*Mii-Chan and the
Kamishibai Man*
Houghton Mifflin
Harcourt
Before superheroes
filled the pages of
Japanese manga, such
characters had been
regularly seen on the
streets of Japan in
"kamishibai" stories.

This work tells the
history of this
fascinating and nearly
vanished Japanese art
form that paved the
way for modern-day
comic books.
Yonder Mountain Duke
University Press
When he is
shipwrecked and
unable to return to
Japan due to the
chance of being
executed, fourteen-
year-old Manjiro is
rescued by the captain

of an American whaling ship who takes him to Massachusetts where he is torn between his second home and seeing his mother again.

The Art of Japanese Paper Theater

Kamishibai Man
In his Caldecott acceptance speech for GRANDFATHER'S JOURNEY, Allen Say told of his difficulty in separating his dreams from reality. For him this separation was not as important as finding a meaning behind the contradictions and choices we all must make in life and their consequences. Early one morning a boy comes into town, hungry, and looking for work. He meets a sign painter who takes him on as a helper. The boy yearns to be a painter. The man offers him

security. The two are commissioned to paint a series of billboards in the desert. Each billboard has one word, Arrowstar. They do not know its meaning. As they are about to paint the last sign, the boy looks up and sees in the distance a magnificent structure. Is it real? They go to find out. Through a simple text and extraordinary paintings, the reader learns of the temptation of safe choices and the uncertainties of following a personal dream. Here Allen Say tells a haunting and provocative story of dreams and choices for readers of all ages.

Childrens Books

What do you do when the moon lowers itself into your backyard?

When mornings are replaced by perpetual night, and people sigh-sleep in their eyes.

What do you do when the tide comes in, and all the neighborhood dogs won't stop howling? You take the moon for a ride. Adam Rex creates a fantastic tale that is both imaginative and beautiful; one that blurs the line between dreams and reality.

Manjiro ABC-CLIO

Who knew that cakes were so rude?! In this deliciously entertaining book, a not-so-sweet cake—who never says please or thank you or listens to its parents—gets its just desserts. Mixing hilarious text and pictures, Rowboat

Watkins, a former Sendak fellow, has cooked up a laugh-out-loud story that can also be served up as a delectable discussion starter about manners or bullying, as it sweetly reminds us all that even the rudest cake can learn to change its ways. Plus, this is the fixed format version, which will look almost identical to the print version.

Additionally for devices that support audio, this ebook includes a read-along setting.

Aero and Officer Mike

Houghton Mifflin
Harcourt

Meet Gossie, a small yellow gosling who loves to wear bright red boots—every day. One morning Gossie can't find her beloved boots. She looks everywhere for them: under the bed, over

the wall, even in the barn. Preschoolers will enjoy helping Gossie find her red boots and delight in where Gossie finally finds them.

Grandfather's Journey

Routledge

After growing up near San Francisco, a young Japanese woman returns with her parents to their native Japan, but she feels foreign and out of place with the many traditions of her new home. By the author of *Grandfather's Journey*.

25,000 first printing.

A Handbook for the School Librarian

Houghton Mifflin

Harcourt

After many years of retirement, an old Kamishibai man--a Japanese street performer who tells stories and sells candies--decides to make his rounds once

more even though such entertainment declined after the advent of television.

Police Partners

Bloomsbury Publishing

From computer games

to figurines and maid

cafes, men called

"otaku" develop

intense fan

relationships with

"cute girl" characters

from manga, anime,

and related media and

material in

contemporary Japan.

While much of the

Japanese public

considers the forms of

character love

associated with

"otaku" to be weird

and perverse, the

Japanese government

has endeavored to

incorporate "otaku"

culture into its

branding of "Cool

Japan." In *Otaku and*

the Struggle for

Imagination in Japan,

Patrick W. Galbraith explores the conflicting meanings of “otaku” culture and its significance to Japanese popular culture, masculinity, and the nation. Tracing the history of “otaku” and “cute girl” characters from their origins in the 1970s to his recent fieldwork in Akihabara, Tokyo (“the Holy Land of Otaku”), Galbraith contends that the discourse surrounding “otaku” reveals tensions around contested notions of gender, sexuality, and ways of imagining the nation that extend far beyond Japan. At the same time, in their relationships with characters and one another, “otaku” are imagining and creating alternative social worlds.

Mr. Meebles Scholastic Inc.

The amazing tricks two American soldiers perform on a borrowed bicycle are a fitting finale for the school sports day festivities in a small village in occupied Japan.

J-Boys Doubleday Books for Young Readers

A photo essay about a police dog and his human partner at work and play.

A Cherokee Legend Houghton Mifflin Harcourt

As a young Japanese boy recovers from a bad chill, his mother busily folds origami paper into delicate silver cranes in preparation for the boy's very first Christmas.

The Art of Picture Telling Teacher Created Materials

Harkening back to the itinerant Japanese storytellers (the Kamishibai man) who told stories from illustrated cards slid into slots in wooden stages built on the back of their bicycles, these stories will delight and entice children in grades 2-6 to participate in their own story fest.

Manga Kamishibai
Libraries Unlimited
The first in-depth scholarly study in English of the Japanese performance medium kamishibai, Sharalyn Orbaugh's *Propaganda Performed* illuminates the vibrant street culture of 1930s Japan as well as the visual and narrative rhetoric of Japanese propaganda in World War II.

Under the Cherry Blossom Tree Libraries

Who will help Mossy return home to Lilypad Pond? Mossy, an amazing turtle with a gorgeous garden growing on her shell, loses her freedom when Dr. Carolina, a biologist, takes her to live in her Edwardian museum. Visitors flock to see Mossy, but it is Dr. Carolina's niece, Tory, who notices how sad Mossy is living in a viewing pavilion. She misses the outdoors and her friend, Scoot. Dr. Carolina finds a way to keep the spirit of Mossy alive at the museum. She invites Flora and Fauna to paint Mossy's portrait. Then she and Tory take Mossy home, where Scoot is waiting for her. Jan Brett fans will pore over the colorful paintings of Lilypad Pond and lush borders

displaying wildflowers, ferns, butterflies and birds in contrast to elegant spreads of the museum filled with visitors in stylish Edwardian dress and exquisite borders of shells, rocks, crystals and birds' eggs. **MOSSY** gives readers a fascinating look at nature in the wild and on display in a natural history museum.

An Old Japanese

Tale Houghton Mifflin Harcourt

What sort of town do YOU live in? Is there a school? A hospital? Lots of people to see? Then you will LOVE my town - there's always something exciting happening! So what are you waiting for? Let's go! Brilliantly read by Lenny Henry. Please note that audio is not supported by all devices, please consult

your user manual for confirmation.

Tea with Milk The Innovation Press Kamishibai (paper-theater), a Japanese picture-storytelling medium, is gaining global interest as we move from a text-based culture to one that emphasizes multiple semiotic systems and performance. This is the first volume to explore the potential of kamishibai as a dynamic "new" interactive medium for teaching multimodal communication and shows how synchronizing oral, visual and gestural modes develops students' awareness of all modes of communication as potential resources in their learning. By examining the multiple

modes involved in kamishibai through actual student performances over several venues, this volume overturns commonly held expectations about literacy in the classroom and provides a critical perspective on assumptions about other media. It offers much-needed information about a medium that is attracting interest from educators, academics and artists worldwide.

The Sign Painter

Stone Bridge Press
Caldecott Medalist
Allen Say presents a stunning graphic novel

chronicling his journey as an artist during WWII, when he apprenticed under Noro Shinpei, Japan's premier cartoonist Performing Kamishibai Farrar Straus & Giroux Although made of straw and borrowed clothes, a scarecrow appreciates his peaceful, gentle life and the privilege of watching nature at work.

The Boy of the Three-year Nap Libraries Unltd Incorporated Describes the day-to-day life of an early nineteenth-century New England family throughout the changing seasons.
