Workbook Peter Lang Limited, International Academic Publishers Israel's story is the church's story. In this integrative introduction to the New Testament, G. K. Beale and Benjamin L. Gladd explore each New Testament book in light of the broad history of redemption, emphasizing the biblical-theological themes of each New Testament book. Their distinctive approach encourages readers to read the New Testament in light of the Old, not as a new story but as a story

retold. Unearthing Old Testament Treasure Baker Academic Devotions on the Greek New Testament, Volume Two contains an entirely new set of 52 devotions written by over 25 of today's best biblical language scholars. Contributors include Christopher Beetham, Jeannine K. Brown, Peter H. Davids, David A. DeSilva, J. Scott Duvall, Nijay Gupta, Frederick J. Long, David W. Pao, Anthony C. Thiselton, Cindy Long Westfall, and many more. The main

point of each devotion in *Devotions on the Greek New Testament, Volume Two* comes from a careful reading of the passage in the Greek New Testament, not from an English translation. The authors use a variety of exegetical approaches in their devotions - including grammatical, lexical, rhetorical, sociohistorical, and linguistic - and each devotion closes with a practical application or spiritual reflection. *Devotions on the Greek New Testament, Volume Two* contains a devotion

on every book in the New Testament and can be used as a weekly devotional or as a supplemental resource throughout a semester or sequence of courses. These devotions will inspire you to keep reading and meditating on the Scriptures and find new treasures from the biblical text. X

[A Biblical and Practical Guide for Church Members](#) Zondervan For us, Jews who grew up in Israel, Jesus and His word were never part of the conversation. Not in our school system, not in our synagogues, and not in our media. Nor do we have easy access to the New Testament. Jesus has been studiously avoided, and hidden from our people. Today in Israel, 99.7% of the Jewish population, reject Jesus as the Messiah. How did our

country, where the gospel first took place, come to be so adamantly against it? Within Judaism over the last two millennia, any kind of spiritual message had to go through the "gate keepers," the Orthodox Jewish Rabbis. The Rabbinic Judaism of the Orthodox comes directly from the sect of the "Pharisees," whom Jesus rebuked: "Woe to you, scribes and Pharisees, hypocrites, because you shut off the kingdom of heaven from people; for you do not enter in yourselves, nor

do you allow those who are entering to go in." (Matthew 23:13) Ever since the days of Messiah, the Rabbis have set themselves in opposition to the gospel, blocking the message of Jesus from Israel. They deliberately prevent Jewish people from hearing about the free salvation offered to them in the death and resurrection of their own Jewish Messiah. They have gone to great lengths to conceal Jesus, and keep him the best kept secret in Judaism., keeping our people in

spiritual darkness. But now the secret is out! After almost 2000 years, Jesus, or as we call him in Hebrew, Yeshua, can no longer be hidden from the people! Today, our ministry, ONE FOR ISRAEL, reaches Jewish and Arab Israelis exactly where they are - online. We no longer need the rabbis' permission for anything. We can go straight into the smartphones, tablets, and computers of every Israeli, sharing the saving good news of Yeshua the Messiah! In the past, the

message of the gospel came to Israel from outside our borders, delivered by people who didn't understand our language, our culture, our heritage or our way of thinking. Today the messengers look very different. Now it is Jewish and Arab Israelis who are bringing the gospel back to where it started - back to our own people Israel. We can explain the gospel to our people in a way that makes sense to them, in our own native tongues of Hebrew and Arabic as only Israelis can,

and help our people understand who Yeshua really is. The Orthodox rabbis in Israel operate an "anti missionary" organization called Yad L'Achim, specifically to fight against the spread of the gospel among the Jewish people. This very well-funded organization, works very closely with the Minister of Interior in the Israeli government. They seek to prevent Jewish people from leaving the confines of Rabbinic Judaism by any means necessary (not always legally), and

relentlessly persecute us, the Jewish believers in Jesus in Israel. With over 90% of the names, photos and addresses of all the Messianic Jews in Israel on file, Yad L'Achim began sending a magazine called "Searching" to the homes of believers in Israel back in 2014. The magazine contains objections and refutations from Orthodox rabbis about the messiahship of Jesus, the credibility of the New Testament, and trying to ridicule and

destroy the belief in Jesus. This caused several Jewish believers, even including some who had been missionaries, to deny their faith in Jesus and revert to rabbinic Judaism. Over the past five years, I decided to go over all of their magazines, books and videos, in order to answer their arguments and prove their objections false. Since 2015 we have released about 150 short videos where we share

the gospel and directly refute these rabbinic objections to Jesus, New Testament and Christianity. This book is a compilation of transcripts from these videos, all in one place for your consideration. While the content of this book is based on five years of academic research, I did my best to write it in a simple, easy-to-read way, in order to keep this book as short as possible.
