Hymns for the Church of Christ Word Music
Sing! has grown from Keith and Kristyn
Getty's passion for congregational singing;
it's been formed by their traveling and
playing and listening and discussing and
learning and teaching all over the world.
And in writing it, they have five key aims:

- to discover why we sing and the
overwhelming joy and holy privilege that
comes with singing
- to consider how
singing impacts our hearts and minds and
all of our lives
- to cultivate a culture of
family singing in our daily home life
- to
equip our churches for wholeheartedly
singing to the Lord and one another as an
expression of unity
- to inspire us to see
congregational singing as a radical witness
to the world They have also added a few
"bonus tracks" at the end with some more
practical suggestions for different groups
who are more deeply involved with church
singing. God intends for this compelling
vision of His people singing—a people
joyfully joining together in song with
brothers and sisters around the world and
around his heavenly throne—to include
you. He wants you, he wants us, to sing.
