There are many things that make up a great leader. The ability to motivate, to see the big picture, to delegate. But perhaps just as important, if not more so, is the leader's emotional intelligence (EQ). How we feel impacts how we lead, and how those we lead feel about themselves when they're around us affects how well they follow our leadership. It follows then that if we want to be the most effective leaders, we must be emotionally mature. In this practical book, church leadership expert Aubrey Malphurs shows church and ministry leaders how to assess, understand, and improve both their own EQ and that of their followers, so that they can inspire the very best in their churches and organizations.

What's new about this third edition of the long respected and often used Church Administration Handbook? In addition to time and technological-sensitive updates to the basic organizational details, editor Bruce Powers writes: "The needs of people and churches have continued to change, with questions now being raised about the quality of congregational life, nature of leadership, and responsibility for ministry among all believers . . . As we have prepared this edition, we have sought to address five primary needs. 1. Leadership skills and administrative tools that can be adapted for use in a variety of contexts from traditional to contemporary, from rural to urban, and from unicultural to multicultural settings; 2. Spiritual formation that relates to all of life (from birth to death); 3. Mission consciousness (in community, regionally, nationally, and globally); 4. Ministry of all believers (particularly calling out and equipping vocational, bivocational, and lay ministers); and 5. Leadership competence (the ability to inspire, motivate, and equip the saints for the work of ministry)."

Published in 1817, The Doctrines and Discipline of the African Methodist Episcopal Church was the first definitive guide to the history, beliefs, teachings, and practices of the African Methodist Episcopal Church. Beginning with a brief history, the book moves into a presentation of the "Articles of Religion," including the Trinity, the Word of God, Resurrection, the Holy Spirit, scripture, original sin and free will, justification, works, the church, purgatory, the sacraments, baptism, the Lord's Supper, marriage, church ceremonies, and government. Immediately following the articles is an extended four-part catechism that more fully explicates the meanings and implications of the doctrinal statements. A DOCSOUTH BOOK. This collaboration between UNC Press and the University of North Carolina at Chapel Hill Library brings classic works from the digital library of Documenting the American South back into print. A healing antidote to our divisive culture, full of evocative storytelling, spiritual wisdom, and nine essential daily practices—by the first female, Black senior minister at the historic Collegiate Churches of New York "Fierce Love teaches us that with spiritual faith we can transcend the darkest moments and come through stronger."—Gabrielle Bernstein, #1 New York Times bestselling author of The Universe Has Your Back We are living in a world divided. Race and ethnicity, caste and color, gender and sexuality, class and education, religion and political party have all become demographic labels that reduce our differences to simplistic categories in which "we" are vehemently against "them." But Rev. Dr. Jacqui Lewis's own experience—of being the first female and first Black minister in her church's history, of being in an interracial marriage, and of making peace with childhood abuse—illustrates that our human capacity for empathy and forgiveness is the key to reversing these ugly trends. Inspired by the tenets of ubuntu—the Zulu philosophy that we are each impacted by the circumstances that impact those around us, and that the world won't get better until we all get better—Fierce Love lays out the nine daily practices for breaking through tribalism and engineering the change we seek. From downsizing our emotional baggage to speaking truth to power to fueling our activism with joy, it demonstrates the power of small, morally courageous steps to heal our own lives, our posse, and our larger communities. Sharing stories that trace her personal reckoning with racism as well as the arc of her journey to an inclusive and service-driven faith, Dr. Lewis shows that kindness, compassion, and inclusive thinking are muscles that can be exercised and strengthened. With the goal of mending our inextricable human connection, Fierce Love is a manifesto for all generations: a bighearted, healing antidote to our rancorous culture.
