## MIDDLETON STOUT

*Grammar Express with Answers* OXFORD University Press

The purpose of this book English, like all languages, is full of problems for the foreign learner. Some of these points are easy to explain - for instance, the formation of questions, the difference between since and for, the meaning of after all. Other problems are more tricky, and cause difficulty even for advanced students and teachers. How exactly is the present perfect used? When do we use past tenses to be polite? What are the differences between at, on and in with expressions of place? We can say a chair leg - why not \* a cat leg? When can we use the expression do so? When is the used with superlatives? Is unless the same as if not? What are the differences between come and go, between each and every, between big, large and great, between fairly, quite, rather and pretty? Is it correct to say There's three more bottles in the fridge? How do you actually say  $3 \times 4 = 12$ ? And so on, and so on. Practical English Usage is a guide to problems of this kind. It deals with over 600 points which regularly cause difficulty to foreign students of English. It will be useful, for example, to a learner who is not sure how to use a particular structure, or who has made a mistake and wants to find out why it is wrong. It will also be helpful to a teacher who is looking for a clear explanation of a difficult language point. There is very full coverage of grammar, as well as explanations of a large number of common vocabulary problems. There are also some entries designed to clarify more general questions (e.g. formality, slang, the nature of standard English and dialects) which students and teachers may find themselves

concerned with.

*Practical English Usage* HarperCollins

An alphabetical guide to the most common problems of grammar and vocabulary.

*It's Raining Tacos!* Sourcebooks, Inc.

The New Cambridge English Course is a course teachers and students can rely on to cover the complete range and depth of language and skills needed from beginner to upper-intermediate level. Each level is designed to provide at least 72 hours of class work using the Student's Book, with additional self-study material provided in the Practice Book. The course has a proven multi-syllabus approach which integrates work on all the vital aspects of language study: grammar, vocabulary, pronunciation, skills, notions and functions.

**Exploring English Grammar** Oxford University Press, USA

Fully revised and updated, and now available online and in print.

*The Oxford English Grammar* Slavica Publishers

I had to accept that I wasn't just Arthur Leywin anymore, and that I could no longer be limited by the circumstances of my birth. If I was going to escape, if I was going to go toe-to-toe with the most powerful beings in this world, I needed to push myself to my utmost limit...and then I needed to push even further. After nearly dying as a victim of his own strength, Arthur Leywin wakes to find himself far from the continent where he was born for the second time. Alone, broken, and with no way to tell his family he's alive, Arthur must rebuild his strength to survive. As he ascends through an

ancient dungeon filled with hostile beasts and devious trials, he discovers an ancient, absolute power - a power that will either ruin him or take him to new heights. But the dungeon won't give up its knowledge easily. Before he can plunder its depths, Arthur must learn to untangle the threads of fate. He must band together with the unlikely of allies if he hopes to escape with his life.

[Learner English](#) Cambridge University Press

Grammar for English Language Teachers helps teachers to develop their overall knowledge and understanding of English grammar, and provides a quick source of reference in planning lessons and clarifying learners' problems. Each chapter includes a Typical difficulties section, which explores learners' problems and mistakes. The book encourages teachers to appreciate the range of factors which affect grammatical choices, but also introduces the 'rules of thumb' presented to learners in course materials. The Consolidation exercises provide an opportunity for teachers to test the rules against real language use and to evaluate classroom and reference materials. The book is organised thematically, but also provides a 'short cut' index at the beginning for ease of reference. There is also a Cambridge ELT website with further chapter-by-chapter extension exercises to accompany the book.

*The Beginning After The End* McGraw Hill Professional

A practical reference guide to help teachers to predict and understand the problems their students have.

[The Good Grammar Book](#) Routledge

In a completely thoroughly edition of 'An A-Z of English Grammar and Usage' - an established favourite among teachers - Geoffrey Leech and his colleagues provide teachers and learners of English with a unique reference grammar. Accessible, easy-to-use, dictionary-like format. Comprehensive coverage of English grammar in over 600 fully cross-referenced entries. - common grammatical key words, such as 'more', 'what', 'unless' 'can'. - Main terms for talking about grammar, meaning and usage, such as 'indirect object', 'pronoun', 'tag question'. - Extra language and communicative help, such as 'greetings', 'introductions', 'punctuation', 'letter writing', e-mails'. Simple and clear explanations, supported by real-life examples, diagrams, and entertaining new illustrations. Helpful notes on style, intonation, and British and American usage.

*Practical English Usage Third Edition* Cambridge University Press

The New Cambridge English Course is a course teachers and students can rely on to cover the complete range and depth of language and skills needed from beginner to upper-intermediate level. Each level is designed to provide at least 72 hours of class work using the Student's Book, with additional self-study material provided in the Practice Book. The course has a proven multi-syllabus approach which integrates work on all the vital aspects of language study: grammar, vocabulary, pronunciation, skills, notions and functions.

[Basic English Usage](#) Longman Publishing Group

An invaluable resource helping teachers at all levels of experience to develop their understanding of English grammar. Grammar for English Language Teachers is designed to help practising and trainee teachers to develop their knowledge of English grammar systems. It encourages teachers to appreciate factors that affect grammatical choices, and evaluates the 'rules of thumb' presented to learners in course materials. Consolidation exercises provide an opportunity for teachers to test these rules against real language use and to evaluate classroom and reference materials.

*The New Cambridge English Course 1 Teacher's book* Routledge

Routledge English Language Introductions cover core areas of language study and are one-stop resources for students. Assuming no prior knowledge, books in the series offer an accessible overview of the subject, with activities, study questions, sample analyses, commentaries and key readings - all in the same volume. The innovative and flexible 'two-dimensional' structure is built around four sections - introduction, development, exploration and extension - which offer self-contained stages for study. Each topic can also be read across these sections, enabling the reader to build gradually on the knowledge gained. English Grammar: provides a wide-ranging introduction to English grammar, drawing on a variety of international authentic texts, including newspapers, novels and academic texts, to help learners understand concepts and theories in more depth; is written in clear, concise prose in order to present basic concepts and key terms in an accessible way to learners with little or no background in grammar instruction; emphasises the autonomy of the learner through activities and exercises which are suited to both native speakers and learners of English alike; includes a selection of readings from key academics in the field including Michael Halliday, Michael McCarthy, Caroline Coffin and John Sinclair. Drawing on the strengths of the original textbook, this second edition features: new readings from Christian Jones, Daniel Waller and Thomas E.

Payne; revised questions, suggestions and issues to consider; and a brand new companion website featuring interactive audio files of authentic spoken English, links to further reading and new grammar tasks. Written by an experienced teacher and researcher, this accessible textbook is an essential resource for all students of English language and linguistics.

**First Year Polish** Cambridge University Press

This unique reference guide addresses problem points in the language as encountered by learners and their teachers. It gives information and advice that is practical, clear, reliable, and easy to find. Most of the book is about grammar, but it also covers selected points of vocabulary, idiom, style, pronunciation, and spelling.

**How English Works** Cambridge University Press

Practical English Usage

[The New Cambridge English Course 3 Class Audio Cassette Set \(3 Cassettes\)](#) Heinemann

High School English Grammar & Composition provides ample guidance and practice in sentence building, correct usage, comprehension, composition and other allied areas so as to equip the learners with the ability to communicate effectively in English.

*Effective Reading Student's Book* TurtleMe

Comprehensive course divided into 20 units, each focusing on a different grammar point. With glossary of grammar points, various exercises, illustrations, examples, and answers. Suitable for self-study, building vocabulary, and developing grammar skills.

*Grammar* Oxford

Covers written and spoken British and American English and reviews grammar, usage, punctuation, and phonetics

*Grammar Scan* S. Chand Publishing

This engaging textbook bridges the gap between traditional and functional grammar. Starting with a traditional approach, students will develop a firm grasp of traditional tools for analysis and learn how SFG (Systemic Functional Grammar) can be used to enrich the traditional formal approach. Using a problem-solving approach, readers explore how grammatical structures function in different contexts by using a wide variety of thought-provoking and motivating texts including advertisements, cartoons, phone calls and chatroom dialogue. Each chapter focuses on a real world issue or problem that can be investigated linguistically, such as "mis"-translation or problems arising from a communication disorder. By working on these problems, students will become equipped to understand and analyze formal and functional grammar in different genres and styles. With usable and accessible activities throughout, Exploring English Grammar is ideal for upper undergraduate and postgraduate students of English language and linguistics.

[Oxford English Grammar Course: Advanced: with Key \(includes E-book\)](#) OXFORD

The Good Grammar Book teaches all the grammar needed for speaking and writing in English. It explains the rules, shows how the language works, and gives plenty of practice. It can be used either with the coursebook in class or as extra practice at home.

**Grammar for English Language Teachers** Cambridge University Press
