cdn.macmillanyounglearners.com
This book contains the collection of Rudyard Kipling short stories known as The Jungle Book. The most famous of these are about Mowgli the wolf boy, and have been adapted for comics, stage, film and television many times. Mowgli's adventures in the forest and battles with the tiger Shere Khan are exciting and should be a part of any child's reading material. The other stories are shorter, but just as entertaining.
