ALEAH ALICIA

The Way Crossway

This beautiful daily devotional collection will bless your spirit with Bible wisdom and heartfelt devotions. Each entry includes a title, scripture, faith-building devotional reading, and prayer.

The Modernist Papers Church Publishing, Inc.

A new and expanded version of Seamless Faith, now with more than a dozen new spiritual practices and additional resources for parents, kids, grandparents, and communities that care about families! Add family faith moments to your daily routine with little or no prep, and share meaningful spiritual experiences with your children! Traci Smith, a pastor and mother of three, offers ways to discover and develop new spiritual practices as a family, whether you're a new seeker or a lifelong follower. Faithful Families is brimming with easy, do-it-yourself ideas for transforming your family's everyday moments into sacred moments! Faithful Families helps you: connect faith to your family's everyday life; add family faith moments into your daily routine; learn new spiritual practices alongside your children; teach your children to appreciate religious diversity with time-tested non-Christian and Christian spiritual practices; respond to life's everyday challenges and opportunities with meaningful practices Faithful Families is the perfect gift for Parents, Grandparents, Aunts and Uncles; Baptisms; Baby Showers; New Families; Christian educators and those they serve; Preschool Classes; and Godparents Faithful Families is part of The Young Clergy Women Project

The Divine HoursTM, Pocket Edition Routledge

Reflections follow the practices of The Way of Love—Turn, Learn, Pray, Worship, Bless, Go, Rest Living the Way of Love offers forty brief reflections about the seven Jesus-centered practices identified by Presiding Bishop Michael Curry in “The Way of Love” initiative. Sullivan tells stories from her own and others’ experiences as a starting point for discussion about how to seek and find a deeper connection to God. Rotating through each practice so that each is covered once a week, going deeper into the practice throughout the forty days, each reflection ends with questions designed to spur further discussion and assist readers in making the practices their own. Perfect for using as a Lenten devotional or at any time of the year, the book includes a guide for creating a personal rule of life, and a downloadable Facilitator’s Guide.

Mean Christianity Church Publishing, Inc.

Today many view Sigmund Freud as an elitist whose psychoanalytic treatment was reserved for the intellectually and financially advantaged. However, in this new work Elizabeth Ann Danto presents a strikingly different picture of Freud and the early psychoanalytic movement. Danto recovers the neglected history of Freud and other analysts' intense social activism and their commitment to treating the poor and working classes. Danto's narrative begins in the years following the end of World War I and the fall of the Habsburg Empire. Joining with the social democratic and artistic movements that were sweeping across Central and Western Europe, analysts such as Freud, Wilhelm Reich, Erik Erikson, Karen Horney, Erich Fromm, and Helene Deutsch envisioned a new role for psychoanalysis. These psychoanalysts saw themselves as brokers of social change and viewed psychoanalysis as a challenge to conventional political and social traditions. Between 1920 and 1938 and in ten different cities, they created outpatient centers that provided free mental health care. They believed that psychoanalysis would share in the transformation of civil society and that these new outpatient centers would help restore people to their inherently good and productive selves. Drawing on oral histories and new archival material, Danto offers vivid portraits of the movement's central figures and their beliefs. She explores the successes, failures, and challenges faced by free institutes such as the Berlin Poliklinik, the Vienna Ambulatorium, and Alfred Adler's child-guidance clinics. She also describes the efforts of Wilhelm Reich's Sex-Pol, a fusion of psychoanalysis and left-wing politics, which provided free counseling and sex education and aimed to end public repression of private sexuality. In addition to situating the efforts of psychoanalysts in the political and cultural contexts of Weimar Germany and Red Vienna, Danto also discusses the important treatments and methods developed during this period, including child analysis, short-term therapy, crisis intervention, task-centered treatment, active therapy, and clinical case presentations. Her work illuminates the importance of the social environment and the idea of community to the theory and

practice of psychoanalysis.

The Book of Common Worship Westminster John Knox Press
 "This book will make a profound difference for the church in this moment in history." — The Most Reverend Michael B. Curry
 Sometimes it takes disruption and loss to break us open and call us home to God. It's not surprising that a global pandemic and once-in-a-generation reckoning with white supremacy—on top of decades of systemic decline—have spurred Christians everywhere to ask who we are, why God placed us here and what difference that makes to the world. In this critical yet loving book, the author explores the American story and the Episcopal story in order to find out how communities steeped in racism, establishment, and privilege can at last fall in love with Jesus, walk humbly with the most vulnerable and embody beloved community in our own broken but beautiful way. The Church Cracked Open invites us to surrender privilege and redefine church, not just for the sake of others, but for our own salvation and liberation.

The Church Cracked Open Westminster John Knox Press

Take comfort in knowing that God hears you. The story of Hannah in 1 Samuel tells of one woman's personal heartache and trust in the One who could fulfill her desires. She poured her heart out to God, and He heard her. The Our Daily Bread devotions selected for this collection reassure you that God is with you, God is for you, and God hears you. The personal stories and Scripture passages lift you up and remind you that God is bigger than the trials you face.

Understanding Ukrainian Politics: Power, Politics, and Institutional Design Hendrickson Publishers

Mean Christianity: Finding Our Way Back to Christ's Likeness
 explores the Christian faith as an intentional, daily commitment to others—a cathartic and uncomfortable journey that leads travelers to Christ's likeness. The book considers how and why individual Christians and the corporate body of Christ have come to be perceived negatively by so many. It describes the primacy of Christ as the central tenet of Christianity, and offers seven "Jesus" life themes for every Christian. These themes, based on a qualitative study of the canonical gospels, assist readers with the development of a framework for a Christlike life. The book defines Mean Christianity and considers its causes and costs. Readers are confronted with both the possibility of meanness in the faith and in their actions, and encouraged to consider a Christlike life as an alternative to meanness. Finally, readers are introduced to the concepts of forgiveness, grace, and mercy as a part of God's broader plan for reconciliation and fullness in life.

Pastoral Imagination Barbour Publishing

No matter how difficult life seems, you will find more joy when you choose gratitude. Boost your happiness and deepen your walk with God by becoming aware of all you have to appreciate. 365 Devotions for a Thankful Heart is a daily devotional that will

inspire you to slow down, recognize God's gifts, and be grateful for all His blessings. This yearlong devotional includes: a short daily reading encouraging you to open your heart with gratitude to all the ways God has blessed you an inspiring Scripture and a short prayer to help focus your heart on thankfulness as you go about your day With a foiled cover and beautiful interiors, this devotional is a perfect gift for women of all ages on birthdays, Valentine's Day, Mother's Day, Christmas, or as a welcoming gift for new church members. Each devotion is the perfect length to fit into even the busiest schedule, but substantial enough to start your day on just the right note.

Prayer Is Our Response to God's Invitation. So often we think of prayer as something we do to break through to God—to get His attention and to get Him to listen to us. But intimacy with God is His idea. He has taken the initiative, and prayer is His gift to us. It is an opportunity for us to respond to His invitation to intimacy by calling, crying, and singing to Him. Prayer is our response to the One who has called out to us and desires to be in a relationship with us. In *Becoming a Woman of Prayer*, Cynthia Heald will encourage you to respond to God's invitation to deeper intimacy with Him.

In *Speaking Christian*, acclaimed Bible scholar Marcus Borg, author of *Meeting Jesus Again for the First Time*, argues that the very language Christians use has become dangerously distilled, distorted, and disconnected from the beliefs which once underpinned it. Stating a case that will resonate with readers of N. T. Wright's *Simply Christian*, Borg calls for a radical change to the language we use to invoke our beliefs—the only remedy that will allow the Church's words to once again ring with truth, power, and hope.

Ukraine made headlines around the world during the winter of 2004-05 as the colorful banners of the Orange Revolution unfurled against the snowy backdrop of Kyiv, signaling the bright promise of democratic rebirth. But is that what is really happening in Ukraine? In the early post-Soviet period, Ukraine appeared to be firmly on the path to democracy. The peaceful transfer of power from Leonid Kravchuk to Leonid Kuchma in the election of 1994, followed by the adoption of a western-style democratic constitution in 1996, seemed to complete the picture. But the Kuchma presidency was soon clouded by dark rumors of corruption and even political murder, and by 2004 the country

was in full-blown political crisis. A three-stage presidential contest was ultimately won by Viktor Yushchenko, who took office in 2005 and appointed Yulia Tymoshenko as premier, but the turmoil was far from over. The new government quickly faltered and splintered. This introduction to Ukrainian politics looks beyond these dramatic events and compelling personalities to identify the actual play of power in Ukraine and the operation of its political system. The author seeks to explain how it is that, after each new beginning, power politics has trumped democratic institution-building in Ukraine, as in so many other post-Soviet states. What is really at work here, and how can Ukraine break the cycle of hope and disillusionment?

Travel with Adam Hamilton as he retraces the life and ministry of Jesus Christ. Once again, Hamilton approaches his subject matter with thoughtfulness and wisdom, just as he did with Jesus' crucifixion in *24 Hours That Changed the World* and with Jesus' birth in *The Journey*. Read *The Way* on your own or, for a more in-depth study, enjoy it with a small group or part of a 40-day church-wide emphasis during Lent and Easter or anytime of the year. Using historical information, archaeological data, and stories of the faith, Hamilton follows in the footsteps of Jesus from his baptism to the temptations to the heart of his ministry, including the people he loved, the parables he taught, the enemies he

made, and the healing he brought. This 40-day focus will help you and your group grow deeper in their faith, learn more about the life of Christ, spend time daily reading and reflecting upon the Scriptures, and invite families, through the children's and youth studies, to grow together in their faith. Additional resources include a DVD, devotional, youth and children editions, and a worship download to help with sermon planning. Lent, Lenten, Lenten Resource, Lenten Resources, Lent Study, Lent Studies, Easter, Easter Study, Easter Studies

[Christian Ethics Today](#) Tyndale House

The Daily Message is the perfect one-year reading Bible, allowing for both flexibility and time to let the readings soak into your heart and mind. Arranged into six readings per week, this simple, easy-to-do plan will revolutionize your daily quiet time with God. Features include: Discipleship Journal's "Book-at-a-Time" reading plan Inspirational words from Psalms or Proverbs and thoughtful questions for deeper reflection Alternative reading plans that allow you to start any day of the year and read at your own pace

[The Way of Love](#) NavPress

Beleaguered parents will breath sighs of relief and gratitude over this bestselling guide to raising teenagers. In this revised edition, Dr. Anthony E. Wolf tackles the changes in recent years with the same wit and compassion as the original edition. Dr. Wolf points out that while the basic issues of adolescence and the relationships between parents and their children remain much the same, today's teenagers navigate a faster, less clearly anchored world. Wolf's revisions include a new chapter on the Internet, a significantly modified section on drugs and drinking, and an added piece on gay teenagers. Although the rocky and ever-changing terrain of contemporary adolescence may bewilder parents, *Get Out of My Life, But First Could You Drive Me & Cheryl to the Mall?* gives them a great road map.

[Living the Way of Love](#) Chalice Press

Designed for each school day in the student year, these light-hearted and insightful devotions offer lessons from the Master Teacher and a challenge to apply that lesson in real-life situations that confront educators in today's classroom. From the student who attacks verbally or physically to the lab experiment that goes wrong, teachers face a variety of challenges - and veteran teacher of Baltimore's public school, author Susan O'Carroll Drake, shares not only her own experiences but the biblical principles she has gleaned from a study of Jesus' life and teaching. Each devotion offers a Scripture reading, key verse, personal anecdote, biblical insight, and practical application before concluding with a brief prayer.
