The Italian Gothic horror genre underwent many changes in the 1980s, with masters such as Mario Bava and Riccardo Freda

dying or retiring and young filmmakers such as Lamberto Bava (*Macabro*, *Demons*) and Michele Soavi (*The Church*) surfacing. Horror films proved commercially successful in the first half of the decade thanks to Dario Argento (both as director and producer) and Lucio Fulci, but the rise of made-for-TV products has resulted in the gradual disappearance of genre products from the big screen. This book examines all the Italian Gothic films of the 1980s. It includes previously unpublished trivia and production data taken from official archive papers, original scripts and interviews with filmmakers, actors and scriptwriters. The entries include a complete cast and crew list, plot summary, production history and analysis. Two appendices list direct-to-video releases and made-for-TV films.

Out of the core of experience, these essays began as obsessions. Whether founded in some strongly lived moment, deeply held conviction, long-term interest, or persistent and unanswered question, these essays reveal the writer's voice—personal, often passionate, full of conviction, certainly unmistakable. Marianna Torgovnick has drawn together writings by leading contemporary scholars in the humanities, representing fields of literary criticism, American and Romance studies, anthropology, and art history. *Eloquent Obsessions* presents cultural criticism at its thoughtful and writerly best. This collection explores a wide range of issues at the intersection of personal and social history—from growing up in the South to exploring a love for France or Japan, from coming of age as a feminist to mapping the history of National Geographic, from examining the cultural "we" to diagnosing class structures in Israel or showing how photography deals with AIDS. The authors here bring writerly genres—autobiography, memoir, or travel narrative—to intellectual tasks such as textual readings or investigating the histories of institutions. Continuing a tradition of cultural criticism established by writers such as Samuel Johnson, Zora Neale Hurston, Edmund Wilson, Hannah Arendt, or Raymond Williams, these essays seek to make a difference, to have an impact, and are based on the fundamental premise that writers have something to say about society. Simply put, this collection offers models for writing eloquently about culture—models that are intellectually and socially responsible, but attuned to the critic's voice and the reader's ear. Aimed not just at academics but also at a more general audience alive to the concerns and interests of society today, *Eloquent Obsessions*, a revised and expanded version of a special issue of *South Atlantic Quarterly* (Winter 1992), will extend beyond the academy contemporary ways of writing about culture. Contributors. Jane Collins, Cathy N. Davidson, Virginia R. Dominguez, Mark Edmundson, Gerald Graff, Richard Inglis, Aldona Jonaitis, Alice Yaeger Kaplan, Catherine Lutz, Nancy K. Miller, Linda Orr, Andrew Ross, Henry M. Sayre, Jane Tompkins, Marianna Torgovnick

The crucial sequel to the New York Times bestselling *The Secret History of Twin Peaks*, this novel bridges the two series, and takes you deeper into the mysteries raised by the new series. The return of *Twin Peaks* is one of the most anticipated events in the history of television. The subject of endless speculation, shrouded in mystery, fans will come flocking to see Mark Frost and David Lynch's inimitable vision once again grace the screen. Featuring all the characters we know and love from the first series, as well as a list of high-powered actors in new roles, the show will be endlessly debated, discussed, and dissected. While *The Secret History of Twin Peaks* served to expand the mysteries of the town and place the unexplained phenomena that unfolded there into a vastly layered, wide-ranging history, *Twin Peaks: The Final Dossier* tells us what happened to key characters in the twenty-

five years in between the events of the first series and the second, offering details and insights fans will be clamoring for. The novel also adds context and commentary to the strange and cosmic happenings of the new series. For fans around the world begging for more, Mark Frost's final take laid out in this novel will be required reading.

This edited collection offers an interdisciplinary study of *Twin Peaks: The Return*, the third season of a TV program that has attracted the attention (and appreciation) of spectators, fans, and critics for over two decades. The book takes readers into several distinct areas and addresses the different approaches and the range of topics invited by the multidimensionality of the subject itself: the philosophical, the artistic, the socio-cultural, and the personal. The eighteen chapters constituting the volume are academic in their approach to the subject and in their methodology, whether they apply a historical, psychoanalytical, film studies, or gender studies perspective to the text under examination. The variety and range of perspectives in these aforementioned chapters reflect the belief that a study of the full complexity of *Twin Peaks: The Return*, as well as a timely assessment of the critical importance of the program, requires both an interdisciplinary perspective and the fusion of different intellectual approaches across genres. The chapters demonstrate a collective awareness of the TV series as a fundamental milestone in contemporary culture.

Bristling with inspired observations and wild anecdotes, this first collection offers a unique insight into the voice and mind of the inimitable Hunter S. Thompson, as recorded in the pages of *Playboy*, *The Paris Review*, *Esquire*, and elsewhere. Fearless and unsparing, the interviews detail some of the most storied episodes of Thompson's life: a savage beating at the hands of the Hells Angels, talking football with Nixon on the 1972 Campaign Trail ("the only time in 20 years of listening to the treacherous bastard that I knew he wasn't lying"), and his unlikely run for sheriff of Aspen. Elsewhere, passionate tirades about journalism, culture, guns, drugs, and the law showcase Thompson's voice at its fiercest. Arranged chronologically, and prefaced with Anita Thompson's moving account of her husband's last years, the interviews present Hunter in all his fractured brilliance and provide an exceptional portrait of his times.

After working with David on his previous work for the series, *The Complete Kubrick*, we knew we were on to a winner for this book. Not only is David Lynch a master of modern film-making but David Hughes is well-qualified to write this 'complete' book. The book covers all Lynch's films including *Mulholland Drive*, TV and other projects, as well as the unrealised ventures such as *Revenge of the Jedi* (later directed by Richard Marquand as *Return of the Jedi*). It also includes a foreword by Barry Gifford -

the novelist behind *Wild at Heart* and co-writer with Lynch of the screenplay for *Lost Highway* - and excerpts from a new interview David Hughes carried out with David Lynch himself. *The Complete Lynch* is the only comprehensive study of this great director.

*Fire Walk with Me* University of Texas Press

A landmark biography explores the crucial resonances among the life, work, and times of one of the most influential filmmakers of our age. When Jean-Luc Godard wed the ideals of filmmaking to the realities of autobiography and current events, he changed the nature of cinema. Unlike any earlier films, Godard's work shifts fluidly from fiction to documentary, from criticism to art. The man himself also projects shifting images—cultural hero, fierce loner, shrewd businessman. Hailed by filmmakers as a—if not the—key influence on cinema, Godard has entered the modern canon, a figure as mysterious as he is indispensable. In *Everything Is Cinema*, critic Richard Brody has amassed hundreds of interviews to demystify the elusive director and his work. Paying as much attention to Godard's technical inventions as to the political forces of the postwar world, Brody traces an arc from the director's early critical writing, through his popular success with *Breathless*, to the grand vision of his later years. He vividly depicts Godard's wealthy conservative family, his fluid politics, and his tumultuous dealings with women and fellow New Wave filmmakers. *Everything Is Cinema* confirms Godard's greatness and shows decisively that his films have left their mark on screens everywhere.

In 1990, American television experienced a seismic shift when *Twin Peaks* premiered, eschewing formulaic plots and clear lines between heroes and villains. This game-changing series inspired a generation of show creators to experiment artistically, transforming the small screen in ways that endure to this day. Focusing on six shows (*Twin Peaks*, with a critical analysis of both the original series and the 2017 return; *The Wire*; *Treme*; *The Sopranos*; *Mad Men*; and *Girls*), *Television Rewired* explores what made these programs so extraordinary. As their writers and producers fought against canned plots and moral simplicity, they participated in the evolution of the exhilarating new auteur television while underscoring the fact that art and entertainment don't have to be mutually exclusive. Nochimson also makes provocative distinctions between true auteur television and shows that were inspired by the freedom of the auteur series but nonetheless remained entrenched within the parameters of formula. Providing opportunities for vigorous discussion, *Television Rewired* will stimulate debates about which of the new television series since 1990 constitute "art" and which are tweaked "business-driven storytelling."

*Behind-The-Scenes* Fayetteville Mafia Press

In 1990, David Lynch was on top of the world. *Wild at Heart* won the Palme d'Or at the Cannes Film Festival and *Twin Peaks* was the hottest show on TV. In 1992, he released *Twin Peaks: Fire Walk with Me*. It sure is amazing how fast coffee can get cold. The film was not well received, to say the least, by critics or ticket buyers. It seemed like the verdict was in: *Twin Peaks* was dead and wrapped in plastic. Thirty years later, the film is thought by many to be Lynch's masterpiece. Author Scott Ryan (*Moonlighting: An Oral History*, *The Blue Rose* magazine) was among the few *Twin Peaks* fans who saw the film on the day it

was released and loved it from the beginning. He takes an in-depth look at the film, its legacy, and the people who created it, weaving in his own story of how the film has inspired him throughout his life, and still does. The book features interviews with cowriter Bob Engels, editor Mary Sweeney, lead actress Sheryl Lee, and other cast members, as well as Ryan's essays covering the different iterations of the script, and Angelo Badalamenti's superb score. This is an ambitious, unique exploration of one of the darkest films ever created by the master himself, David Lynch.

*Television Rewired* Univ. Press of Mississippi

From his cult classic television series *Twin Peaks* to his most recent film *Inland Empire* (2006), David Lynch is best known for his unorthodox narrative style. An award-winning director, producer, and writer, Lynch distorts and disrupts traditional storylines and offers viewers a surreal, often nightmarish perspective. His unique approach to filmmaking has made his work familiar to critics and audiences worldwide, and he earned Academy Award nominations for Best Director for *The Elephant Man* (1980), *Blue Velvet* (1986), and *Mulholland Drive* (2001). Lynch creates a new reality for both characters and audience by focusing on the individual and embracing existentialism. In *The Philosophy of David Lynch*, editors William J. Devlin and Shai Biderman have compiled an impressive list of contributors to explore the philosophy at the core of the filmmaker's work. Lynch is examined as a postmodern artist, and the themes of darkness, logic, and time are discussed in depth. Other prominent issues in Lynch's films, such as *Bad Faith* and freedom, ethics, politics, and religion, are also considered. Investigating myriad aspects of Lynch's influential and innovative work, *The Philosophy of David Lynch* provides a fascinating look at the philosophical underpinnings of the famous cult director.

*The Autobiography of F.B.I. Special Agent Dale Cooper* Wesleyan University Press

When *Twin Peaks* debuted on the ABC network on the night of April 8, 1990, thirty-five million viewers tuned in to some of the most unusual television of their lives. Centered on an eccentric, coffee-loving FBI agent's investigation into the murder of a small town teen queen, *Twin Peaks* brought the aesthetic of arthouse cinema to a prime time television audience and became a cult sensation in the process. Part of *Twin Peaks*' charm was its unforgettable soundtrack by Angelo Badalamenti, a longtime musical collaborator of film director and *Twin Peaks* co-creator David Lynch. Badalamenti's evocative music, with its haunting themes and jazzy moods, served as a constant in a narrative that was often unhinged and went on to become one of the most popular and influential television soundtracks of all time. How did a unique collaborative process between a director and composer result in a perfectly postmodern soundtrack that ran the gamut of musical styles from jazz to dreamy pop to synthesizer doom and beyond? And how did Badalamenti's musical cues work with *Twin Peaks*' visuals, constantly evolving and playing off viewers' expectations and associations? Under the guidance of Angelo Badalamenti's beautifully dark sonic palette, Clare Nina Norelli delves deep into the world of *Twin Peaks* to answer all this and more.

**Nicolas Cage** Simon and Schuster

From the co-creator of the landmark series, the story millions of fans have been waiting to get their hands on for 25 long years. *The Secret History of Twin Peaks* enlarges the world of the original series, placing the unexplained phenomena that unfolded there into a vastly layered, wide-ranging history, beginning with the journals of Lewis and Clark and ending with the shocking events that closed the finale. The perfect way to get in the mood for the upcoming Showtime series.
