soul mates?  
Wall Street  
hotshot  
Camille Parker  
is the last  
person  
rancher  
Jericho Jones  
expects to  
find on his  
doorstep. Ever  
since his late  
wife's best  
friend  
interfered in  
his marriage,  
she's persona  
non grata in  
Jericho's book.

for this  
damsel in  
distress, and

The problem

is, he opens his heart, too. Camille has no choice but to seek help from her worst enemy. And as she lets her guard down in close quarters, unexpected feelings surge for him. But what will happen if Camille's life goes back to normal and the city girl no longer needs to shelter in the reticent rancher's arms?

Better Together  
Smart Girls  
Gone Country  
In love with her boss  
Efficient but decidedly

drab. Not any longer. Isabel Peabody has repressed her true self for long enough, and her workaholic boss, Gabriel Parish, is about to get the shock of his life. McClelland & Stewart Luke Tanner was a hard man with a painful past. It seemed as if every single citizen of Fiddler Creek wanted something from the wealthy rancher. He'd learned early on not many cared to see past his looks

and sour attitude and discover the man beneath. So when the generously curved Mary Carter hit him up for a loan to save her fledgling business, he made her a short-term proposition she couldn't refuse. Only the more time the reluctant rancher spends with the lovely Mary, the more he starts to think about a long-term relationship. Mary Carter had fantasized about Luke Tanner since her first

glimpse of the veritable mountain of a man with a perpetual scowl. She'd never been brave enough to approach him until circumstances forces her to seek his help. The Reluctant Rancher is the story of two individuals who have never experienced the soul stirring passion of true love-until they find each other. If you like Diana Palmer, Linda Howard, Leanne Banks, Angela Verdenius,

you'll love Joann Baker and Patricia Mason  
**Winning Back His Wife** Harper Collins  
Dylan Hunter has always loved the girl next door. Part of loving her meant making sure she left their small town to study to become a veterinarian. He just never expected it to take this long for her to come home. His hands are full raising his younger brother and bringing his ranch through the drought,

but one look at Kayla and his feelings are back full force. Kayla Anderson's not prepared to see the guy who broke her heart in high school again, but she can't get out of returning home to be maid of honor at her cousin's wedding. She's determined to have fun and celebrate the special day, despite the fact Dylan is her family's closest neighbor and the best man, and get the heck out of Dodge. But

Dylan already lost the woman he loved once. This time, he's determined to win her back... Nothing Too Good for a Cowboy Harlequin Welcome to Heart Falls, where there's more at stake than the future of the Silver Stone ranch. A standalone novel by New York Times bestselling author Vivian Arend. With the ranch teetering on the brink of disaster, accepting an invitation to the gala of the

year is a top business priority for Luke Stone. Having a significant other on his arm isn't merely a good idea, it's a necessity. Doesn't matter that he's currently single—there's a logical solution. Kelli is easy company, a vital part of ranch operations, and willing to sing Silver Stone's praises all day long. She'll be perfect. Kelli James has kept a lot of secrets over the eight

years since she boldly walked onto the ranch. Her biggest challenge, though, has been hiding her crush on the sexiest cowboy she's ever laid eyes on. When Luke informs her they're headed to the mountains for a week-long, work-related event, she's not sure what to expect. That he signed her up to play the part of the perfect rancher's bride-to-be wasn't it...
