 Scrum is that ground-breaking.? It already drives most of the world's top technology companies.? And now

it's starting to spread to every domain where people wrestle with complex projects. ? If you've ever been startled by how fast the world is changing, Scrum is one of the reasons why.
 Scrum: The Art of Doing Twice the Work in Half the Time ...
 The definitive account of the Scrum methodology from its cocreator and the CEO of Scrum, Inc., Jeff Sutherland. Scrum is the revolutionary approach to project management and team building that has helped to transform everything from software companies to the US military to health care in major American hospitals. In this major new book, its originator, Jeff Sutherland, explains precisely and step by step how it operates - and how it can be made to work for anyone, anywhere.
