Interpretive Description Routledge Behavioural research is well established in the social sciences, and has flourished in the field of accounting in recent decades. This far-reaching and reliable collection provides a definitive resource on current knowledge in this new approach, as well as providing a guide to the development and implementation of a Behavioural Accounting Research project. The Routledge Companion to Behavioural Accounting Research covers a full range of theoretical, methodological and statistical approaches relied upon by behavioural accounting researchers, giving the reader a good grounding in both theoretical perspectives and practical applications. The perspectives cover a range of

countries and contexts, bringing in seminal chapters by an international selection of behavioural accounting scholars, including Robert Libby and William R. Kinney, Jr. This book is a vital introduction for Ph.D. students as well as a valuable resource for established behavioural accounting researchers.

Business Berkley

A journey through the otherworldly science behind Christopher Nolan's award-winning film, *Interstellar*, from executive producer and Nobel Prize-winning physicist Kip Thorne. *Interstellar*, from acclaimed filmmaker Christopher Nolan, takes us on a fantastic voyage far beyond our solar system. Yet in *The Science of Interstellar*, Kip Thorne, the Nobel prize-winning physicist who assisted Nolan on the scientific aspects of *Interstellar*, shows us that the movie's jaw-dropping events and stunning, never-before-attempted visuals

are grounded in real science. Thorne shares his experiences working as the science adviser on the film and then moves on to the science itself. In chapters on wormholes, black holes, interstellar travel, and much more, Thorne's scientific insights—many of them triggered during the actual scripting and shooting of *Interstellar*—describe the physical laws that govern our universe and the truly astounding phenomena that those laws make possible. *Interstellar* and all related characters and elements are trademarks of and © Warner Bros. Entertainment Inc. (s14).

Mcalister/Ferrell/Ferrell's Business and Society Kensington Books
The Rosalind Thorne Mysteries—inspired by the novels of Jane Austen—continue as the audacious Rosalind strives to aid those

in need while navigating the halls of high society... Rosalind Thorne has slowly but assuredly gained a reputation as “a useful woman”—by helping respectable women out of some less-than-respectable predicaments. Her latest endeavor is a tragedy waiting to happen. Desperate Margareta Seymore is with child—and her husband is receiving poisoned pen letters that imply that her condition is the result of an affair with the notorious actor Fletcher Cavendish. Margareta asks Rosalind to find out who is behind the scurrilous letters. But before she can make any progress, Cavendish is found dead, stabbed through the heart. Suddenly, Rosalind is plunged into the middle of one of the most sensational murder trials London has ever seen, and her client’s husband is the prime suspect. With the help of the charming Bow Street runner Adam Harkness, she must drop the curtain on this fatal drama before any more lives are ruined.

Kensington Books

This book presents the perspectives of 22 leading figures involved in shaping the field of Childhood Studies over the last 30 years. They reflect on the changes that have taken place in the study of children and childhood, discuss ideas underpinning the field, examine current dilemmas and explore challenges for the future.

Ethics Fifth Edition and Thorne Business and Society Routledge

He calls us his broken saints. And that's what I am...or was. Broken. Until Gage Astor stole my heart and introduced me to a whole new seductive world--one with secrets and intrigue and money. So much money. Money buys everything, even your reputation at Brighton Saints Academy, an exclusive high school for the elite. I'm Remi St. James, and I'm new money. I don't belong here, but the Broken Saints accepted me, molded me, shaped me into a stunning creature that slays life. Enter Sawyer, Palmer, Rush, and Emry. The secret society amid Brighton Saints. The most beautiful and powerful. The only thing more valuable to them than money is secrets. And oh, Brighton Saints is full of secrets. We all have secrets... After I'm initiated into the Broken Saints, that's when the fun (and fear) really begins. I see things and hear things and do things no high school girl should ever be subjected to. And they make me believe it's all my idea... I'm a toy to them. It's all a twisted game, and I don't even know if I want it to stop... I'm in too deep now. There might not be any hope. Gage is a god here; he won't let me leave his society. When he says you're his, you belong to him. Body, mind, and soul. Just like all of his Broken

Saints. So I have to play their game. For now. I have to find a way out...before I lose myself to them completely.*This is the first book in the Broken Saints Society series. A dark high school romance. Books in the series: Dark Ties Dangerous Girls Nefarious Boys More to come..

Dark Ties Rutgers University Press

This book is designed to guide both new and more seasoned researchers through the steps of conceiving, designing, and implementing coherent research capable of generating new insights in clinical settings. Drawing from a variety of theoretical, methodological, and substantive strands, interpretive description provides a bridge between objective neutrality and abject theorizing, producing results that are academically credible, imaginative, and clinically practical. Replete with examples from a host of research settings in health care and other arenas, the volume will be an ideal text for applied research programs.

Business and Society - A Strategic Approach to Social Responsibility Cengage Learning

My name is Sawyer Van Doren, and I'm hijacking this story. See, nice girls like Remi always win in the end. They get the guy, the friends, the crown, you name it—but it's a total cliché, and aren't you sick of clichés? Why can't the bad girl get her happily ever after, too? It's true I helped set Remi up to be destroyed. Toying with nice girls has always gotten my rocks off, but here's a secret: Remi isn't that nice. She has a dark side, and Gage just might be in danger from her. How's that for irony? Here's another secret: During the process of breaking down Remi, I've changed, I've grown—I've learned something about myself... I just might have a soft spot for the girl. And I just might be a little nice myself. I've fallen for a boy from the wrong side of the tracks (or financial territory), and I'm torn over my feelings for him and my loyalty to Gage Astor. I guess the choice will depend on the ending. How will Gage and I reconcile what we've destroyed? How will a minor secret society amid an elite academy take on a major player in one of the most powerful societies in the world? Will the Broken Saints remain broken...or will we find a way to repair the damage? I have two words for you: stay tuned. You haven't seen anything yet.

Language, Gender, and Society Penguin Almost everybody who has grown up in Chicago knows about the Thorne Rooms. Housed in the Children's Galleries of the Chicago Art Institute, they are a collection of 68 exquisitely crafted miniature rooms made in the 1930s by Mrs. James Ward

Thorne. Each of the 68 rooms is designed in the style of a different historic period, and every detail is perfect, from the knobs on the doors to the candles in the candlesticks. Some might even say, the rooms are magic. Imagine—what if you discovered a key that allowed you to shrink so that you were small enough to sneak inside and explore the rooms' secrets? What if you discovered that others had done so before you? And that someone had left something important behind? Fans of *Chasing Vermeer*, *The Doll People*, and *From the Mixed-Up Files of Mrs. Basil E. Frankweiler* will be swept up in the magic of this exciting art adventure! *Book One of the Thorne Chronicles* Houghton Mifflin College Division Examines such phenomena as black holes, wormholes, singularities, gravitational waves, and time machines, exploring the fundamental principles that control the universe.

A Strategic Approach to Social Responsibility by Debbie Thorne Mcalister, ISBN Routledge

This book carefully blends the right mix of coverage and applications to give students a firm grounding in business principles. Where other books have you sprinting through the semester to get everything in, this book allows breathing space to explore topics and incorporate additional activities important to you and your students. Built from the ground up, this book is for faculty and students who value a brief, flexible, integrated, and affordable resource that is exciting, applicable, and happening.

An Introduction for Geoscientists and Engineers Cengage Learning

“Wilde's heroine is not only a useful woman but a highly entertaining one.” —Kirkus Reviews on *And Dangerous to Know* Among the ton of Regency London, one breath of scandal can be disastrous. Enter Rosalind Thorne, a young woman adept at helping ladies of quality navigate the most delicate problems—in this charming mystery series inspired by the novels of Jane Austen . . . It is every mama's dearest wish that her daughter marries well. But how to ensure that a seemingly earnest suitor is not merely a

fortune hunter? Rosalind is involved in just such a case, discreetly investigating a client's prospective son-in-law, when she is drawn into another predicament shockingly close to home. Rosalind's estranged father, Sir Reginald Thorne—a drunkard and forger—has fallen into the hands of the vicious scoundrel Russell Fullerton. Angered by her interference in his blackmail schemes, Fullerton intends to unleash Sir Reginald on society and ruin Rosalind. Before Rosalind's enemy can act, Sir Reginald is found murdered—and Fullerton is arrested for the crime. He protests his innocence, and Rosalind reluctantly agrees to uncover the truth, suspecting that this mystery may be linked to her other, ongoing cases. Aided by her sister, Charlotte, and sundry friends and associates—including handsome Bow Street Runner Adam Harkness—Rosalind sets to work. But with political espionage and Napoleon loyalists in the mix, there may be more sinister motives, and far higher stakes, than she ever imagined . . .

Gender Play Routledge

Continuing the epic romantic fantasy series that began with *Avery*, Thorne is a story of courage, sacrifice, and forbidden love. Lovers in *Kaya* have always died together, bonded in death as in life. But rumors of a cure are rife. A team of young Kayans will be sent on a quest to find the answer—for the very nature of love is at stake. The beautiful but reckless Finn has never shied away from danger, and ending the bond means more to her than anyone knows. This adventure sounds thrilling, but Finn has always been willing to risk too much, and for the first time she has something—or someone—to lose. Crown Prince Thorne, in the neighboring land of Pirenti, has grown up rejecting the legacy of his father's blood, keeping caged the beast that lies dormant within. But the moment he sets eyes on the wild girl from the Kayan cliffs, his usual caution is thrown to the wind. As the world crumbles around them, can Finn and Thorne cast off the shadows to find a love stronger than either imagined? Or is their true challenge to embrace the darkness within?

And Dangerous to Know Academic Internet Pub Incorporated

When the ladies of the ton of Regency London need discreet assistance, they turn to Rosalind Thorne—in these mysteries inspired by the novels of Jane Austen . . . Trust is a delicate thing, and no one knows that better than Rosalind Thorne. Lady Melbourne has entrusted her with recovering a packet of highly sensitive private letters stolen from her desk. The contents of these letters hold great interest for the famous poet Lord Byron,

who had carried on a notorious public affair with Lady Melbourne's daughter-in-law, the inconveniently unstable Lady Caroline Lamb. Rosalind is to take up residence in Melbourne House, posing as Lady Melbourne's confidential secretary. There, she must discover the thief and regain possession of the letters before any further scandal erupts. However, Lady Melbourne omits a crucial detail. Rosalind learns from the Bow Street runner Adam Harkness that an unidentified woman was found dead in the courtyard of Melbourne House. The coroner has determined that she was poisoned. Adam urges Rosalind to use her new position in the household to help solve the murder. As she begins to untangle a web of secrets and blackmail, Rosalind finds she must risk her own life to bring this desperate business to an end . . .

Key Thinkers in Childhood Studies

Penguin

Becoming an Outstanding History Teacher will take the practitioner through the process of improving their practice from start to finish. It offers a wide range of approaches and techniques for teaching and learning that will help to keep students stimulated and engaged when studying history. With history regularly topping public polls of important school subjects and among the most popular subjects to be studied at GCSE, this book considers the components which make an outstanding history teacher and how best to ensure students are motivated and maximise their potential. Focusing on all aspects of teaching history, it provides a step-by-step discussion of the development of lessons and covers a wealth of topics, including: long-, medium-, and short-term planning the classroom environment managing all student abilities dealing with interpretations and sources arranging history fieldwork formative and summative assessment setting meaningful and effective homework. Packed full of tried-and-tested strategies and activities that are easy to implement, this is essential reading for both newly qualified and experienced history teachers who want to ensure outstanding teaching and learning in their classrooms.

A Dark High School Romance (Broken Saints Society 1) Penguin

"Wilde's heroine is not only a useful woman but a highly entertaining one." —Kirkus Reviews on *And Dangerous to Know* Fans of Jane Austen have fallen in love with this mystery series featuring Rosalind Thorne, a young woman adept at helping ladies of the ton navigate the darker corners of Regency England—while revealing Society's most shocking secrets .

. . . Rosalind is pleased when she's invited to Cassel House to help her friend, Louisa, prepare for her upcoming wedding. But that's not the only event on her agenda. The trip will also reunite Rosalind with Devon Winterbourne, the newly minted Duke of Casselmaine. Devon and Rosalind were on the verge of betrothal before the infamous Thorne family scandal derailed their courtship. Now Rosalind wonders if there's a chance their love might reignite .

. . . Devon is as handsome as Rosalind remembers and it's clear the attraction they once shared hasn't waned. But their time together is interrupted by one crisis after another—including an awkwardly timed request for help from Louisa's friend, Helen Corbyn. The recent, untimely death of Helen's brother, William, was ruled a suicide, but few believe he took his own life. Helen needs to know what really happened—especially since she's engaged to the man some suspect of killing him . . . While Rosalind desperately wants to help, she fears her efforts might cast a pall over Louisa's nuptials, not to mention her reunion with Devon. But when another untimely death rocks the ton, Rosalind has no choice but to uncover the truth—before more people die . . . "A complex, enthralling mystery that rivals those of Anne Perry and Agatha Christie." —New York Journal of Books

Einstein's Outrageous Legacy Springer Science & Business Media

Thorne, a professor of sociology at the University of Southern California, offers her insightful observations of elementary school students in class and at play. Though, as she admits, her status as an adult and an observer may have affected what happened around her, Thorne presents a fascinating account of how children divide themselves—and how others divide them—along gender lines. Breaking students into teams for contests and the eternal game of "cooties" (a contamination attributed more often to girls than boys) reveal much about the microcosm that these students inhabit, and an extensive look at the tomboy, both in literature and in life, compares her ambiguity (sometimes an insult, sometimes a compliment) to the negative attitudes often elicited by gender-crossing in the other direction. Thorne argues convincingly against the theories of scholars like Deborah Tannen and Carol Gilligan that boys and girls have different "cultures," and she attempts to discourage "gender antagonism." A final section offers concrete steps for teachers to take in forming the attitudes—about gender and other topics—of coming generations.

Becoming an Outstanding History Teacher

Random House Books for Young Readers
 "A dreamy summer rom-com that'll make you believe in love again." --Bustle "Full of not only sigh-inducing swoons but the social commentary [Thorne] is talented at writing." --Paste Music was Ruby's first love, but did it ever love her back? After a nightmare audition at the music school where her famous father teaches, the answer to this question is unavoidable. And so, it seems, is Oscar Bell. Musical genius, YouTube sensation, and her dad's new protégé, Oscar is the last person Ruby needs in her life. Being around him feels dangerously like being with her first love again--except music never kissed her like this. Oscar is falling for Ruby too, but he knows how it'll look to the ultra-privileged, ultra-white world of classical music--a Black guy dating his mentor's white daughter. As the New York City summer heats up, though, so does the spark between them. Can two people still figuring themselves out figure out how to be together? And will Ruby get over her first love in time to save what she has with

her second? "Delightful...Hits all the right notes." --Mackenzi Lee, author of *The Gentleman's Guide to Vice and Virtue* "Seriously swoony...I loved it." --Rachel Hawkins, author of *Royals* "Sweet and intense...[An] engrossing romance with a social conscience." --Kirkus "Utterly romantic." --Tanaz Bhathena, author of *A Girl Like That* "Full of heart and humor. It crackles with energy." --Kelly Loy Gilbert, author of *Picture Us in the Light* "Timely and romantic." --Publishers Weekly "Beautiful, heartfelt, aware, and raw." --Lauren Gibaldi, author of *This Tiny Perfect World* "Thoughtful, nuanced." --Booklist

Business and Society
A Strategic Approach to Corporate Citizenship
 Houghton Mifflin College Division
Thorne Business and Society with Your Guide to an A Passkey Third Edition
 South-Western College

A brief alternative to other texts, *Business and Society* provides an overview of corporate citizenship in 12 chapters, with 10 cases that cover small, large, and non-profit businesses. Students--both undergraduates and MBA majors--will gain the skills and background knowledge necessary to make informed opinions about how organizations implement various strategies to fulfill their social and financial goals. Opening vignettes profile an organization or situation relevant to each chapter's main focus so that students can preview key concepts. The authors revisit the vignettes throughout to clarify the examples in light of new ideas. Experiential Exercises at the end of each chapter promote higher-level learning and require students to apply, analyze, synthesize, and evaluate the concepts, practices, and benefits associated with corporate citizenship. The Instructor's Resource Manual features several Behavioral Simulation Role-Playing Cases designed to develop teamwork and group decision-making skills.
