FunTime Piano Jazz & Blues - Level 3A-3B
Metropolitan Museum of Art
Highlighting Chet Atkins' 50-plus-year

career as a virtuoso singer, songwriter and record producer, this book is an analysis and appreciation of the most noteworthy recordings of one of the world's greatest guitarists. Atkins' whole body of work--truly unmatched in the history of modern musical entertainment--and nearly 140 of his all-time greatest recordings are discussed. An overview of his life and work is provided.

Mark Knopfler: Get Lucky (Guitar TAB)

Play like Chet Atkins

Chet Atkins: Me and My Guitars is, without a doubt, the most comprehensive and enlightening book on Chet Atkins ever

published. A friend of Atkins' for 40 years, Russ Cochran was privy to stories from Chet that even the most knowledgeable Chet fan would never know about. Chet tells it all in his own words about his childhood, his playing influences and early struggles to find work, along with insight into the guitars he used and endorsed along the way. The book includes full-color photos of Chet and his guitars, many only previously seen in a limited collector's edition. Photographer Wolf Hoffman manages to expertly capture the images of some very famous guitars played by Chet, including his first Sears Roebuck

Silvertone, custom made D'Angelicos, the Gretsches, and the prototype models of the current Gibson Country Gentleman guitars. Over 60 guitars in Chet's private collection are photographed in Chet's home and his office on Music Row. Chet speaks about each of his important guitars - including the Gibson L-10 which his brother Jim gave him - telling the story of his career as seen through his guitars. More than just a pictorial review of his guitars throughout the years, it's a fascinating look inside the mind of history's greatest guitar player. This book will appeal to guitar collectors and Chet Atkins fans everywhere. Full-color and B/W photos throughout.

Everybody Loves Me Diversion Books
 Issued in conjunction with the exhibition held at the Metropolitan Museum of Art, New York, from February 9 to July 4, 2011.
My Life in Dire Straits Alfred Music
 Births, deaths and marriages, No1 singles, drug busts and arrests, famous gigs and awards... all these and much more appear in this fascinating 50 year almanac. Using a page for every day of the calendar year, the author records a variety of rock and pop events that took place on a given day

of the month across the years. This Day in Music is fully illustrated with hundreds of pictures, cuttings and album covers, making this the must-have book for any pop music fan.

Rock Movers & Shakers Hal Leonard
 Get Lucky is Mark Knopfler's fifth studio album of the decade and represents a beautifully crafted exploration of a lifetime of musical roots, fluently combining folk and blues with his original song writing and vivid observational lyricism. All the songs from the album are here arranged for Guitar Tab, complete with full lyrics, accompanying standard notation and melody lines.

Chet Atkins Hal Leonard
 (Guitar Educational). Lots of guitar players know several scales, but how many really know what to do with them? With *Guitarist's Guide to Scales Over Chords*, you'll learn how to apply the most commonly used scales in a musical manner. This book examines how scales and chords are closely linked and how this relationship is key to crafting memorable, intelligent solos. If you've been stuck in a pentatonic rut, or you feel that you're constantly relying on the same old

patterns, this is the book for you! The book covers 14 scales in detail, and the audio features 99 tracks, including 15 backing track progressions for practice.

The Nashville Family Album Hal Leonard Corporation

Serious about jamming, understanding, and creating guitar-driven music? Easy. With an approachable and engaging style, *Guitar Theory For Dummies* goes beyond guitar basics, presenting the guidance intermediate to advanced players need to improve their improvisational and compositional skills. Plus, with access to audio tracks and video instruction online you can master the concepts and techniques covered in the book. Key content coverage includes: pentatonic and major scale patterns; the CAGED chord system, chord progressions, and playing by numbers; roots, keys, and applying scales, plus modes and modal scales; intervals and chord extensions; popular song references and theory applications that help you understand how to play popular music and contemporary guitar styles, and create music of your own. This title also features companion audio tracks and video content hosted online at

Dummies.com The expert instruction and easy-to-digest information provides comprehensive guidance on how to apply music theory concepts to fretted instruments If you already have a handle on the basics and want to know more about the building blocks and theory behind guitar music, *Guitar Theory For Dummies* has you covered.

A Christmas Blizzard Harper Collins

This includes the chronologies of all the major artists, bands, singers, players, movers and shakers in contemporary popular music.

100 Blues Lessons Alfred Music

The bass player and founding member Dire Straits shares a behind-the-scenes history of the British rock band. One of the most successful music acts of all time, Dire Straits filled stadiums around the world. Their albums sold hundreds of millions of copies and their music—classics like “Sultans of Swing,” “Romeo and Juliet,” “Money for Nothing,” and “Brothers in Arms” —is still played on every continent today. There was, quite simply, no bigger band on the planet throughout the eighties. In this powerful and entertaining memoir, founding member

John Illsley gives the inside track on the most successful rock band of their time. From playing gigs in the spit-and-sawdust pubs of south London, to hanging out with Bob Dylan in LA, Illsley tells the story of the band with searching honesty, soulful reflection, and wry humor. Starting with his own unlikely beginnings in Middle England, he recounts the band’s rise from humble origins to the best-known venues in the world, the working man’s clubs to Madison Square Garden, sharing gigs with wild punk bands to rocking the Live Aid stage at Wembley. And woven throughout is an intimate portrait and tribute to his great friend Mark Knopfler, the band’s lead singer, songwriter, and remarkable guitarist. Tracing an idea that created a phenomenal musical legacy, an extraordinary journey of joy and pain, companionship and surprises, this is John Illsley’s life in Dire Straits. Praise for *My Life in Dire Straits* “A forensic and uplifting journey through the sheer hard work, pitfalls, and thrills of navigating a great rock and roll band to the pinnacle of success. I so enjoyed the ride! Onwards, John!” —Roger Taylor, drummer, songwriter, and founding member of

Queen “Reading John Illsley’s book, I relived so many moments. He captures the early days of the “English bands” and their story—the ups and downs, relationships, craziness, and fun. Of course, the music was key. This really happened!” —Mike Rutherford of Genesis “Fascinating. . . . Illsley is brutally frank about the toll that the band’s fame had on his relationships, most notably his marriage (“a victim,” he writes, “of my life on the road”). Fans will be mesmerized.” —Publishers Weekly (starred review)

Visual Guitar Theory Penguin Group

A complete, stand-alone method for rock guitar which builds musicianship and encourages creativity. It has the same attributes as the core method, and the two correlate. Covers rock and blues riffs, power chords, lead scales, and classic rhythm and lead guitar patterns as played by the greats. In standard notation and tablature. Book 1 includes power chords, eighth-note rhythms, the blues form, minor pentatonic scales, rhythm riffs, music theory, boogie patterns, and lead guitar riffs and techniques. Includes riffs in the style of Led Zeppelin, ZZ Top®, The Rolling Stones and Eric Clapton.

Guitar Theory For Dummies McFarland

The inimitable Garrison Keillor spins "a Christmas tale that makes Dickens seem unimaginative by comparison" (Charlotte Creative Loafing) Snow is falling all across the Midwest as James Sparrow, a country-bumpkin-turned-energy-drink-tycoon, and his wife awaken in their sky-rise apartment overlooking Chicago. Even down with the stomach bug, Mrs. Sparrow yearns to see The Nutcracker while James yearns only to escape-the faux-cheer, the bitter cold, the whole Christmas season. An urgent phone call from his hometown of Looseleaf, North Dakota, sends James into the midst of his lunatic relatives and a historic blizzard. As he hunkers weather the storm, the electricity goes out and James is visited by a parade of figures who deliver him an epiphany worthy of the season, just in time to receive Mrs. Sparrow's wonderful Christmas gift. Garrison Keillor's holiday farce is the perfect gift for the millions of fans who tune into A Prairie Home Companion every week.

Guitar Heroes Penguin

(Guitar Solo). 17 songs arranged for solo guitar in standard notation and tablature:

Always on My Mind * Crazy * Green Green Grass of Home * He Stopped Loving Her Today * I Walk the Line * King of the Road * Tennessee Waltz * Your Cheatin' Heart * and more.

Bob Dylan: Behind the Shades Revisited

Hal Leonard Publishing Corporation

From the photographer of the critically acclaimed 108 Rock Star Guitars comes a new collection of beautifully shot guitar photos, documenting the legendary instruments of B.B. King, Kurt Cobain, St. Vincent, the Beatles, Jimi Hendrix, and more than one hundred and fifty icons of rock.

Chet Atkins Hal Leonard Corporation

A new edition as part of the Faber Greatest Hits - books that have taken writing about music in new and exciting directions for the twenty-first century. In his critically acclaimed book, *In the Country of Country*, Nicholas Dawidoff travels to the origins of country music and talks to the musicians who created this original American art form. Here, amongst others, are indelible portraits of Johnny Cash, behind whose black apparel lies a Faustian dilemma; Merle Haggard, a man as elusive as he is gifted; and Patsy Cline,

a lonely figure striding out bravely in a male-dominated world. An exhilarating journey from Maces Springs, Virginia to Bakersfield, California, *In the Country of Country* conveys the spirit and passion that informs country music and confirms Dawidoff's reputation as one of the most gifted cultural commentators of his generation.

That Time of Year Penguin

Meet fourteen-year-old Gary. A self-described "tree-toad," a sly and endearing geek, Gary has many unwieldy passions, chief among them his cousin Kate, his Underwood typewriter and the soft-porn masterpiece, *High School Orgies*. The folks of Lake Wobegon don't have much patience for a kid's ungodly obsessions, and so Gary manages to filter the hormonal earthquake that is puberty and his hopeless devotion to glamorous, rebellious Kate through his fantastic yarns. With every marvellous story he moves a few steps closer to becoming a writer. And when Kate gets herself into trouble with the local baseball star, Gary also experiences the first pangs of a broken heart. With his trademark gift for treading "a line delicate as a cobweb between

satire and sentiment"(Cleveland Plain Dealer), Garrison Keillor brilliantly captures a newly minted post-war America and delivers an unforgettable comedy about a writer coming of age in the rural Midwest.

Simon & Garfunkel Simon and Schuster (Guitar Educational). Expand your guitar knowledge with the Guitar Lesson Goldmine series! Featuring 100 individual modules covering a giant array of topics, each lesson in this Blues volume includes detailed instruction with playing examples presented in standard notation and tablature. You'll also get extremely useful tips, scale diagrams, chord grids, photos, and more to reinforce your learning experience plus 2 audio CDs featuring performance demos of all the examples in the book! A huge variety of blues guitar styles and techniques are covered, including: turnarounds, hammer-ons and pull-offs, slides, the blues scale, 12-bar blues, double stops, muting techniques, hybrid picking, fingerstyle blues, and much more!

Future Sounds Hal Leonard Corporation In 1991 Clinton Heylin published what was considered the most definitive biography

of Bob Dylan available. In 2001 he completely revised and reworked this hugely acclaimed book, adding new sections, substantially reworking text, and bringing the story up-to-date with Dylan's explosive career in 2000. Bob Dylan: Behind the Shades Revisited follows the story of Dylan from his humble beginnings in Minnesota to his arrival in New York in 1961, his subsequent rise in the folk pantheon of Greenwich Village in the early '60s, and his cataclysmic folk-rock metamorphosis at the Newport Folk Festival in 1965. In the succeeding eighteen months, Dylan released Highway 61 Revisited and Blonde on Blonde, and embarked on the legendary 1966 World Tour that culminated with an unforgettable concert at the Royal Albert Hall. Heylin details it all, along with the true story of Dylan's motorcycle accident, his remarkable reemergence in the mid-'70s, the only exacting account of his controversial conversion to born-again Christianity, the Neverending Tour, and yet another incredible Dylan resurgence with his 1997 Grammy Album of the Year Award-winning Time Out of Mind. Deemed by The New Yorker as "the most readable

and reliable" of all Dylan biographies, this book will give fans what they have always wanted -- a chance to get to know the man behind the shades.

Guitar for Kids - Book 2 Hal Leonard Corporation

Most African tribes believe they have a connection with their ancestors who have passed into the world beyond and also with their ancestral gods. The Annang people of Akwa Ibom State of Nigeria are not different from their neighbors in Nigeria and in the entire continent. They are superstitious and quick to assign any misfortune, death, disease or accident to the anger of the gods or to their ancestors. And as if the gods and their ancestors were not enough problems, neighbors, relatives and friends usually also bear the brunt of the problems when things go wrong.

The Keillor Reader Hal Leonard Corporation

(Guitar Educational). Many guitarists spend years, or entire lives, feeling their way around the guitar neck in the dark. But it doesn't have to be that way! Experiencing the freedom that comes with a little theoretical knowledge is not as

difficult as it may seem. With Visual Guitar Theory , you'll quickly "connect the dots" by seeing and understanding the shapes and patterns that make music work, with

over 500 full-color fretboard diagrams, detailed lessons, quizzes, and an organized, progressive teaching approach.

Topics covered include: intervals; building triads; transposing chord shapes; inversions; building scales; and much more.
