LANG KORBIN

Did You Miss Me? Simon & Schuster

"I absolutely loved this book... This has been the escape read I have been looking for." 5 Stars, Netgalley reviewer

Have More Money Now Alexa Rivers

A former parole officer shines a bright light on a huge yet hidden part of our justice system through the intertwining stories of seven parolees striving to survive the chaos that awaits them after prison in this illuminating and dramatic book. Prompted by a dead-end retail job and a vague desire to increase the amount of justice in his hometown, Jason Hardy became a parole officer in New Orleans at the worst possible moment. Louisiana's incarceration rates were the highest in the US and his department's caseload had just been increased to 220 "offenders" per parole officer, whereas the national average is around 100. Almost immediately, he discovered that the biggest problem with our prison system is what we do—and don't do—when people get out of prison. Deprived of social support and jobs, these former convicts are often worse off than when they first entered prison and Hardy dramatizes their dilemmas with empathy and grace. He's given unique access to their lives and a growing recognition of their struggles and takes on his job with the hope that he can change people's fates—but he quickly learns otherwise. The best Hardy and his colleagues can do is watch out for impending disaster and help clean up the mess left behind. But he finds that some of his charges can muster the miraculous power to save themselves. By following these heroes, he both stokes our hope and fuels our outrage by showing us how most offenders, even those with the best intentions, end up back in prison—or dead—because the system systematically fails them. Our focus should be, he argues, to give offenders the tools they need to re-enter society which is not only humane but also vastly cheaper for taxpayers. As immersive and dramatic as *Evicted* and as revelatory as *The New Jim Crow*, *The Second Chance Club* shows us how to solve the cruelest problems prisons create for offenders and society at large.

Second Chance Simon & Schuster

After one fake kiss, she's crushing on the sexy CEO—again! Only from USA TODAY bestselling author Anna DePalo! Teacher Marisa Danieli needs a headliner for her school fund-raiser. Her best bet? Cole Serengetti, former star hockey player turned CEO of his family's construction empire. Sure, she had a disastrous high school crush on the guy, but business is business... Until it turns into funny business—and posing as a couple. This time, the feelings are red-hot and made worse by the fact that Marisa's ex-fiancé is dating Cole's ex-girlfriend! Is Marisa's fund-raiser coup about to backfire, or is this second chance with the CEO the real deal?

The Bookshop of Second Chances Penguin

Twenty two years ago, Alex McCray found the first of the Twelve Stones, a set of powerful artifacts left for Humanity to find and use to save Earth from certain destruction. Returning to his hometown of Onyx, California, Alex reunites with his father who returns the stone Alex found so many years ago. Their reunion is cut short however after Alex's father is murdered by billionaire industrialist Rupert Kline, a madman who will stop at nothing to collect all twelve stones for himself. Driven by revenge, Alex McCray vows to bring his father's killer to justice and keep the remaining Twelve Stones out of Kline's hands. A thrilling tale that mixes romance, cutting edge science, and oh yeah, the fate of human civilization.

Second Chance With The Ceo Sourcebooks, Inc.

A powerful message of hope for anyone burdened by shame and for everyone who longs for a fresh, passionate, and fierce life. Now in convenient trade paperback and featuring a bonus section for guided reflection. This retitled edition of *People of the Second Chance* centers on HOPE. Every fierce

and free life starts with that at the core. And every reader longs for a passionate and unstoppable spirit. This book will equip the reader to fight for hope and victory for others and also themselves. Foster's examination of hope is one part challenge, two parts encouragement. He forces the reader to ask the following questions: How did I lose it? How do I get it? How do I give it? Each question is broken down into core concepts that are essential to a life devoted to the power of fierce and free living: awareness, discovery, ownership, forgiveness, acceptance, and freedom.

Sylvia Porter's Money Book Sit! Stay! Read!

"Utterly charming and sigh-worthy."—Josie Silver, #1 New York Times bestselling author of *One Day* in December A heartwarming story about the power of the perfect dress—and the perfect love—to change your life. Francesca Delaney has a knack for matching a bride-to-be with the wedding dress of her dreams. Her shop, *The Whispering Dress*, is no ordinary bridal boutique. Every gown is vintage, and the wedding dresses seem to share their stories with Francesca, pointing to which woman needs them next. Fran credits her success to two rules: never covet a dress and never sell a dress that led to a doomed marriage. But then she finds a beautiful 1950s couture floor-length gown, and her obsession threatens win out. The owner, however, would quite like the dark past of the dress to remain hidden forever... *The Second Chance Boutique* is a beach read perfect for fans of Danielle Steel and Josie Silver, promising that the romance of a wedding day can provide a second chance stronger than any dark past.

No Second Chance WaterBrook

NOW COMPLETELY UPDATED to reflect the changes in tax legislation, health insurance, and the new investment realities. In this "highly valuable resource" (Publishers Weekly, starred review) Quinn "provides simple, straightforward" (The New York Times) solutions to the universal retirement dilemma—how to make your limited savings last for life—covering mortgages, social security, income investing, annuities, and more! Will you run out of money in your older age? That's the biggest worry for people newly retired or planning to retire. Fortunately, you don't have to plan in the dark. Jane Bryant Quinn tells you how to squeeze a higher income from all your assets—including your social security account (get every dollar you're entitled to), a pension (discover whether a lump sum or a lifetime monthly income will pay you more), your home equity (sell, rent, or take a reverse mortgage?), savings (how to use them safely to raise your monthly income), retirement accounts (invest the money for growth in ways that let you sleep at night), and—critically—how much of your savings you can afford to spend every year without running out. There are easy ways to figure all this out. Who knew? Quinn also shows you how to evaluate your real risks. If you stick with super-safe investment choices, your money might not last and your lifestyle might erode. The same might be true if you rely on traditional income investments. Quinn rethinks the meaning of "income investing," by combining reliable cash flow during the early years of your retirement with low-risk growth investments, to provide extra money for your later years. Odds are, you'll live longer than you might imagine, meaning that your savings will stretch for many more years than you might have planned for. With the help of this book, you can turn those retirement funds into a "homemade" paycheck that will last for life.

The Second Chance Hotel Dell

On the joyful day of her son's birth, Thais Derich never questioned going to the hospital. A week later, she walked out physically, spiritually, and emotionally injured, and fully disabused of the idea that the medical field would ever put her best interests before protocol, money, and legal concerns. The next three years of her life were spent recovering from that day, and preparing herself to do things her way when she became pregnant again. And then she did get pregnant again—and that resolve was put to the test. A universal story about betrayal and trust and the roller coaster ride in between, *Second Chance* illuminates the many ways in which our healthcare system is broken when it comes to helping women give birth, and gives a voice to all the mothers who have walked away

from their delivery experiences wondering what the hell just happened.

My Way Back to You MIT Press

My life as an NFL quarterback was everything I thought I wanted... Married to a beautiful model, on the verge of winning a championship, and making more than enough money to look after my mom and grandpa. It was perfect... until it wasn't. And now that everything's falling apart, I'm returning to Aston Falls. It's been ten years since I've been back to my small, quirky hometown. Ten years since that fateful night when I told my best friend's sister I loved her. Right before I left her. I broke Grace's heart that night, as well as my own. I had no choice. When an accidental run-in forces us back into each other's lives, I do my best to keep my distance... but I can't. Will Grace ever find a way to forgive me for what I did? Because all I want is a second chance.

Second Chance Boyfriend Simon and Schuster

Our marriage crumbled three years ago, but I'm ready for a baby and I want him to be the father. I've dreamed of being a mother, but so far, that dream has fallen flat. Now, my options are limited to choosing a dad from a catalog or sucking up my pride and asking my ex for help. Seth Isles has all the charm of a bulldozer, but there's no one else I'd rather have as my baby's father. I've got nothing to offer, so I'm shocked when he agrees to my outrageous proposal. The trouble is, the more time we spend together, the more I remember why we fell in love... and forget why it ended. Is this our second chance at happily ever after, or will we break each other all over again? If you like books by Katy Evans and Mariana Zapata, you'll love FIGHTER'S SECOND CHANCE. Buy now to start reading this steamy sports romance today!

The Second Chance of Benjamin Waterfalls Simon and Schuster

This special just-for-teens edition builds a foundation of self-confidence from which readers can realize their dreams of financial security in an increasingly challenging and unreliable job market. Teen-friendly advice, examples, sidebars and straight talk will supplement all of Rich Dad's core advice: Work to learn, not to earn. Don't say "I can't afford it"--Instead, say "How can I afford it" " And don't work for money - make money work for you! No matter how confident or "good in school" readers consider themselves to be, this makes financial intelligence available to all young people with its streamlined structure, clean design, and accessible voice.

A Second Chance (Invasion Book #1) HarperCollins UK

Stop working for money and put your money to work for you! Tens of thousands of readers trust Dan Solin's advice when it comes to investing, managing their 401(k)s, and planning for retirement. Now Solin offers the smartest guide to money management and financial planning yet. From managing your debt, boosting your savings, and owning (or renting) a home to buying insurance, maximizing investment returns, and retiring when you want to, *The Smartest Money Book You'll Ever Read* is your road map to financial freedom-and to enjoying yourself along the way.

The Second Chance Boutique Claire Contreras

For the first time, financial guru and TODAY Show regular Jean Chatzky brings her expertise to a young audience. Chatzky provides her unique, savvy perspective on money with advice and insight on managing finances, even on a small scale. This book talks about money through the ages, how money is actually made and spent, and the best ways for tweens to earn and save money.

You Rise Glorious Berkley

From one of the worlds most trusted experts on personal finance comes a "route planner," identifying easy moves to get young people on the road to financial recovery and within reach of their dreams.

Second Chance RDA Press, LLC

Taylor Edwards family might not be that close - everyone is a little too busy and overscheduled, but for the most part, they get along just fine. Then Taylor's dad gets some devastating news, and her parents decide that the family will spend on last summer together at their old lake house in the Pocono Mountains. Crammed into a place much smaller than they are used to, they begin to get to know each other again, but as the summer progresses they're more aware than ever that they're battling a ticking clock. And as Taylor tries to deal with the drama at home, she is faced with the fact that the friends she thought she'd left behind haven't actually gone anywhere. Her former summer best friend is still living across the lake and still as mad with Taylor as she was five years ago, and her first boyfriend has moved in next door... but he's much cuter at seventeen than he was at twelve. Can one summer be enough time to get a second chance - with family, friends, and love?

Sarah Grayson and her trusty companion, Elvis, race to tail the right suspects in the fifth installment of the New York Times bestselling Second Chance Cat Mysteries. Sarah Grayson owns Second Chance, a shop that sells lovingly refurbished items, in the charming town of North Harbor, Maine. But she couldn't run the store without the help of her right-hand man, Mac--or her dashing rescue cat, Elvis. Mac's life before North Harbor has always been a little bit mysterious, but it becomes a lot more intriguing when a woman from his past shows up in town, and then turns up dead. Suspicion falls on Mac, but Sarah--and Elvis--know he can't be the killer, and they hope they can prove his innocence quick as a whisker.

The Money Book for the Young, Fabulous & Broke Bantam

A woman desperate to turn a new page heads to the Scottish coast and finds herself locked in a battle of wills with an infuriatingly aloof bookseller in this utterly heartwarming debut, perfect for readers of *Evvie Drake Starts Over*. "Humor and charm abound. . . . [This] love story hits the spot."—Publishers Weekly Thea Mottram is having a bad month. She's been let go from her office job with no notice—and to make matters even worse, her husband of nearly twenty years has decided to leave her for one of her friends. Bewildered and completely lost, Thea doesn't know what to do. But when she learns that a distant great uncle in Scotland has passed away, leaving her his home and a hefty antique book collection, she decides to leave Sussex for a few weeks. Escaping to a small coastal town where no one knows her seems to be exactly what she needs. Almost instantly, Thea becomes enamored with the quaint cottage, comforted by its cozy rooms and lovely but neglected garden. The locals in nearby Baldochrie are just as warm, quirky, and inviting. The only person she can't seem to win over is bookshop owner Edward Maltravers, to whom she hopes to sell her uncle's book collection. His gruff attitude—fueled by an infamous, long-standing feud with his brother, a local lord—tests Thea's patience. But bickering with Edward proves oddly refreshing and exciting, leading Thea to develop feelings she hasn't experienced in a long time. As she follows a thrilling yet terrifying impulse to stay in Scotland indefinitely, Thea realizes that her new life may quickly become just as complicated as the one she was running from.

A Second Chance at Murder Penguin

When Maggie's owners leave her behind, she is taken to an animal shelter.

2nd Chance Lulu.com

With the appearance of Grunch of Giants, R. Buckminster Fuller consummates his literary canon, his panoramic lifetime survey of all aspects of the responsibility of human beings for their own destiny. This book is a modern allegory - his long-gestated myth-of the villainy of capitalism and the fecklessness of classic economics. For Fuller, the academic discipline of economics is irrelevant since it derives from an invalid assumption of scarcity. In fact, he has long argued that future historians of our era may subsume our business practices as a branch of mythology; thus it is not surprising that the word economic appears nowhere in his text. Fuller's myth is no idle fairy tale, since he faces his question - the question of a technological imperative which only he could raise with the deadly seriousness of satire. That question is: Can our system of national political sovereignties and corporate profits survive the inevitable technology revolution required to obviate wars by effecting a worldwide rise in the standard of living. One of the functions of myth is to resolve contradictions in our culture. Grunch of Giants portrays the rising of multinational corporations in the paradoxical role of function both as the epitome of capitalistic selfishness and as the inadvertent vehicle for the dissolution of national political boundaries - the last deterrent to a one-world economy. The result is more subversive of the property and profit values of the capitalist system than anything dreamed of since Karl Marx. —E.J. Applewhite, collaborator with RBF on *Synergetics* and *Synergetics 2*, author of *Cosmic Fishing: A Memoir of Working With R. Buckminster Fuller*

The Second Chance Penguin

From breakout author Monica Murphy comes the exhilarating conclusion to Drew and Fable's story—the star-crossed young romance that began in *One Week Girlfriend*. Lost. Everything in my life can be summed up by that one sickening word. My football coach blames me for our season-ending losses. So does the rest of the team. I wasted two whole months drowning in my own despair, like a complete loser. And I lost my girlfriend—Fable Maguire, the only girl who ever mattered—because I was afraid that being with me would only hurt her. But now I realize that I'm the one who's truly lost without her. And even though she acts like she's moved on and everything's fine, I know she still thinks about me just as much as I think about her. I know her too well. She's so damn vulnerable, all I want to do is be there to help her . . . to hold her . . . to love her. I just need her to give me one more chance. We may be lost without each other, but together, we're destined to find a love that lasts forever. BONUS: This edition includes an excerpt from Monica Murphy's *Three Broken Promises*.
