*Midnight Rising* Bantam  
The landmark text about the inner workings of the unconscious mind—from the symbolism that unlocks the meaning of our dreams to their effect on our waking lives and artistic impulses—featuring more than a hundred images

that break down Carl Jung’s revolutionary ideas “What emerges with great clarity from the book is that Jung has done immense service both to psychology as a science and to our general understanding of man in society.”—The Guardian “Our psyche is part of nature, and its enigma is limitless.” Since our inception, humanity has looked to dreams for guidance. But what are

they? How can we understand them? And how can we use them to shape our lives? There is perhaps no one more equipped to answer these questions than the legendary psychologist Carl G. Jung. It is in his life’s work that the unconscious mind comes to be understood as an expansive, rich world just as vital and true a part of the mind as the conscious, and it is in our

dreams—those personal, integral expressions of our deepest selves—that it communicates itself to us. A seminal text written explicitly for the general reader, *Man and His Symbols* is a guide to understanding the symbols in our dreams and using that knowledge to build fuller, more receptive lives. Full of fascinating case studies and examples pulled from philosophy, history, myth, fairy tales, and more, this groundbreaking work—profusely illustrated with hundreds

of visual examples—offers invaluable insight into the symbols we dream that demand understanding, why we seek meaning at all, and how these very symbols affect our lives. By illuminating the means to examine our prejudices, interpret psychological meanings, break free of our influences, and recenter our individuality, *Man and His Symbols* proves to be—decades after its conception—a revelatory, absorbing, and relevant experience. *The Torment of Others*

Time Inc. Books  
This "cunningly plotted" (New York Times) thriller is coming to Britbox this October! Bestselling, award-winning author Val McDermid delivers her most stunning story yet in *The Distant Echo*--an intricate, thought-provoking tale of murder and revenge. Four in the morning, mid-December, and snow blankets St. Andrews School. Student Alex Gilbery and his three best friends are staggering home from a party when they stumble upon the body of a young

woman. Rosie Duff has been raped, stabbed and left for dead in the ancient Pictish cemetery. The only suspects are the four young students stained with her blood. Twenty-five years later, police mount a cold case review. Among the unsolved murders they're examining is that of Rosie Duff. But someone else has his own idea of justice. One of the original quartet dies in a suspicious house fire and soon after, a second is killed. Alex fears the worst. Someone is taking

revenge for Rosie Duff. And it might just save his life if he can uncover who really killed Rosie all those years ago. *Wildfire* Minotaur Books A killer is on the loose, blurring the line between fact and fiction. His prey are the writers of crime novels who have turned psychological profilers into the heroes of the nineties. But this killer is like no other. His bloodlust shatters all the conventional wisdom surrounding the motives and mechanics of how serial killers operate. And

for one woman, the desperate hunt to uncover his identity becomes a matter of life and death. *The Bridge of San Luis Rey* Hachette UK Dr. Tony Hill and Detective Chief Inspector Carol Jordan return in the award-winning series that is the basis for the BBC television show. In a small grim room, the body of a woman is discovered, panic and pain etched in her face. The scene matches in every detail a series of murders two years ago-murders that ended when irrefutable

forensic evidence secured the conviction of a deeply disturbed young man named Derek Tyler. But there's no way Tyler could have killed the latest victim. He's been locked up in a mental institution since his trial, barely speaking a word. So is there a copycat? All his years of experience tell top criminal psychologist Dr. Tony Hill that there isn't-but that would make the murders literally impossible. While Hill tries to crack Tyler, DCI Carol Jordan and her team must mount a desperate

undercover operation to trap the murderer-a decision that will have terrible consequences. In *The Torment of Others*, Val McDermid keeps the tension mounting, as a mixture of psychological insight and dogged detective work leads inexorably to a terrifying climax where Tony faces one of the most perverse killers he has ever encountered. *Still Life* Little, Brown Books for Young Readers Karen Pirie returns . . . Pre-order *Past Lying*, the eagerly-awaited new

Karen Pirie thriller, publishing October 2023 \_\_\_\_\_ 'Gripping, thought-provoking and original - a tour-de-force' *Literary Review* When a skeleton is discovered hidden at the top of a crumbling, gothic building in Edinburgh, Detective Chief Inspector Karen Pirie is faced with the unenviable task of identifying the bones. As Karen's investigation gathers momentum, she is drawn deeper into a dark world of intrigue and betrayal. Meanwhile, someone is taking the law

into their own hands in the name of justice and revenge -- but when present resentment collides with secrets of the past, the truth is more shocking than anyone could have imagined . . . An atmospheric, chilling mystery from the number one bestseller. \_\_\_\_\_ Praise for Val McDermid: 'It grabs the reader by the throat and never lets go' Daily Mail 'As good a psychological thriller as it is possible to get' Sunday Express 'One of today's most accomplished crime writers' Literary Review

'McDermid remains unrivalled' Observer 'The queen of crime is still at the top of her game' Independent This is the third book in the bestselling Karen Pirie series. The Last Temptation McGraw Hill Professional The most comprehensive account to date of the 9/11 attack on the Pentagon and aftermath, this volume includes unprecedented details on the impact on the Pentagon building and personnel and the scope of the rescue, recovery,

and caregiving effort. It features 32 pages of photographs and more than a dozen diagrams and illustrations not previously available. Train MB Cooltura This landmark publication collects three decades of writing from one of the most original, provocative and consistently entertaining voices of our time. Anyone who cares about language and culture should have this book in their life. Thirty years ago, Jonathan Meades published a volume of reportorial

journalism, essays, criticism, squibs and fictions called Peter Knows What Dick Likes. The critic James Wood was moved to write: 'When journalism is like this, journalism and literature become one.' Pedro and Ricky Come Again is every bit as rich and catholic as its predecessor. It is bigger, darker, funnier, and just as impervious to taste and manners. It bristles with wit and pin-sharp eloquence, whether Meades is contemplating northernness in a German

forest or hymning the virtues of slang. From the indefensibility of nationalism and the ubiquitous abuse of the word 'iconic', to John Lennon's shopping lists and the wine they call Black Tower, the work assembled here demonstrates Meades's unparalleled range and erudition, with pieces on cities, artists, sex, England, concrete, politics and much, much more. *McGraw-Hill's Dictionary of American Idoms and Phrasal Verbs* Penguin An award-winning

journalist's dramatic account of a shooting that shook a community to its core, with important implications for the future On the last evening of summer in 2013, five shots rang out in a part of northeast Denver known as the Holly. Long a destination for African American families fleeing the Jim Crow South, the area had become an "invisible city" within a historically white metropolis. While shootings there weren't uncommon, the identity of the shooter that night

came as a shock. Terrance Roberts was a revered anti-gang activist. His attempts to bring peace to his community had won the accolades of both his neighbors and the state's most important power brokers. Why had he just fired a gun? In *The Holly*, the award-winning Denver-based journalist Julian Rubinstein reconstructs the events that left a local gang member paralyzed and Roberts facing the possibility of life in prison. Much more than a crime story, *The Holly* is a

multigenerational saga of race and politics that runs from the civil rights movement to Black Lives Matter. With a cast that includes billionaires, elected officials, cops, developers, and street kids, the book explores the porous boundaries between a city's elites and its most disadvantaged citizens. It also probes the fraught relationships between police, confidential informants, activists, gang members, and ex-gang members as they struggle to put their pasts behind

them. In *The Holly*, we see how well-intentioned efforts to curb violence and improve neighborhoods can go badly awry, and we track the interactions of law enforcement with gang members who conceive of themselves as defenders of a neighborhood. When Roberts goes on trial, the city's fault lines are fully exposed. In a time of national reckoning over race, policing, and the uses and abuses of power, Rubinstein offers a dramatic and humane illumination of what's at

stake.

Man and His Symbols

HarperCollins UK

Perfect for fans of Gary D. Schmidt comes the companion to the modern classic Firegirl from acclaimed writer Tony Abbott. Life hasn't been great for Jeff Hicks. After years at his beloved St. Catherine's, he's forced to spend eighth grade in the public middle school, which he hates. He's no longer speaking to his former best friend, Tom Bender, because of "that burned girl" Jessica Feeney. But worst of all,

his family is changing, and it's not for the better. When his mom comes home announcing that she's lost her job, Jeff begins to worry about things far beyond his years: How will they pay the rent? Will his absentee dad step up and save the day? Is his mom drinking too much? And ultimately, where will they live? The Great Jeff is a powerful look at the life of a troubled boy who finds his life spiraling out of control.

I Know Why the Caged Bird Sings Grove/Atlantic,

Inc.

An epic and revelatory narrative of the most important transportation technology of the modern world In his wide-ranging and entertaining new book, Tom Zoellner—coauthor of the New York Times–bestselling *An Ordinary Man*—travels the globe to tell the story of the sociological and economic impact of the railway technology that transformed the world—and could very well change it again. From the frigid trans-Siberian

railroad to the antiquated Indian Railways to the Japanese-style bullet trains, Zoellner offers a stirring story of this most indispensable form of travel. A masterful narrative history, *Train* also explores the sleek elegance of railroads and their hypnotizing rhythms, and explains how locomotives became living symbols of sex, death, power, and romance.

*House of Silence* Atlantic Monthly Press

A bedridden criminal profiler helps investigate an athlete's murder in this

explosive crime thriller by the author of *The Mermaids Singing*. The residents of Bradfield are devastated when their star midfielder dies, the victim of a bizarre, seemingly motiveless murder. In a hospital, recovering from injuries, criminal profiler and psychologist Dr. Tony Hill struggles to make sense of the fragments of information he can gather in order to help his ally, Detective Chief Inspector Carol Jordan, bring a killer to justice. Then an explosion rips through a

soccer stadium, leaving dozens dead and many more injured, and Jordan finds herself pushed to the margins of the investigation by the intelligence services. Despite the dark places in their relationship, Tony and Carol remain the best hope for uncovering the truth about an ever-increasing series of unspeakable crimes. Are they terrorist attacks, a personal vendetta . . . or something even more sinister? Published in the U. S. for the first time *The Retribution* Open

Road + Grove/Atlantic  
 A criminal profiler races to catch a serial killer preying upon teenagers in this shocking crime thriller by the author of *The Wire in the Blood*. He is psychologist and criminal profiler Dr. Tony Hill's worst nightmare—a killer driven by the most perverted hungers and unmoved by youth and innocence, a killer with a long shopping list of victims who leaves no trail. The murder-mutilation of teenager Jennifer Maidment is horrific enough on its

own, but Hill quickly realizes that it's just the beginning of a chilling campaign targeting an apparently unconnected group of young people—victims that the monster has been grooming through a social networking site. It is a case that is reawakening ghosts of Tony Hill's past. And the longer it takes to uncover a motive and a maniac, the more innocent youth will die.  
**Big Trouble** Henry Holt and Company  
 After a difficult breakup, a wildland firefighter and

university professor have parted ways, but neither has moved on. When a life-threatening accident reunites them, can a love that once burned so bright be rekindled? A story that explores the often out-of-control forces of nature and love.  
*Fever of the Bone*  
 Random House Trade Paperbacks  
 A killer targets single women at weddings: “[An] intense plot...McDermid keeps each twist believable.” —The Washington Post  
 In the north of England, single

women are beginning to disappear from weddings. A pattern soon becomes clear: Someone is crashing the festivities and luring the women away—only to leave the victims' bodies in their own burned-out cars in remote locations.

Psychologist Tony Hill and former police detective Carol Jordan are called upon to investigate—but this may be the toughest case they've ever had to face. Meanwhile, Detective Sergeant Paula McIntyre and her partner Elinor must deal with a

cruel cyber-blackmailer targeting their teenage ward. Impeccably plotted and intensely gripping, *Insidious Intent* comes from Val McDermid, Diamond Dagger Award winner, multiple Edgar Award nominee, and “one of crime fiction’s most eminent writers” (Entertainment Weekly). *It Can't Happen Here* Minotaur Books Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. I Know Why the Caged Bird Sings captures the longing of

lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou’s debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother’s side in St. Louis, Maya is attacked by a

man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “*I Know Why the Caged Bird Sings*

liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition. *The Listerdale Mystery* Farrar, Straus and Giroux Unmarked graves are found on the grounds of an old orphanage in this “riveting” British crime thriller by an Edgar Award finalist (Publishers Weekly, starred review). With profiler Tony Hill behind bars and Carol Jordan no longer with the

police, he’s finding unexpected outlets for his talents in jail and she’s joined forces with a group of lawyers and forensics experts looking into suspected miscarriages of justice. But they’re doing it without each other; being in the same room at visiting hour is too painful to contemplate. Meanwhile, construction is suddenly halted on the redevelopment of an orphanage after dozens of skeletons are found buried at the site. Forensic examination reveals they date from

between twenty and forty years ago, when the nuns were running their repressive regime. But then a different set of skeletons is discovered in a far corner—young men from as recent as ten years ago. When newly promoted DI Paula McIntyre discovers that one of the male skeletons is that of a killer who is supposedly alive and behind bars—and the subject of one of Carol's miscarriage investigations—it brings Tony and Carol irresistibly into each other's orbit

once again in this masterfully plotted novel by “the queen of psychological thrillers” (Irish Independent). Cross and Burn Open Road + Grove/Atlantic The debut cookbook by the creator of the wildly popular blog Damn Delicious proves that quick and easy doesn't have to mean boring. Blogger Chungah Rhee has attracted millions of devoted fans with recipes that are undeniable 'keepers'-each one so simple, so easy, and so flavor-packed, that

you reach for them busy night after busy night. In Damn Delicious, she shares exclusive new recipes as well as her most beloved dishes, all designed to bring fun and excitement into everyday cooking. From five-ingredient Mini Deep Dish Pizzas to no-fuss Sheet Pan Steak & Veggies and 20-minute Spaghetti Carbonara, the recipes will help even the most inexperienced cooks spend less time in the kitchen and more time around the table. Packed with quickie breakfasts,

30-minute skillet sprints, and speedy takeout copycats, this cookbook is guaranteed to inspire readers to whip up fast, healthy, homemade meals that are truly 'damn delicious!'

### **The Torment of Others**

Penguin

A bankrupt upper-class family rents a wonderful mansion for a ridiculously low price. The house belongs to Lord Listerdale, who has supposedly gone on a trip but no one knows where. Rupert, the son of Mrs. San Vicente, the tenant, believes that

the man is dead and that his body is hidden somewhere in the house. A series of coincidences will help the young man discover the mystery behind the former owner. The Distant Echo Aegitas THE SECOND NOVEL FROM PATRICIA MARQUES, FOLLOWING ON FROM THE COLOURS OF DEATH A woman's body is found in a river just outside of Lisbon. Inspectors Isabel Reis and Aleksandr Voronov identify the murder victim as Marta Nunes - a youth centre worker who, like

Isabel, classifies as Gifted. Born with special abilities, the Gifted are often looked at with a certain level of suspicion. In the search for her killer, Reis digs into Marta's past. She soon discovers that she is connected to a number of missing women. All young, all telepathic Gifted, all vanished off the face of the earth. Marta might have been helping these missing girls, or she might have been hurting them. But Inspector Reis needs to find the truth about who killed Marta and why, and she needs

to find where the missing girls go. Because some of them might still be alive out there . . . \*Preorder now\* Praise for the Inspector Reis series 'Breathtakingly original, and a captivating sense of place' Val McDermid, bestselling author of Still Life 'Compelling and original, this glints with freshness' Daily Mail 'A brilliantly inventive and twisty tale' Claire McGowan, bestselling author of The Push 'A good detective story . . . intriguing' Guardian 'A distinctive, intriguing,

immersive debut' Mari Hannah, multi-award winning author of Without a Trace

**The Skeleton Road** Bold Type Books

A chilling, high-velocity thriller featuring psychologist Dr. Tony Hill and detective Carol Jordan from the international bestselling crime writer. Tony Hill has had a good run. He and detective Carol Jordan have put away scores of dangerous criminals at a rate that colleagues envy. But there is one serial killer who has shaped and

defined their careers, and whose evil surpasses all others: Jacko Vance, ex-celebrity and sociopath whose brilliance and utter lack of remorse have never left Tony's mind in the ten years since his imprisonment. Now Jacko has escaped from prison—even more twisted and cunning than before, he is focused on wreaking revenge on Tony and Carol for his years spent behind bars. Tony and Carol don't know when Jacko will strike, or where. All they know is that Jacko will cause them

to feel fear like they've never known. An utterly gripping tour de force, *The Retribution* is the ideal introduction or re-

introduction to the world of Tony Hill and Carol Jordan. It is an unforgettable read. "I love

every word Val McDermid writes. If you haven't discovered her genius yet, you are in for a rare treat." —Harlan Coben
