From 1914 to 1918, Hans Von Hammer earned the nickname "The Hammer of Hell" in the bloody skies of World War I. Now it's World War II, and bloodrains from the skies once again! Von Hammer, the finest pilot Germany has ever known, is now a 46-year-old man with plenty of enemies in the Nazi regime. This edition also includes a classic World War One Enemy Acetale by creators Robert Kanigher and Joe Kubert, reprinted from STAR-SPANGLED WAR STORIES #139

Annual cumulation Copyright Office, Library of Congress

Tells the story of the women who served in the Navy and Marine Corps during World War I and discusses the varied and surprising duties carried out by them.

"Poignant poems about moments of grace, light beaming through darkness, and beauty found in unexpected places. Sullivan employs a consistently investigative approach that immediately draws readers in. His curiosity and humility are disarming, and readers will willingly follow his path of discovery, without fear of getting lost, becoming overpowered, or feeling emotionally spent. Sullivan's deftly written poems have a wonderful and appealing balance of emotion and intellect. Lyrical, elegant, and polished,

his poetry resonates with distinctive imagery and music. . . . A strong new poetic voice whose poems add a little more light to the world.” —Booklist The poems in *Slag* begin with everyday experiences—a glance at a construction site or the boredom of waiting for a bus—and then use such unpromising events to explore what Mexican poet Octavio Paz once called “the dark, forgotten miracle of being alive.” Whether meditating on New York’s diamond district or the death of the last person to have known Van Gogh, Mark Sullivan’s lyric consciousness expands from initial points of contact to ever-broadening associations. The result is an evocative, reflective poetry that recognizes in the slow advance of the loris across its Bronx Zoo cage what it means “to love the world or to fear / it.” Sullivan pays special attention to animals and the natural world, to the visual arts, and to the relentless stimulation of the nation’s largest city, his free verse creating a lucid language where slam dunks and Zeno’s paradoxes coexist, where the stillness of a snail discovered in a package of spinach reveals “the process that makes the world.” “The poetry of Mark Sullivan slows time down, sees the world calmly, clearly, as a whole with a precise and tender attention that strives to do justice to the complex mysteries of existence. In this it is a classical poetry for our time: wise, humane, objective, deeply felt, paying homage to the wonder and sorrow of our world.” —Louis Asekoff, author of *North Star* From “*Slag*” What are stones but the slowest of clocks, half-lives ticking down every millennium or so, subatomic gears meshing like ocean liners *The First, the Few, the Forgotten* Dc Comics

#1 NEW YORK TIMES BESTSELLER • “A lucid, intelligent page-turner” (Los Angeles Times) that challenges long-held assumptions about Jesus, from the host of Believer Two thousand years ago, an itinerant Jewish preacher walked across the Galilee, gathering followers to establish what he called the “Kingdom of God.” The revolutionary movement he launched was so threatening to the established order that he was executed as a state criminal. Within decades after his death, his followers would call him God. Sifting through centuries of mythmaking, Reza Aslan sheds new light on one of history’s most enigmatic figures by examining Jesus through the lens of the tumultuous era in which he lived. Balancing the Jesus of the Gospels against the historical sources, Aslan describes a man full of conviction and passion, yet rife with contradiction. He explores the reasons the early Christian church preferred to promulgate an image of Jesus as a peaceful spiritual teacher rather than a politically conscious revolutionary. And he grapples with the riddle of how Jesus understood himself, the mystery that is at the heart of all subsequent claims about his divinity. *Zealot* yields a fresh perspective on one of the greatest stories ever told even as it affirms the radical and transformative nature of Jesus’ life and mission. Praise for *Zealot* “Riveting . . . Aslan synthesizes Scripture and scholarship to create an original account.”—The New Yorker “Fascinatingly and convincingly drawn . . . Aslan may come as close as one can to respecting those who revere Jesus as the peace-loving, turn-the-other-cheek, true son of God depicted in modern Christianity, even as he knocks down that image.”—The Seattle Times “[Aslan’s] literary talent is as

essential to the effect of *Zealot* as are his scholarly and journalistic chops. . . . A vivid, persuasive portrait.”—Salon “This tough-minded, deeply political book does full justice to the real Jesus, and honors him in the process.”—San Francisco Chronicle “A special and revealing work, one that believer and skeptic alike will find surprising, engaging, and original.”—Jon Meacham, Pulitzer Prize-winning author of *Thomas Jefferson: The Art of Power* “Compulsively readable . . . This superb work is highly recommended.”—Publishers Weekly (starred review)

Navy and Marine Corps Women in World War I Canongate U.S.

Beginning with the destruction of Jerusalem and continuing through the persecutions of Christians in the Roman Empire, the apostasy of the Dark Ages, the shining light of the Reformation, and the worldwide religious awakening of the nineteenth century, this volume traces the conflict into the future, to the Second Coming of Jesus and the glories of the earth made new. In this concluding volume, the author powerfully points out the principles involved in the impending conflict and how each person can stand firmly for God and His truth.

"This book considers all phases of life in the CCC from various perspectives, but especially focuses on CCC camp journalism. The CCC newspapers provide a look at American life - socially, politically, culturally and militarily - during the Great Depression. The text explores how *Happy Days* and other newspapers were created and distributed, who wrote for them, and what they contained."--BOOK JACKET.

The National Union Catalog, Pre-1956 Imprints GENERAL PRESS

The author discusses how such issues as the New Deal and the New Left influenced his grandfather's and father's political activism, and how both figures affected his own personal and political life.

Zealot Cambridge University Press

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.
