Don't Cheat Me

Createspace Independent
Publishing Platform
The story of Anne Elliot,

her family and various in-laws, friends, suitors and other characters, set in Somersetshire and Bath. The story of „Persuasion“ was Jane Austen's last work and posthumously published.

Seduction Ink Spark Press

The essays in this volume show Keynes's attempts to influence the course of events by public persuasion over the period of 1919-40. In the light of subsequent history, *Essays in Persuasion* is a remarkably prophetic volume covering a wide range of issues in political economy. In articles on the Versailles Treaty, John Maynard Keynes foresaw all too clearly that excessive Allied demands for reparations and indemnities would lead to the economic collapse of Germany. In Keynes's essays on inflation and deflation, the reader can find ideas that were to become the foundations of his most renowned treatise, *The General Theory of Employment, Interest and Money* (1936). With startling accuracy Keynes forecast the economic fluctuations that were to beset the economies of Europe and the United States and even proposed measures

which, if heeded at the time, might have warded off an era of world-wide depression. His views on Soviet Russia, on the decline of laissez-faire, and the possibilities of economic growth are as relevant today as when Keynes originally set them forth.

Aeneid Book 1 Crossway
A reverse harem, enemies to lovers, slow burn romance. "The relentless clock of fate was groaning over to the next hour, ringing the arrival of a battle as old as time, sounding the final alarm, the final chance to fall to our blades or lift them high. It was repeating infernal hours that grew hungrier with each turn, more vicious than the day, the year, the century before." The end was here. The great war had begun. I had been torn apart and remade, a marionette to dance over the coals of this world, stitched together by my tormentors. The great masters thought they could break me down and own me. They were wrong. I had won my freedom, my place in this world, my golden-eyed protector by my side. Until it happened again; the grim call of fate looking out at me through eyes of darkness, the

great masters waiting with the power I needed, curses and promises in their hands. It was time to make another deal. It was time to play their game in earnest. Book 2 in the *Tempest of Shadows* series. Over 105,000 words. This is a slow burn with DARK themes, unwilling anti-heroes, and one hell of a kick-ass heroine woven through a rich fantasy setting.
A Novel Bantam
Four Dragon Guards. Three Curses. Two Heirs. One Choice... Forbidden love or the throne of the dragons? Isola Dragice thought she knew what her future would bring. On her eighteenth birthday, she'd inherit the dragon throne, but one earth-shattering moment destroys everything. As war looms heavy over Dragca, Isola is catapulted out of her pretend human life and thrust into a world, she knows little of. One life-threatening accident, when she loses control of her dragon, ends up with the whole of Dragca academy hating her. When the four most powerful dragons in history are ordered to protect her, they find themselves with an awkward problem. Her family cursed them centuries ago, relegating

them to slaves of the throne and they hate all royals. Especially an ice dragon princess with no control over her powers that can kill fire dragons. Which the whole school is full of. What happens when fire falls for Ice?

Jane Austen's last novel, as sweet as its heroine - a classic

A Fantasy Reverse Harem Story Createspace

Independent Publishing Platform

It's time for the dragon marked to rise... Jessa Lebron doesn't have a lot to complain about. Her father is the alpha of their wolf pack, she lives in Stratford, a protected supernatural prison town, and her best friends, the Compass quads, are the strongest dudes of the four races: shifter, vampire, fey, and magic user. Yep, life is pretty much exactly how she wants it. Until the fateful day, just after her twenty-second birthday, when the mother who abandoned her, returns to the pack bearing secrets that change everything. The biggest secret of all: Jessa is dragon marked, a designation that places her in grave danger. For a

thousand years, every supernatural child born with the mark was eliminated to prevent the rise of the dragon king, a fearsome ancient warmonger. In a bid to learn more about her fate and how to avoid the hunters, Jessa finds herself locked in Vanguard, the notorious supernatural prison. Thankfully she's not alone. Braxton Compass, the most feared of the dragon shifters, is right there with her. Together they'll have to survive long enough to free themselves and the other dragon marked. Before the king rises. *Note from author: this story was previously published by Skyscape. There are no changes to this version. *Supernatural Prison #2* Crossway

After losing Cronus, Maisey had to make a choice; lay broken on the floor and sink into depression, or charge into the underworld and get her man back. Not one to sit around, she and Hyperion waltz into Thanatos's office and demand the god of Death give them safe passage through the seven levels of the underworld to retrieve her love. It seemed like a good idea at the time... but will

Maisey be able to retrieve Cronus and resurrect him in time to finally take out Zeus? Maybe if a huge wrench hadn't been thrown in their plans.

#JustGoingToHaveToWing It

[WBCN and the American Revolution](#) MIT Press

The gods walk among us. And they just might steal your soul... or your heart. I thought I'd survived everything life could throw at me. All I wanted was to keep my distance from the criminals I work for and get my little brother out of the hell that is our mother's house. Then I died and woke up to four stunningly hot gods telling me I'm now a valkyrie. Sly, sharp Loki. Jovial but ferocious Thor. Dreamily compassionate Baldur. Grim and secretive Hod. They all have something to teach me. And around them, my walls start to crack. But the gods didn't summon me just for kicks. Their king is missing, and they need me to find him. The first three valkyries they sent on the job never made it back. More power is awakening in me than I could ever have imagined--and the gods' enemies are more devious than even they knew. It's going to take every trick in the book for me to save

myself, my brother, and these divine men who're getting under my skin in the most alluring way. I'm Aria Watson, and Valhalla ain't seen nothing yet.

The Complete Series
Createspace Independent Publishing Platform
The Winter Queen has declared war on the shifters of New York City. She is coming to destroy Arianna, and everyone she cares about. But the five boroughs are united for the first time in hundreds of years and Arianna is not going to let a little ice storm rip them apart.

How a Radio Station Defined Politics, Counterculture, and Rock and Roll

Willa Knight: The saviour of both worlds, or the destruction of everything? Sometimes history lies, and the tales of Minatsol and Topia are no different. Since the birth of Topia, Staviti has woven a web of deceit around the truth of Creation, striving only to maintain his power while destroying anything that gets in his way. Now, Willa and the Abcurses are determined to strip back the layers, to uncover the truth, and to understand the true

nature of the two worlds before it's too late. The only problem? Any wrong step in their quest to restore balance might have terrible repercussions. Every single being-living or dead-might have to pay the price. This is a full novel, 90,000 words. Book 5 of 5 in the Curse of the Gods Series.

Trickery Trickery
When the formidable power of Jessa Lebron's mark was unleashed, during her impulsive foray into Vanguard, the American supernatural prison, she learned the truth. She's a dual shifter: wolf, and as an added bonus, dragon - of the fluffy persuasion. Yep, she's one special cupcake. Now, pursued by the Four, powerful hunters of the dragon marked, she has no choice but to run. At least she has her impossibly gorgeous and infuriating best friends by her side, the Compass quads. Not only are they powerful and hella useful in a fight, but most of the time they're also semi-entertaining too. With only one month left until the supposed resurrection of the dragon king, this pack will find out soon enough what happens in the world of the dragon mystics.

Pain W. W. Norton & Company
God, who said, "Let light shine out of darkness," has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ. 2 Corinthians 4:6
This book is a cry from the heart of John Piper. He is pleading that God himself, as revealed in Christ's death and resurrection, is the ultimate and greatest gift of the gospel. None of Christ's gospel deeds and none of our gospel blessings are good news except as means of seeing and savoring the glory of Christ. Forgiveness is good news because it opens the way to the enjoyment of God himself. Justification is good news because it wins access to the presence and pleasures of God himself. Eternal life is good news because it becomes the everlasting enjoyment of Christ. All God's gifts are loving only to the degree that they lead us to God himself. That is what God's love is: his commitment to do everything necessary (most painfully the death of his only Son) to enthrall us with what is most deeply and durably satisfying-namely, himself. Saturated with Scripture, centered on the

cross, and seriously joyful, this book leads us to satisfaction for the deep hungers of the soul. It touches us at the root of life where practical transformation gets its daily power. It awakens our longing for Christ and opens our eyes to his beauty. Piper writes for the soul-thirsty who have turned away empty and in desperation from the mirage of methodology. He invites us to slow down and drink from a deeper spring. "This is eternal life," Jesus said, "that they know you the only true God, and Jesus Christ whom you have sent." This is what makes the gospel-and this book-good news.

Split-Second Persuasion

BoD - Books on Demand
It all started with a dare. A single dare on Maisey Parker's twenty first birthday and her entire life changed. One second she was getting drunk with her friends, and the next she was climbing a cliff, cutting her hand, and accidentally offering a blood sacrifice that opened a thousand year old prison. A prison that contained the only living Titan. One too powerful to kill. One that wants nothing to do with being attached to Maisey. Cronus has an old score to

settle with the Greek Pantheon. Lucky she has some sick days saved up at work, because Maisey is dragged along whether she likes it or not. A decision Cronus no doubt regretted right around the time she makes a colossal mistake, unleashing an untold evil on the world. Now they're in a race against the clock to resurrect the other Titans, the only beings who can contain the evil. They're the world's last hope. And Maisey's.

THE STORY: Gillian Holroyd is one of the few modern people who can actually cast spells and perform feats of supernaturalism. She casts a spell over an unattached publisher, Shepherd Henderson, partly to keep him away from a rival and partly because

A Tempest of Shadows

Yearling
Love and tragedy dominate book four of Virgil's most powerful work, building on the violent emotions invoked by the storms, battles, warring gods, and monster-plagued wanderings of the epic's opening. Destined to be the founder of Roman

culture, Aeneas, nudged by the gods, decides to leave his beloved Dido, causing her suicide in pursuit of his historical destiny. A dark plot, in which erotic passion culminates in sex, and sex leads to tragedy and death in the human realm, unfolds within the larger horizon of a supernatural sphere, dominated by power-conscious divinities. Dido is Aeneas' most significant other, and in their encounter Virgil explores timeless themes of love and loyalty, fate and fortune, the justice of the gods, imperial ambition and its victims, and ethnic differences. This course book offers a portion of the original Latin text, study questions, a commentary, and interpretative essays. Designed to stretch and stimulate readers, Ingo Gildenhard's incisive commentary will be of particular interest to students of Latin at both A2 and undergraduate level. It extends beyond detailed linguistic analysis to encourage critical engagement with Virgil's poetry and discussion of the most recent scholarly thought.

Answering Objections with the Power of the Word

One month after Nora's violent induction to the dangerous supernatural side of Detroit, she's finally settling into her new life as the underworld's token human. All she wants to do is mind her own business, enjoy her new friends, and stay safe. But that's easier said than done when she's such an enigma to everyone around her. Thanks to her unique psychic abilities, she's garnered a reputation for being mysterious and powerful. When the alpha of a local werewolf pack asks her to help him figure out who is stealing from him, she can't say no, even though getting involved in pack business could have deadly repercussions. While tangled up in a heap of werewolf troubles, Nora can't quite shake her old vampire problem, either. Henry is practically stalking her, Parker is breaking down the walls around her heart, and Nora's blatant fear of the blood-sucking monsters is a delicious temptation for the natural predators. Nora's succubus friend, Cecile, believes throwing her a "coming out" party into underworld society is the best way to

solve all of her problems. Nora disagrees. If the vampires and werewolves don't kill her, Cecile's party planning definitely will. * This is book 2 in the Nora Jacobs series and should be read after book 1. It is a slow burn reverse harem series.

Wentworth Press

Sometimes, the end is only the beginning. Emmy was born a dweller and she expected to die as a dweller ... until Willa changed everything. Now she has no idea of her path, and she certainly wasn't prepared for what would happen after her death. Caught in the middle of a war that threatened to prove much more significant than anyone had ever expected, there is only one person who can help her ... but his terms are steep. Cyrus was born out of necessity: a being of light, brought to life with a singular purpose. Time has changed him and the recent events have unsettled him ... but a certain transformed dweller is about to do much worse than that. She is about to turn his existence upside down. Topia is giving them no choice: they survive together, or the war is lost. This is a NOVELLA, over 30,000 words. Book

4.5 of 5 in the Curse of the Gods Series

Dragon Mystics

CreateSpace

I'm no stranger to the dark. The shadows belong to me. But even the dark can't hide me forever... I run with my own pack--my four demon wolves and the two friends I would kill to protect. We might be the rejected shifters of the Vegas supernaturals, different and unwanted, but our pack is strong. Feared. Think of us as your local supernatural vigilantes. With my demon wolves secretly watching our backs, we're unstoppable. Until the night the first rune appears on the streets. A rune that hasn't been seen for hundreds of years, sending the Vegas supernaturals into a tailspin. It seems that the Master of Demon Runes has returned, a demon with unlimited power to deceive and kill, dragged up from the depths of the underworld itself. What he wants, no one knows. Except maybe... me. Because there's a teeny tiny chance that my demon wolves used to be his. And an even larger chance he won't return to the underworld without them... Or without me. *Demon Pack is a full length (110k words), dark

and sexy paranormal romance, the first in the Demon Pack series. This series is NOT RH. It's recommended for 18+ due to language, mature themes, and sexual situations. Ends on a cliffhanger.

Willa Knight: Dweller? Sol? Accidental evolutionary hiccup? Willa has never been a particularly useful dweller: she isn't very good at chores, she isn't very good at worshipping, she isn't very good at not having opinions, and she isn't very good with rules-but none of that matters anymore. The rules are changing. The dwellers are trying to make their own way in the world, and Willa can't seem to help getting tangled up in their plans. Luckily, she has the Abcurse brothers to help

her out-until she doesn't, and suddenly she's alone again in a world on the brink of chaos. With the Abcurses gone, she'll have to rely on her wits, and her sister Emmy, to stay under the radar and survive. Because someone wants her dead. But, really, what else is new? This is a full novel, 90,000 words. Book 3 of 5 in the Curse of the Gods Series

[Queen Mecca](#) HMH
Willa Knight: Dweller. Slave. Non-magical being. In Minatsol, being a dweller means that you are literally no better than dirt. In fact, dirt might actually be more useful than Willa. Her life will be one of servitude to the sols, the magic-blessed beings who could one day be chosen to become gods. At least her outer

village is far removed from the cities of the sols, and she won't ever be forced to present herself to them... Until one small mistake changes everything, and Willa is awarded a position to serve at Blesswood, the top sol academy in the world-a position that she definitely did not earn. Under the sudden, watchful eye of the gods, she will be tasked to serve the Abcurse brothers, five sols built of arrogance, perfection and power. They are almost gods themselves, and under their service she is either going to end up sentenced to death, or else they are going to ruin her so badly that she will wish for it. Either way, she is in trouble. This is a full novel, 90,000 words. Book 1 of 5 in the Curse of the Gods Series
