Approaching the Primordial Dark Goddess Through the Song of Her Hundred Names Lulu Press, Inc

Lakshmi is the goddess of all that is good-wealth (dhana), beauty (saundarya) and happiness (sukha). As Vishnu's consort and in her incarnations as Sita and Rukmini, she represents the ideal of femininity in Hinduism. She is also Shri, the goddess of fertility and grain, and Mahalakshmi, the amalgam of the goddesses Kali, Lakshmi and Sarasvati. She is benevolent and generous, yet it takes surprisingly little to offend her. And when she leaves, her place is taken by Alakshmi, all that Lakshmi is not-poverty, pestilence and ill fortune. How did this popular and accessible goddess come to represent these qualities? R. Mahalakshmi presents an evocative picture of the mythical and historical development of the goddess Lakshmi. Using a range of sources, from ancient texts to sculptures and everyday religious customs and prayers, this fascinating and deeply-insightful book sheds new light not only on the figure of Lakshmi, but also on the fundamental tenets of Hinduism as it is practised today.

Shri Mataji writes that "India is a very ancient country and it has been blessed by many seers and saints who wrote treatises about reality and guidelines on how to achieve it." This is just such a book. This book is both an introduction to Sahaja Yoga, describing the nature of the subtle reality within each of us, and a step-by-step handbook on how to be a good Sahaja Yogi, the nature of Sahaj culture, how to be a leader and how to raise children. "The knowledge of Sahaja Yoga cannot be described in a few sentences or one small book, but one should understand that all this great work of creation and evolution is done by some great subtle organization, which is in the great divine form."

Mystic Poems BRILL

My father was the son of a gentleman of Oxfordshire that had a small estate near to the town of Eynsham, in that county. The monks of Eynsham Priory had the land afore-time; and 'twas said that here, as elsewhere, there was a curse upon such as held for their own uses that which had been dedicated to God's service. How this may be I know not, though there are notable instances—as, to wit, the Russells—in which no visible curse has fallen on the holders of such goods; but it is certain that my father's forbears wasted their estate grievously. Being but the third son, he had scarce, in any case, tarried at home; but, matters being as they were, the emptiness of the family purse drove him out betimes into the world. Being of good birth and breeding he got, without much ado, a place about the Court, which was not, however, much to his liking. I have heard him say—and this, though, as will be seen hereafter, he was a great lover of monarchy—that, between a weak king and villainous courtiers, Whitehall was no place for an honest gentleman. Robert Carr, that was afterwards Earl of Somerset, he liked little, and George Villiers, Duke of Buckingham, he liked yet less, being, as he was wont to say, by so much a greater villain than Somerset as a duke is greater than an earl. He was right glad, therefore, to leave the "sunshine of the Royal presence;" for so did men speak of the Court in the hyperbolic language of those times, even for so dismal and outlandish a part as Ireland. But I know not whether he did not wish himself back, for of Ireland he would never afterwards speak with any measure of patience, declaring that he knew not which were the worse, the greediness and cruelty of the English conquerors, or the savagery and unreason of the native people. Here he tarried for some three or four years, having, indeed, had bestowed upon him an estate, which, for its boundaries, at least, was of considerable magnitude, but from which he received nothing but trouble. Who hath it now I know not; and, indeed, he charged me to have nought to do with it, saying—for I remember his very words—"If they will give thee the whole island in fee, say them nay, for it is fit for nothing but to be drowned under the sea." Yet his next venture was not one whit

happier, as will be readily concluded, when I say that he took service with Sir Walter Raleigh, whom he chanced to fall in with at Cork, at which place Sir Walter touched on his way to the Indies in search of gold. Gold got they none, but of hard blows not a few, and of pains and sickness still more. My father was with the boats that sailed up the river Orinoco, and caught in his arms, I have heard him say, Walter Raleigh the younger, when this last was slain by a bullet from a Spanish arquebuse. From this voyage he came back beggared in and purse not a little broken in health; to the end of his days indeed he suffered much at times from the fever that he contracted in those parts. The year following that wherein Raleigh was beheaded, came what seemed at the first sight good news, namely, that the Bohemians had bestowed the crown of their country upon the Elector of Bavaria, husband to the Princess Elizabeth, the king's daughter. Thereupon there arose such a tumult of joy throughout the country as the oldest man living scarce remembered to have heard before. There was nothing too good to be hoped for as about to come from this promotion. Indeed, I have heard my father say that he was himself present when the Archbishop of Canterbury (Dr. Abbott) preached a sermon wherein he declared that this event was foretold in Scripture, naming even the chapter and verse, which were, if I remember right, in the Book of the Revelation. My father was carried away with the rest, and having, as may well be thought, a special gift for choosing for his own that which should be the losing side, forthwith took service with the Elector, to whom King James, though scarce approving of the cause, sent at this time auxiliaries to the number of four thousand. In this army my father had a captain's commission, with pay to the amount of four shillings by the day—handsome wages, only that he never received of them so much as a doit. Nor did the campaign recompense the defect of gains by any excess of glory. It was, indeed, as barren of laurels as of gold; and my father, who, being favourably known of old time by the Princess, was appointed to command the guard of the Elector, arrived in his Highness's company at the Hague without a penny in his pocket, and scarce a coat to his back.

In the Hindu universe, gods and goddesses play freely among human beings to help them, nudge them towards the right action

and mete out justice. They may appear to us as avatars in human form or manifest themselves as forces of nature. The many myths of Hinduism become colourful and entertaining when Shiva, Vishnu and Devi take different forms to enact their rivalries, destroy demons and teach devotees with superpowers a lesson in humility. This first-of-its-kind book brings together the major deities of the Hindu pantheon, describing the different manifestations by which they are recognized, celebrated and worshipped—from Durga to Sita to Kali, and from Narasimha to Parashurama to Krishna. The contributions by Bulbul Sharma, Namita Gokhale, Nanditha Krishna, Parvez Dewan, Royina Grewal and Seema Mohanty offer enchanting stories about our favourite divinities.

This book offers a translation of the seven thousand verses of the second book of the medieval Hindu text, the Ganesa Purana, one of two Puranas dedicated to the important elephant-headed god. In this book the reader is given many narratives about Ganesa's ascent to earth in order to kill demonic figures who threaten to overthrow the correct world order. In addition, these narratives contain myths about Ganesa's birth and family as well as some extended and quite humorous myths about ideal devotees of the god. The translation is preceded by a long introduction offering a geographical and historical context for the Ganesa Purana.

Following the translation are very extensive notes which bring our points of philological interest, but focus mainly on the literary structure of the text and the methods used to present the many myths and narratives in a coherent and fully integrated manner. *The Brahmāṇḍa Purāṇa* Sterling Publishers Pvt.
