the care of her father. His behaviour, seemingly overnight, changed from indifferent to violently abusive and, for the next seven years, Tracy was sexually and physically abused by her father, his friends and her own brother. All of the men were in the

British Armed Forces. Tracy's father compounded the abuse by sending her to baby-sit for his paedophile friends - whilst their own children slept in other rooms, these men would find excuses to leave later or return earlier than their wives in order to abuse her, with her own father's blessing. When she sought help and safety the doors were closed as the authorities closed ranks. In this shocking and compelling book, Tracy Black pieces together the jigsaw of a story that has haunted her for the past forty years. She reveals the horrific betrayal of trust perpetrated by men who were considered upstanding citizens and heroes. Tracy's tale reminds us all of the terrible ways in which paedophiles work and the secrets

too many children are forced to carry alone. It is only now that she can tell her full story of recovery.

[The Secret Parts of Fortune](#) Harper Collins
Geoffrey, the new Viscount Astor, needs a wife. Since he sets no great store by love and romance, he decides it would be eminently sensible to offer marriage to one of the three daughters of his predecessor. He has never met any of them and has no preference. He leaves the choice to them and their mother. Arabella, the middle daughter, volunteers to make the sacrifice and marry the earl since her older, far more lovely, sister is already in love with someone else. She prays that he will be an older man of few attractions, for she sees herself as plain

and uninteresting. She is dismayed to discover that Geoffrey is, in fact, young, handsome, and fashionable. She vows to be a dutiful, obedient wife and to devote her life to making him comfortable. Arabella's plan seems to be working nicely for both Geoffrey and herself—until, that is, she discovers something about him that shocks her to the core. It is an offense she considers quite unforgivable. And when Arabella makes up her mind about something, she is not easily persuaded to change it. Geoffrey is finally shaken out of his complacency to the discovery that his wife means far more to him than he had realized. But how is he to win her back when she flatly refuses to be wheedled out of her outrage?
