A New York Times  
bestseller A  
WASHINGTON POST

“FEEL-GOOD BOOK guaranteed to lift your spirits” “A warm, charming tale about the rewards of revealing oneself, warts and all.” —People The story of a solitary green notebook that brings together six strangers and leads to unexpected friendship, and even love Clare Pooley's next book, Iona Iverson's Rules for Commuting, is forthcoming Julian Jessop, an eccentric, lonely artist and septuagenarian believes that most people aren't really honest with each other. But what if they were? And so he writes—in a plain, green journal—the truth about his own life and leaves it in his local café. It's run by the incredibly tidy and

efficient Monica, who furtively adds her own entry and leaves the book in the wine bar across the street. Before long, the others who find the green notebook add the truths about their own deepest selves—and soon find each other In Real Life at Monica's Café. The Authenticity Project's cast of characters—including Hazard, the charming addict who makes a vow to get sober; Alice, the fabulous mommy Instagrammer whose real life is a lot less perfect than it looks online; and their other new friends—is by turns quirky and funny, heartbreakingly sad and painfully true-to-life. It's a story about being brave and putting your real self forward—and finding out that it's not as

scary as it seems. In fact, it looks a lot like happiness. The Authenticity Project is just the tonic for our times that readers are clamoring for—and one they will take to their hearts and read with unabashed pleasure.

*What's Wrong with Pauly?* His Bloody Project

From critically acclaimed author Steph Cha—Los Angeles-based P.I. Juniper Song is back in a thrillingly written, masterfully plotted story of how far a mother will go for her child.

**Cage of Night** Lethe Press

“A damn good read.”—Alan Furst A brilliant debut novel, at once teasing literary thriller and a darkly comic blend of history and invention, *The Torqued Man* is set in

wartime Berlin and propelled by two very different but equally mesmerizing voices: a German spy handler and his Irish secret agent, neither of whom are quite what they seem.

Berlin—September, 1945. Two manuscripts are found in rubble, each one narrating conflicting versions of the life of an Irish spy during the war. One of them is the journal of a German military intelligence officer and an anti-Nazi cowed into silence named Adrian de Groot, charting his relationship with his agent, friend, and sometimes lover, an Irishman named Frank Pike. In De Groot’s narrative, Pike is a charismatic IRA fighter sprung from prison in Spain to assist with the planned German

invasion of Britain, but who never gets the chance to consummate his deal with the devil. Meanwhile, the other manuscript gives a very different account of the Irishman's doings in the Reich. Assuming the alter ego of the Celtic hero Finn McCool, Pike appears here as the ultimate Allied saboteur. His mission: an assassination campaign of high-ranking Nazi doctors, culminating in the killing of Hitler's personal physician. The two manuscripts spiral around each other, leaving only the reader to know the full truth of Pike and De Groot's relationship, their ultimate loyalties, and their efforts to resist the fascist reality in which they are caught.

*Hi My Name Is Cj*

Simon and Schuster  
After the collision claimed her mother's life and left her with a memory full of holes, Lilly Noble is sent away to boarding school on the gloomy island of Raven's Landing, Maine. Though feeling exiled and abandoned by her father, she is determined to fill in the blanks the accident left in her mind. When she meets the hypnotically charming and strangely intense Murosky Skaggs, his unnatural curiosity and careful attentions toward her raise her suspicions. His stories don't add up. Lilly's search for the truth beneath his lies causes her life to take a thrilling and terrifying twist. What she doesn't realize is the closer she gets to revealing his dark secret, the closer

she comes to regaining her memory and unmasking her mother's murderer. But something else, something far more sinister is lurking just off the coast. It's been there, waiting for her. Lilly's quest for answers puts her and those around her in mortal danger, and once she starts down that path, there is no turning away from her destiny, if she can survive. Young Adult Paranormal  
*The Playboy of the Western World* Good Press  
 The Accident on the A35 returns to the scene of Burnet's accomplished first novel, *The Disappearance of Adèle Bedeau*--the small French town of Saint-Louis. Detective Gorski is called away

from his night of solitary drinking to the site of a car accident that left Bertrand Barthelme, a respected solicitor, dead. When the deceased's rather attractive wife suggests that the crash may not have been an accident, Gorski looks closer into Barthelme's circumspect movements on the night of his death. His investigation leads him to various bars, hotels, and brothels in the nearby city of Strasbourg. At the same time, Barthelme's rebellious son, drunk on Jean Paul Sartre novels, is conducting an investigation of his own. Their independent, dual inquiries lead the reader down a twisted road marked by seedy back rooms, bar

brawls, a moment of accidental incest, and-- as we have come to expect from Burnet-- copious amounts of wine. The Accident on the A35 is a darkly humorous, subtle, and sophisticated novel that burrows into the psyches of its characters and explores the dark corners of life in a sleepy town.

His Bloody Project NYU Press

Exposing the boundaries of the Attorney-Client Privilege -- Attorneys spend their lives defending others, but they never expect that they will be forced to defend themselves, especially against a false murder accusation. In a novel which explores and exposes the boundaries of the

attorney-client privilege, Eric, a New Jersey attorney, finds himself caught in a web of sex and murder, and must travel to Brazil in order to find the one person who can clear his name. Eric is joined by a transplanted American architect and his free-spirited, exhibitionist Brazilian girlfriend, and the international chase takes him through the streets and nightclubs of Sao Paulo. Police from both the U.S. and Brazil are searching for Eric, adding extra urgency to his quest to clear his name.

In His Own Defense Litres

Ever since Malcolm James was a child, cold blooded murder has played a significant part in his life. Whether it be from both of his

parents being brutally assassinated right in front of him, or having blood on his own hands, murder has been his reality. Constantly haunted and consumed by his own actions, the only thing stronger than Malcolm's thirst for blood, is his hunger for money and power! Flooding the crime ridden and gang infested inner city streets of Denver, Colorado with Cocaine and pounds of Kush, grindin, as his "Gang Green" squad of misfits commit robberies, mayhem and murder while on their way to the top. However, the sudden murder of Malcolm's friend and right hand man, not only cause the homicide rate to shoot through the roof, but also derails their

mission. All while Malcolm battles with a dark secret brewing deep down inside, at which only "Tear Drop and Buds" are able to recognize and tame. Both OG's in the game graduating to bosses of a mountain west and west coast black underworld syndicate, whom eventually put Malcolm on the payroll as a triggerman, which of course leads to more problems, money, women, and deadly consequences. Why Principle or Profit you ask? Because nine times outta ten every time a life is taken out in these streets, it's a direct result of one or the other. To profit is self explanatory; however, principle could be ones personal belief, or even a weak emotion like jealousy and greed, to killing

over territory, a debt, turf, stripes, or other principles of the streets. At the end of the day we all gotta go, so which one are you willing to die for?

### Tough Call Wings

Epress, Incorporated

The year is 1869. A brutal triple murder in a remote community in the Scottish Highlands leads to the arrest of a young man by the name of Roderick Macrae. A memoir written by the accused makes it clear that he is guilty, but it falls to the country's finest legal and psychiatric minds to uncover what drove him to commit such merciless acts of violence. Was he mad? Only the persuasive powers of his advocate stand between Macrae and the gallows.

Graeme Macrae Burnet tells an irresistible and

original story about the provisional nature of truth, even when the facts seem clear. His Bloody Project is a mesmerising literary thriller set in an unforgiving landscape where the exercise of power is arbitrary.

### The Bloody Chamber

CreateSpace

A midnight ritual by a secret society in the English Countryside nearly costs Thomas Spell his life. He returns home to Chicago to find that he carries within himself something unspeakable - a condition for which he believes there is no cure, until he meets Penelope, a beautiful and brilliant pre-med student determined to heal him. But the Brotherhood searches for him still, convinced that he holds the key

to an unimaginable power. As his life begins to spiral out of control, Thomas is forced to confront his own past, as well as the dark forces closing in on him and everything he holds dear.

*The Torqued Man*

Saraband

Shortlisted for the 2016 Man Booker Prize

The year is 1869. After a brutal triple murder in a remote community in the Scottish Highlands, a young man by the name of Roderick Macrae is arrested for the crime. A memoir written by the accused makes it clear that he is guilty, but the police and the courts must decide what drove him to murder the local village constable. And why did he kill his other two victims? Was

he insane? Or was this the act of a man in possession of his senses? Only the persuasive powers of his advocate stand between the killer and the gallows at Inverness. In this compelling and original novel, using the words of the accused, personal testimony, transcripts from the trial and newspaper reports, Graeme Macrae Burnet tells a moving story about the provisional nature of the truth, even when the facts are plain. His *Bloody Project* is a mesmerising literary thriller set in an unforgiving landscape where the rules can change but justice is absolute. Graeme Macrae Burnet was born and brought up in Kilmarnock and now lives in Glasgow,

Scotland. In between, he lived in Prague, Bordeaux, Porto and London. His debut novel, *The Disappearance of Adèle Bedeau*, is a psychological crime thriller set in the small town of Saint-Louis on the French-Swiss border. His second book, *His Bloody Project*, which deals with a triple murder in a crofting village in the Scottish Highlands, has been shortlisted for the 2016 Man Booker Prize. 'A real box of tricks...a truly ingenious thriller.' Jake Kerridge, *Express* 'A gripping crime story, a deeply imagined historical novel, and gloriously written all in one tour-de-force of a book.' *Herald*, Book of the Year 'Maddeningly brilliant...An intriguing narrative that plays with notions of truth,

justice and the historical record.' Hannah Kent, *Best Books of 2016*, Australian 'Accounts, witness reports, and a trial, all set down as in an authentic case, gradually reveal a truth that is chilling yet inevitable.' Jane Sullivan, *Australian Book Review*, Books of the Year 2016 'I also adored Graeme Macrae Burnet's maddeningly brilliant *His Bloody Project*, and found myself utterly absorbed in the 1869 case of Roderick Macrae, accused of murder in a Scottish highland community...A cunning and unreliable tale that still bloody nags at me.' Hannah Kent, *The Books We Loved 2016*, *Sydney Morning Herald* 'A dark, unforgettable picture of the crofter's

life in 19th-century Scotland.’ James Button, *The Books We Loved* 2016, Sydney Morning Herald ‘This is ultimately the book’s great strength—its unwillingness to offer a definitive explanation for its protagonist’s shocking deeds. After hinting at possible motives and offering a basis for a countervailing case of insanity, the book finally gestures towards the impossibility of knowing the forces at play in another person’s mind.’ Law Institute Journal ‘Transporting and deliciously frustrating—I loved the way Burnet played with notions of doubt, criminality and justice.’ Hannah Kent, 2016 Staff Picks, *Kill Your Darlings* ‘A retelling of

a gory triple murder that’ll indulge your true crime craving.’ Elle ‘A remote crofting village in nineteenth-century Scotland, and a shocking and seemingly inexplicable act of murder by a teenage villager. Accounts, witness reports, and a trial, all set down as in an authentic case, gradually reveal a truth that is chilling yet inevitable: the power of a feudal system that supports petty tyrants, stereotypes its criminals, and grinds down its victims.’ Jane Sullivan, *Best Books of 2016*, Australian Book Review ‘A powerful novel...keeps the reader guessing to the end as it examines the legal process as it relates to the class divide of the time.’ Otago Daily Times ‘In

exploring the duality of good and evil, Burnet is tapping into a rich seam of Scottish literature, from James Hogg's *The Private Memoirs and Confessions of a Justified Sinner*, to Stevenson's *The Strange Case of Dr Jekyll and Mr Hyde*...His Bloody Project also illustrates what fans know about crime writing: it's a great way to explore the depths of a society: the tensions that animate it, the structures and hierarchies that underpin it.' Metro

### **The Disappearance of Adèle Bedeau**

Createspace  
Independent Pub  
The first scene is in the country, in Virginia; the time, 1880. There has been a wedding, between a handsome young man of slender

means and a rich young girl-a case of love at first sight and a precipitate marriage; a marriage bitterly opposed by the girl's widowed father. Jacob Fuller, the bridegroom, is twenty-six years old, is of an old but unconsidered family which had by compulsion emigrated from Sedgemoor, and for King James's purse's profit, so everybody -some maliciously- the rest merely because they believed it. The bride is nineteen and beautiful. She is intense, high-strung, romantic, immeasurably proud of her Cavalier blood, and passionate in her love for her young husband. For its sake she braved her father's displeasure, endured his reproaches, listened with loyalty

unshaken to his warning predictions, and went from his house without his blessing, proud and happy in the proofs she was thus giving of the quality of the affection which had made its home in her heart.

Bloody Lowndes

Manfred Baumann is a loner. He has always lived in the nondescript French town of Saint-Louis. Shy and awkward, a man of habit, he spends his days working in the local bank and his evenings in the drab Restaurant de la Cloche where he can surreptitiously observe Adèle Bedeau, its sullen but alluring waitress. Until, one day, Adèle vanishes. Georges Gorski, a detective haunted by

his failure to solve one of his first murder cases, is called in to investigate. Manfred is rattled, and the careful routine of his life starts to crumble around him. And that's when he meets Alice Tarrou. Graeme Macrae Burnet's spellbinding debut novel *The Disappearance of Adèle Bedeau* is an intimate portrayal of an outsider in a small community, of a man who cannot shake the feeling he is always being watched, whose every moment is determined by the catastrophic secrets of his past. Graeme Macrae Burnet was born and brought up in Kilmarnock and now lives in Glasgow. In between, he lived in Prague, Bordeaux, Porto and London. His debut novel, *The*

Disappearance of Adèle Bedeau, is a psychological crime thriller set in the small town of Saint-Louis on the French-Swiss border. His second book, His Bloody Project, which deals with a triple murder in a crofting village in the Scottish Highlands, has been longlisted for the 2016 Man Booker Prize. 'Graeme Macrae Burnet creates true noir in the mysterious, funny and intelligent The Disappearance of Adèle Bedeau.' List, Top Scottish Books of the Year 'A strikingly singular talent.' Scottish Book Trust [32 Caliber](#) Text Publishing

The Ogre faces not just the undead, but also the demonic powers that control and drive them to feed on human flesh.

The Accident on the A35 Methuen Drama

Felix Rayman spends the day teaching indifferent students, pondering his theories on infinity, and daydreaming. When his dreams finally separate him from his physical body, Felix plunges headfirst into a multidimensional universe beyond the limits of space and time — the place of White Light.

*The Unauthorised Biography of Ezra Maas* Running Press

Book Pub Man Booker Prize Finalist, LA Times Book Prize Finalist, New York Times Editor's Choice, and an American Booksellers Association National Indie Bestseller! Named a Best Book of 2016 by Newsweek, NPR, The Guardian, The Telegraph, and The

Sunday Times! In the smash hit historical thriller that the New York Times Book Review calls “thought provoking fiction,” a brutal triple murder in a remote Scottish farming community in 1869 leads to the arrest of seventeen-year-old Roderick Macrae. There is no question that Macrae committed this terrible act. What would lead such a shy and intelligent boy down this bloody path? And will he hang for his crime? Presented as a collection of documents discovered by the author, *His Bloody Project* opens with a series of police statements taken from the villagers of Culdie, Ross-shire. They offer conflicting impressions of the accused; one interviewee recalls

Macrae as a gentle and quiet child, while another details him as evil and wicked. Chief among the papers is Roderick Macrae’s own memoirs where he outlines the series of events leading up to the murder in eloquent and affectless prose. There follow medical reports, psychological evaluations, a courtroom transcript from the trial, and other documents that throw both Macrae’s motive and his sanity into question. Graeme Macrae Burnet’s multilayered narrative—centered around an unreliable narrator—will keep the reader guessing to the very end. *His Bloody Project* is a deeply imagined crime novel that is both thrilling and luridly entertaining from an exceptional

new voice.

Experience True  
Liberation by Seeing  
Your Beauty,  
Femininity, and  
Freedom From  
Heavens Point of View  
Has Christianity kept  
women trapped in the  
stone age? In many  
ways, yes; but this is  
not by Gods design. As  
society offers women  
opportunities to  
explore outer-space  
and govern nations,  
the church often stifles  
and limits them. The  
tide is changing,  
though. Amber Picotas

Gods Feminist  
Movement is a new  
covenant manifesto  
calling women to  
embrace their true  
identity in Christ and  
fulfill their destiny as  
revolutionaries who  
shape the course of  
history with the  
Kingdom of God. There  
is a powerful new  
feminist movement  
emerging in the body  
of Christ. Its not  
politically driven and  
its not being  
championed by an  
uprising of angry man-  
haters. Based on an  
intense study of  
Scripture, factoring in  
historical and  
contextual  
hermeneutics and  
original languages,  
Picota shares a  
practical, non-  
legalistic, and non-  
traditional (yet deeply  
Biblical) look at topics  
that women commonly

face, such as: Dating and Modesty Female Leaders in the Church Submission in Marriage Beauty and Self-Image Celebrate the power and beauty of womanhood. God has given you permission to change the world by being you! Break off religious traditions that keep women trapped in old school legalism and move beyond Christian clichs that minimize a womans true position in Christ!
