JANELLE RODGERS

Unfinished Blurb

Rekha's sexual openness raised eyebrows and rattled people. Bollywood wasn't ready for such an irrepressible woman, and tried to suppress her. This book tells the truth about her relationship with the reigning superstar of the time, her many other lovers, and the shocking suicide of her husband

Written by Salim-Javed Taylor & Francis

Train to Pakistan is the story of this isolated village that is plunged into the abyss of religious hate. It is also the story of a Sikh boy and a Muslim girl whose love endured and transcends the ravages of war.

Susanna's Seven Husbands Rupa Publications

NEW YORK TIMES BESTSELLER • In this thoughtful and revealing memoir, readers will accompany one of the world's most recognizable women on her journey of self-discovery. "I have always felt that life is a solitary journey, that we are each on a train, riding through our hours, our days, our years. We get on alone, we leave alone, and the decisions we make as we travel on the train are our responsibility alone." A remarkable life story rooted in

two different worlds, *Unfinished* offers insights into Priyanka Chopra Jonas's childhood in India; her formative teenage years in the United States; and her return to India, where against all odds as a newcomer to the pageant world, she won the national and international beauty competitions that launched her global acting career. Whether reflecting on her nomadic early years or the challenges she has faced as she has doggedly pursued her calling, Priyanka shares her challenges and triumphs with warmth and honesty. The result is a book that is philosophical, sassy, inspiring, bold, and rebellious. Just like the author herself. From her dual-continent twenty-year-long career as an actor and producer to her work as a UNICEF Goodwill Ambassador, from losing her beloved father to cancer to marrying Nick Jonas, Priyanka Chopra Jonas's story will inspire a generation around the world to gather their courage, embrace their ambition, and commit to the hard work of following their dreams.

• Nita Ambani launched the Indian Super League, on the lines of FIFA, to boost football in India • Sudha Murty gave her savings to her husband, Narayana Murthy, to help start Infosys • Naina Lal Kidwai was the first Indian woman to graduate from Harvard Business School • Kiran Mazumdar-Shaw started Biocon with a seed capital of Rs10,000 • At the age of sixteen, Sania Mirza became the youngest and the first Indian woman to win a Grand Slam These are some snippets from *She Walks, She Leads* which profiles twenty-six iconic women in modern India. These leaders tell their stories, up close and personal. Their relentless ambition to shatter the glass ceiling, their pursuit for excellence and the challenges that came their way - all of this is captured vividly in this exclusive anthology. Each chapter is based on extensive research and has never-seen-before photographs

of these luminaries. The chapters are followed by interviews with their companions and close confidants who have seen them grow over the years. The women leaders profiled in the book come from different fields like banking, media, cinema, sports, fashion, philanthropy and industry.

Sura's Year Book 2006 (English) Penguin UK

From the #1 New York Times bestselling author of *The Nightingale* and *The Great Alone* comes an incandescent story about the resilience of the human spirit, the triumph of hope, and the meaning of home. In the rugged Pacific Northwest lies the Olympic National Forest—nearly a million acres of impenetrable darkness and impossible beauty. From deep within this old growth forest, a six-year-old girl appears. Speechless and alone, she offers no clue as to her identity, no hint of her past. Having retreated to her western Washington hometown after a scandal left her career in ruins, child psychiatrist Dr. Julia Cates is determined to free the extraordinary little girl she calls Alice from a prison of unimaginable fear and isolation. To reach her, Julia must discover the truth about Alice's past—although doing so requires help from Julia's estranged sister, a local police officer. The shocking facts of Alice's life test the limits of Julia's faith and strength, even as she struggles to make a home for Alice—and for herself. "One of [Kristin Hannah's] most compelling and riveting novels."—Booklist

Among life's choices is to have children or remain childfree. Yet those who want a child and find themselves unable, live through the trauma of 'infertility'—cruelly attributed as 'their fault'—to undergo the tribulations of assisted reproductive technology. But how safe is aggressive IVF, invasive ICSI, exploitative ovarian hyper-stimulation and commercial surrogacy? Politics of the Womb proves that there can be broken babies and breaking mothers; it rips away the romanticism around uterus transplants, warns of genetic theft and 'designer babies', and points to the human element being sacrificed, as artificial reproduction uses, reuses and recycles the woman. Pinki Virani combines investigation with analysis to question those who lead the worldwide onslaught on the woman's womb in the name of babies, and squarely confronts what has become the business of baby-making by a chain of suppliers that manufactures on demand. Written in a manner accessible to all, here finally is a path-breaking book which speaks up, in no uncertain terms, for the right to informed choice on responsible reproduction.

Are you confused about how to raise your kids? How many hours should they spend with the TV, iPad or Xbox? Do you worry about what they should eat, drink and read? As the urban, nuclear family is becoming the norm, replacing the traditional joint family, what happens to the children who grow up with a single support system? In *The Modern Gurukul*, Sonali Bendre Behl shares her three principles of parenting that will help you find a balance between tradition and modernity, and show you how to raise your child in the digital age. Personal, anecdotal and honest, it highlights the need for a return to our roots to raise a healthy, curious and, most importantly, compassionate child.

LEGEND OF LAKSHMI PRASAD Notion Press

A Place in My Heart is a many-splendored thing. It is a listicle. It is a celebration of the power of storytelling. It is also an account of a life lived in the Bollywood trenches. National Award-winning author, journalist and film critic Anupama Chopra writes about fifty films, artistes and events that have left an indelible impression on her and shaped her twenty-five-year-long career. Shah Rukh Khan is here. So are Super Deluxe and the Cannes Film Festival. A Place in My Heart is a blend of recommendations and remembrances, nostalgia and narratives. It is a smorgasbord of cinematic delights, written, as Marie Kondo would say, to 'spark joy.' Above all, it is a testament to Chopra's enduring love for all things cinema.

This is a movie tie-in edition and any reviews posted before October 10, 2019 are from the previous edition of the same title published in 2015. Aisha Chaudhary was born with SCID (severe combined immune deficiency) and underwent a bone-marrow transplant when she was six months old. She lived in New Delhi, where she was born. The year 2014 was brutal for Aisha as her disease progressed, and her lungs started giving up on her. The last few months of the year felt like a roller-coaster ride, one that seemed to be mostly going down. Spending almost all her time lying in bed, Aisha wrote down her thoughts to get some relief, to get them out of her head. Aisha's life was not anything like the average life of an urban teenager, but she had experienced a lifetime of emotions; life and death, fear and anger, love and hate, the depths of utter sorrow and the happiest one can be. In *My Little Epiphanies* she took a hard look at her own feelings and what it was that gave her a sense of hope and control. This book gave her life purpose and meaning, something to hold on to. Sometimes, Aisha's little epiphanies had morphed into doodles that capture what was going on in her mind as her destiny played itself out. Through the book she wanted the world to understand her unusual life and she hoped that it will inspire others, going through similar hardships, to find peace.

NOW A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, Bangkok 8). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and *Bangkok 8* in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.

Four siblings experience the drama, intrigue, and upheaval of the '60s summer when everything changed in Elin Hilderbrand's #1 New York Times bestselling historical novel. Welcome to the most tumultuous summer of the twentieth century. It's 1969, and for the Levin family, the times they are a-changing. Every year the children have looked forward to spending the summer at their grandmother's historic home in downtown Nantucket. But like so much else in America, nothing is the same: Blair, the oldest sister, is marooned in Boston, pregnant with twins and unable to travel. Middle sister Kirby, caught up in the thrilling vortex of civil rights protests and determined to be independent, takes a summer job on Martha's Vineyard. Only-son Tiger is an infantry soldier, recently deployed to Vietnam. And thirteen-year-old Jessie suddenly feels like an only child, marooned in the house with her out-of-touch grandmother and her worried mother, while each of them hides a troubling secret. As the summer heats up, Ted Kennedy sinks a car in Chappaquiddick, man flies to the moon, and Jessie and her family experience their own dramatic upheavals along with the rest of the country. In her first historical novel, rich with the details of an era that shaped both a nation and an island thirty miles out to sea, Elin Hilderbrand once again earns her title as queen of the summer novel.

Born to parents who were landless agricultural labourers in the state of Manipur in Northeast India, Mary Kom's story is one of relentless struggle and unflinching passion for boxing. A childhood of hard labour prepared her body for the sport as well as any fitness training might have. Her own will and aggression carried her through the minefield of politics that any sport in India is. Nimble of foot and pulling no punches, the boxing ring was her domain. M.C. Mary Kom is not yet ready to call it a day, but here she tells her story so far, no holds barred -- her tough childhood, her rebellions and how she held her own in the male world of boxing. It's all packed into this inspiring, exhilarating tale of a woman who faced impossible odds in a man's world -- and won.

How do you deal with the most difficult moments in your life? Every experience that we go through changes us and helps us grow. As we learn to laugh and cry, win and lose, share and care, the meaning of life and true happiness unfolds before us. Known for his bold forays into Bollywood, Emraan Hashmi walks us through his memories that have shaped him—from a confused teenager who dabbled in a variety of things to finding his calling to the suave, smart and unorthodox actor he has become today. At the heart of his story lies the most important and transformative experience of his life—the period when his son, Ayyan, was battling with cancer. It reveals the man behind the limitless charm of Emraan Hashmi and how he dealt with his son's illness. Honest, personal, bold and heart-warming, *The Kiss of Life* is about an actor and a father's trials and triumphs.

She Walks, She Leads Harper Collins

One of the most enduring divas of Hindi cinema, a producer and director for films and television, dancer and choreographer par excellence, magazine editor, an active member of Parliament and now a singer, Hema Malini wears many hats with admirable ease. No other industry name comes close to matching the breadth of her achievements. In an industry where the male star has traditionally driven the commercial success of films, Hema was an exception, with her name alone sufficing to ensure a film's box-office glory. She was, arguably, India's first female superstar. Apart from starring in mainstream super-hits like *Johny Mera Naam*, *Jugnu*, *Andaz*, *Seeta Aur Geeta*, *Sholay* and, more recently, *Baghban*, she received critical acclaim for her performances in *Lal Patthar*, *Khushboo*, *Kinara*, *Meera*, *Ek Chadar Maili Si* and *Razia Sultan*. But there is much more to her than just her Bollywood journey. From her efforts at reviving and sustaining classical dance to her graceful handling of her personal life and the controversies that have plagued her in her political avatar, from her relationships to her religious beliefs and her recent tryst with singing, Hema Malini: *Beyond the Dream Girl* covers it all. With detailed interviews and exclusive anecdotes from her family, friends and co-actors, this is an inside look at the remarkable life of one of our greatest cinema icons, someone who has truly lived life on her own terms.

* Tiger populations the world over are endangered* A unique look at individual tigers and family groups* Written and photographed by a former

government official, actress and photographer well-versed in Ranthambhore's more remote locations. Ranthambhore National Park is a vast wildlife reserve in Rajasthan, northern India. It is a former royal hunting ground and home to tigers, leopards and marsh crocodiles. Its landmarks - both natural and manmade - include the imposing 10th-century Ranthambhore Fort, the Ganesh Mandir temple, and Padam Talao Lake, known for its abundance of water lilies. It is one of the world's finest places to view wildlife. The Park is also a crucial tiger habitat. As Rajasthan's former Minister

for Tourism, as well as for Forests and the Environment, Bina Kak had unprecedented access to the Park. There she focused on individual tigers, tigresses, and tiger families. Unlike other photography books on the Park, this book focuses on the unique traits - or personalities - of single animals or groups, for example how a male tiger mothered his cubs when they were separated from the tigress. Her stunning photographs include views not easily accessible or are completely unavailable to other photographers, and will certainly appeal to conservationists, environmentalists, travelers, those interested in nature photography, or anyone engaged with the future of these magnificent animals.
