takes a step back, and discusses what superheroes tell us about ourselves and society. Amazon.com: Superman on the Couch: What Superheroes Really ...Superman on the Couch is a fascinating look at superheroes and how they reflect culture and society. It demonstrates their importance in a fun, easy-to-read way that will interest superhero fans and neophytes

alike. All in all, a great book. Superman on the Couch: What Superheroes Really Tell Us ...""Superman on the Couch is informative and well researched, examining characters from cultural, psychological and historical perspectives. Fingeroth, who ran the Spider-Man line and consulted on the 1990's Spider-Man fox cartoons, knows his subject matter." - Tim Clodfelter, Winston-Salem Journal

draws on his decades of working at Marvel Comics (including work as the editorial director of the Spider-Man comics family) to write this personal, engaging, and earnest work. Superman on the Couch: What Superheroes Really Tell Us ... Superman on the Couch: What Superheroes Really Tell Us ... Superman on the Couch: What Superheroes Really Tell Us About Ourselves and Our Society Danny Fingerroth With its roots in ancient mythologies

and modern obsessions, the idea of the superhero is one that permeates our entertainment as well as our daily lives. Superman on the Couch: What Superheroes Really Tell Us ... In Superman on the Couch: What Superheroes Really Tell Us about Ourselves and Our Society, Danny Fingerroth offers something unique: a work of popular comic book criticism that explores why comic book

superheroes have continued to matter so much to so many of us over the past several decades, and why characters such as Batman, Spider-Man, and Superman have not only entered into popular ...
