MORROW HAILEY

Wedding and Worship

Versify

A trio of friends from New York City find themselves trapped inside a mechanical board game that they must dismantle in order to save themselves and generations of other children in this action-packed debut that's a

steampunk Jumanji with a Middle Eastern flair. Nothing can prepare you for The Gauntlet... It didn't look dangerous, exactly. When twelve-year-old Farah first laid eyes on the old-fashioned board game, she thought it looked...elegant. It is made of wood, etched with exquisite images—a palace with domes and turrets, lattice-work windows that cast eerie

shadows, a large spider—and at the very center of its cover, in broad letters, is written: The Gauntlet of Blood and Sand. The Gauntlet is more than a game, though. It is the most ancient, the most dangerous kind of magic. It holds worlds inside worlds. And it takes players as prisoners.

African Textiles Simon and Schuster Drawing on experiences from villagers in Bengal to scientists in Bangalore, this book explores the beauty, adaptability and personality of India's most iconic garment. Banerjee and Miller show why the sari has survived and indeed flourished as everyday dress when most of the world has adopted western clothing. Their book

presents both an intimate portrait of the lives of women in India today and an alternative way for us all to think about our relationship to the clothes we wear. A new bride is unable to move from her husband's motorbike as her sari comes undone. A young man wonders how he will cope with the saris complicated folds in a romantic clinch. A villager's soft, worn sari is her main comfort during a fever. Throughout the book, these and other remarkable stories place the sari at the heart of relationships between mothers and infants, mistresses and maids, designers and soap opera stars. Illustrated and rich in personal testimony, The Sari expertly shows how one of the

world's most simply constructed garments can reveal the intricate design of life in modern India.

Traces a boy's journey across India as he

searches for a sacred buffalo bell stolen from his tribe.

How to Wear a Sari

Bloomsbury Visual Arts

A deeply original exploration of the

power of spontaneity—an

ancient Chinese ideal that cognitive

scientists are only now beginning to

understand—and why it is so essential to our

well-being Why is it always hard to fall

asleep the night before an important meeting?

Or be charming and relaxed on a first date?

What is it about a politician who seems

wooden or a comedian whose jokes fall flat or

an athlete who chokes? In all of these cases,

striving seems to backfire. In *Trying Not*

To Try, Edward

Slingerland explains why we find

spontaneity so elusive, and shows how early Chinese thought points the way to happier, more authentic lives. We've long been told that the way to achieve our goals is through careful reasoning and conscious effort. But recent research suggests that many aspects of a satisfying life, like happiness and spontaneity, are best pursued indirectly. The early Chinese philosophers knew this, and they wrote extensively about an effortless way of being in the world, which they called wu-wei (ooo-way). They believed it was the source of all success in life, and they developed various strategies for getting it and hanging on to it. With clarity and wit, Slingerland introduces

us to these thinkers and the marvelous characters in their texts, from the butcher whose blade glides effortlessly through an ox to the wood carver who sees his sculpture simply emerge from a solid block. Slingerland uncovers a direct line from wu-wei to the Force in Star Wars, explains why wu-wei is more powerful than flow, and tells us what it all means for getting a date. He also shows how new research reveals what's happening in the brain when we're in a state of wu-wei—why it makes us happy and effective and trustworthy, and how it might have even made civilization possible. Through stories of mythical creatures and drunken cart riders, jazz musicians and

Japanese motorcycle gangs, Slingerland effortlessly blends Eastern thought and cutting-edge science to show us how we can live more fulfilling lives. Trying Not To Try is mind-expanding and deeply pleasurable, the perfect antidote to our striving modern culture.

Chachaji's Cup Fourth Estate

Many of us would have fallen in love with our best friends but have failed to tell them. A perfect love story is the one which has essence of friendship. Unofficially Yours is a saga of two best friends, RV and Arohi, who fell in love, breaking their self-made rule: We will not fall for each other. Its a story of ten college friends, five boys and five girls, who are all IT

professionals, placed in Pune. Sharing status :SINGLE. New city, movies, games, parties, birthdays, disc, Goa, and one rule: No couples in the group. RV admires Arohi but cant say as he has a rule to follow. Group gatherings and instances keep bringing them close. The adventure of being lost in the jungle of Matheran, RV teaching Arohi to drive a pulsar, and Arohis weird demands make them the best of best friends. They create a WhatsApp group called Wish List, where they punch in all the wishes they want to accomplish. Its a tale of broken rules, broken friendships, pain of separation, fight for love, dreams coming true, and a wish list. The novel contains all

the elementstravel, adventure, and thrill. Its a fairy tale that RV creates for Arohi. Enjoy this roller-coaster ride with RV, Arohi, and their group. A journey from just friendship to a perfect love story.

THE HANDBOOK THAT BRIDGES THE GAP BETWEEN ENGINEERING PRINCIPLES AND BIOLOGICAL SYSTEMS

The focus in the "Standard Handbook of Biomedical Engineering and Design" is on engineering design informed by description and analysis using engineering language and methodology. Over 40 experts from universities and medical centers throughout North America, the United

Kingdom, and Israel have produced a practical reference for the biomedical professional who is seeking to solve a wide range of engineering and design problems, whether to enhance a diagnostic or therapeutic technique, reduce the cost of manufacturing a medical instrument or a prosthetic device, improve the daily life of a patient with a disability, or increase the effectiveness of a hospital department. Heavily illustrated with tables, charts, diagrams, and photographs, most of them original, and filled with equations and useful references, this handbook speaks directly to all practitioners involved in biomedical engineering, whatever

their training and areas of specialization.

Coverage includes not only fundamental principles, but also numerous recent advances in this fast moving discipline.

Major sections include:

* Biomedical Systems Analysis * Mechanics of the Human Body * Biomaterials * Bioelectricity * Design of Medical Devices and Diagnostic Instrumentation * Engineering Aspects of Surgery * Rehabilitation Engineering * Clinical Engineering The "Handbook" offers breadth and depth of biomedical engineering design coverage unmatched in any other general reference.

Indian Fashion

University of Chicago Press

Fashion in India is distinctly unique, in its aesthetics, systems, designers and influences. Indian Fashion is the first study of its kind to examine the social, political, global and local elements that give shape to this multifaceted center. Spanning India's long historical contribution to global fashion to the emergence of today's vibrant local fashion scene, Sandhu provides a comprehensive overview of the Indian

fashion world. From elite high-end to street style of the masses, the book explores the complex realities of Indian dress through key issues such as identity, class, youth and media. This ground-breaking book does not simply apply western fashion theory to an Indian context, but allows for a holistic understanding of how fashion is created, worn, displayed and viewed in India.

Accessibly written, Indian Fashion will be a fantastic resource for students of fashion, cultural studies and anthropology.

[An Obedient Father](#)

Ministry of Information & Broadcasting
Full of wit and delicious observations, Mrs Funnybones captures the life of the modern

Indian woman a woman who organizes dinner each evening after having been at work all day, who runs her own life but has to listen to her mummyji, who worries about her weight and the state of the country. Based on Twinkle Khanna's super-hit column, Mrs Funnybones marks the debut of one of our funniest, most original voices.

Trying Not to Try

Penguin

Throughout the discussions about globalisation and design, what has been missing until now are deliberations regarding necessary changes towards a design education which puts conceptual acting in the context of global movements and problem situations. This publication pleads

for a revision of design education. It addresses students, teachers, and design practitioners. On the basis of concrete examples, concepts, methods and tools are presented for discussion. They can open up new directions and possibilities of design education. Consequently, this book focuses on design students experiences and reflections as contributions to a design education understood as a school for differentiated perception. The local level the respective Cultural Space is appreciated as the actual hot spot of globalisation. The book offers reports, case studies, analyses, and reflections by lecturers, artists, and students about their working experiences in

Uzbekistan, the United Arab Emirates, Australia, New Zealand, Poland, Nigeria, Botswana, South Sudan, India, Canada, Albania, the USA and others.

The Sari HarperCollins

Tired of being treated like a child, a young girl sets out to prove herself capable to her multi-generational Indian-American family, but an ill-fated attempt at putting on a sari has an unexpected outcome.

Notion Press

Changing trends in fashion have always reflected large-scale social and cultural changes. Changing Fashion presents for the first time a multi-disciplinary approach to examining fashion change, bringing together theory from fashion studies,

cultural studies, sociology, psychology and art history, amongst others. Ideal for the undergraduate student of fashion and cultural studies, the book has a wide range of contemporary and historical case material which provides practical examples of trend analysis and change, from the art deco textile designs of Sonia Delaunay to the chameleonic shifts in Bob Dylan's appearance over time. Key issues in fashion and identity, such as race, gender and consumption are examined from different disciplinary angles to provide a critical overview of the field. Changing Fashion provides a concise guide to the main theories across disciplines that explain

how and why media, clothing styles, and cultural practices fall in and out of fashion.

Grow Younger Berg

“Like the YouTube channel, this is a touching yet informative guide for those seeking fatherly advice, or even a few good dad jokes.” —

Library Journal

I Go West U of

Minnesota Press

First highlighted in The New Yorker fiction issue, here is award-winning writer Nell Freudenberger’s debut story collection *Lucky Girls* is a collection of five novella-like stories, which take place mostly in Asia. The characters—expatriates, often by accident—are attracted to the places they find themselves in a romantic way, or repelled by a

landscape where every object seems strange.

For them, falling in love can be inseparable from the place where it happens. Living according to unfamiliar rules, these characters are also vulnerable in unique ways. In the title story, a young woman who has been involved in a five-year affair with a married Indian man feels bound to both her memories and her adopted country after his death. The protagonist of “Outside the Eastern Gate” returns to her childhood home in Delhi, to find a house still inhabited by the impulsive, desperate spirit of her mother, who left her family for a wild journey over the Khyber Pass to Afghanistan. In “Letter from the Last Bastion,” a teenage girl begins a

correspondence with a novelist who's built his reputation writing about his experiences as a soldier in Vietnam and who, in his letters, confides in her a secret about his past. Highly anticipated in the literary community and beyond, *Lucky Girls* marks the debut of a very special talent that places her among today's most gifted young writers.

Intercourse Between
India and the Western

World Hesperides Press

What do I wear today?

The way we answer this question says much about how we manage and express our identities. This detailed study examines sartorial style in India from the late nineteenth century to the present, showing how trends in clothing are related to caste, level of education, urbanization, and a larger cultural debate about the nature of Indian identity. Clothes have been used to assert power, challenge authority, and instigate social change throughout Indian society. During the struggle for independence, members of the Indian elite incorporated elements of Western style into their clothes, while Gandhi's

adoption of the loincloth symbolized the rejection of European power and the contrast between Indian poverty and British wealth. Similar tensions are played out today, with urban Indians adopting "ethnic" dress as villagers seek modern fashions. Illustrated with photographs, satirical drawings, and magazine advertisements, this book shows how individuals and groups play with history and culture as they decide what to wear.

Clean My Space

Chronicle Books

This volume provides a history of human decoration and adornment.

Business India Simon and Schuster

The wildly popular YouTube star behind

CLEAN MY SPACE presents the breakthrough solution to cleaning better with less effort. Melissa Maker is beloved by fans all over the world for her completely re-engineered approach to cleaning. As the dynamic new authority on home and living, Melissa knows that to invest any of our precious time in cleaning, we need to see big, long-lasting results. So, she developed her method to help us get the most out of our effort and keep our homes fresh and welcoming every day. In her long-awaited debut book, she shares her revolutionary 3-step solution:

- Identify the most important areas (MIAs) in your home that need attention
- Select the proper

products, tools, and techniques (PTT) for the job • Implement these new cleaning routines so that they stick Clean My Space takes the chore out of cleaning with Melissa's incredible tips and cleaning hacks (the power of pretreating!), her lightning fast 5-10 minute "express clean" routines for every room when time is tightest, and her techniques for cleaning even the most

daunting places and spaces. And a big bonus: Melissa gives guidance on the best non-toxic, eco-conscious cleaning products and offers natural cleaning solution recipes you can make at home using essential oils to soothe and refresh. With Melissa's simple, groundbreaking method you can truly live in a cleaner, more cheerful, and calming home all the time.
