Descending Into Greatness Zondervan

If you long for a spiritual life that is deep, fruitful, and profoundly real, these studies will help you draw heart to heart with God. 6 SESSIONS

Courageous Leadership IVP Books

This analysis of the inconsistencies in the lifestyle of today's Christians is accompanied by specific examples and discussion of how Christians can restore authentic Christianity in their personal lives and thus nurture a troubled world.

**The Art of Balance** W Publishing Group

On its original publication, this work instigated a passionate debate about the nature of Christian belief and doctrine in the white heat of a secular revolution. It also epitomized the revolutionary spirit of a fresh and challenging way of looking at the world, which, throughout the 1960s, was to bring about the disintegration of established orthodoxies and social, political and theological norms. It articulated the anxieties of a generation who saw these traditional givens as no longer acceptable or

necessarily credible. It is a suitable work for students of theology, and for anyone who is interested in a document which encapsulates the spiritual preoccupations of an entire age: the age of Profumo, the Beatles, the "Lady Chatterley's Lover" trial, women's lib and abortion rights.

Life@work Courageous Leadership

Bring back the balance to your crazy, non-stop world by taking action with the dynamic "Life@Work GroupZine." In this chaotic, stressful, non-stop world, balance is difficult to maintain. Life @ Work GroupZine is written for the purpose of restoring balance to life and putting focus back on what's really important in life. This six-session study examines the biblical definition of balance and studies how work and ambition fit in with God, family, community, and self. This GroupZine has a creative free-flow "magazine" feeling that is enjoyable to read and non-threatening even to non-believers. Life @ Work GroupZine is an action-oriented Bible-based study aimed at tackling the daily grind that causes us to lose balance and sight of God's intention for our lives.

Holy Discontent Zondervan Publishing Company

"When I listen to the evening news or read the morning paper these days my reaction is always the same: what's wrong in our

world will not be set right until people who love God and who refuse to cave to these overwhelming challenges put the things they believe into action, things like courage and discipline and love." Bill Hybels *Who You Are When No One's Looking* has pointed the way to godly character for more than twenty years. Now Bill Hybels's essential book is completely revised and updated, featuring a new introduction, a new concluding chapter ("World-Change: When Character Counts Most") and a discussion guide for groups. Read this book to discover who God is calling you to be in the world around you.

**Who You Are When No One's Looking** Zondervan

Those who follow in the steps of Jesus hear the invitation to excellent living. When we seek to give God our best, we discover that the power of Jesus helps us live excellent lives on every level: spiritually, morally, relationally, financially, directionally, and eternally. This kind of life honors God and leads to the greatest joy possible.

**Hearing God, Having the Guts to Respond** Zondervan

In a society where "upward mobility" is the highest goal, Bill Hybels asks a tough question: Do Christians place God's desires first-or their own? In *Descending into Greatness*, Hybels and writer Rob Wilkins take the example of Christ's downward journey as it was meant to be; the radical and essential answer for every Christian. In fourteen powerful chapters, the authors explore such topics as How Jesus managed power. The intentional decisions necessary to move down. The uplifting nature of true humility. Abundant life through dying to self. The ambush of joy. Moving down is never an easy matter that can be reduced to a formula. It involves a life committed to discipleship. *Descending into Greatness* introduces you to the touching stories of modern men and women committed to advancing the kingdom of God: from the pro football player, to the medical missionary, to a businessman wrestling with the priorities in the world of finance. *Descending into Greatness* asks tough questions and gives hopeful answers. Now, this powerful, urgent message also includes a discussion guide so that you can follow through, too. "Like Christ, we must descend-into self-abandonment, unconditional giving, sacrifice, and death to self. And, like Christ, we will then ascend-into fulfillment, blessing, joy, and purpose."

**Becoming an Authentic Christian** Zondervan

The urgent need for prayer in today's broken world is clear, but busyness still keeps many of us from finding time to pray. So Bill Hybels offers us his practical, time-tested ideas on slowing down to pray. In this four-session video Bible study based on Hybels's classic book on prayer, *Too Busy Not to Pray* calls both young and old to make prayer a priority, broadening the vision for what our eternal, powerful God does when his people slow down to pray. The coordinating *Too Busy Not to Pray* Study Guide (sold separately) leads individuals and small groups through discussion topics, group activities, and in-between-studies assignments. In *Too Busy Not to Pray*, you and your small group will learn: The importance of a consistent time and place for prayer How to organize prayers according to tried-and-true frameworks How to hear the Spirit's promptings To love prayer time Hybels helps you slow down, listen to God, and learn how to respond. As a result, you will grow closer to God and experience the benefits of spending time with him.

The decisions you make at that point could affect not only you, but the ultimate destiny of those you lead.

**Excellent Living** Zondervan

Pastor Bill Hybels believes that there is a new reality in America. The church has entered an era of growth and unprecedented spiritual opportunity to share the Gospel, yet at the same time we face a shrinking economy and a world in crisis. This poses a great resource challenge for the church. In order to reach out to people who are spiritually hungry, the church needs more people to be equipped to serve others. Hybels passionately believes the key to the future of the church is the equation "X (paid staff) + Y (volunteers) = Z (bearing much fruit for God's glory)." Churches cannot afford to continue hiring more and more staff with limited budgets. The key to resourcing the church is what Hybels calls "the Y factor." The Y factor is the pool of volunteers in every church. The great need of the church is to grow the church's volunteer base through the equipping ministry of church staffs. As churches recover the message of Ephesians 4:11-12 to "equip God's people for works of service" they will launch a Volunteer Revolution. People are just waiting to discover the gifts and passions that God has given them to serve others and then be invited to use those gifts and passions through the local church in order to advance the kingdom of God on Earth. Hybels believes that every church staff should be helping people discover their spiritual gifts, passions and place of service in order to meet the growing needs in our churches and world. Hybels makes a clarion call to move beyond volunteer retention to volunteer acquisition. By attracting, connecting, training, and sustaining volunteers, churches will mobilize people into places of service that will bring new meaning to their lives and understand why God put them on planet Earth. Hybels also outlines how we can build lifelong volunteers in the church through community, celebration, and commendation.

**Courageous Faith Through the Year** Zondervan

In "Simplify," bestselling author Bill Hybels identifies the core issues that lure us into frenetic living--and offers searingly practical steps for sweeping the clutter from our souls. Today's velocity of life can consume and control us . . . until our breakneck pace begins to feel normal and expected. That's where the danger lies: When we spend our lives doing things that keep us busy but don't really matter, we sacrifice the things that do. What if your life could be different? What if you could be certain you were living the life God called you to live--and building a legacy for those you love? If you crave a simpler life anchored by the priorities that matter most, roll up your sleeves: Simplified living requires more than just cleaning out your closets or reorganizing your desk drawer. It requires uncluttering your soul. By eradicating the stuff that leaves your spirit drained, you can stop doing what doesn't matter--and start doing what does.
