El discurso de la «teopoética», en general y particularmente en relación con la interpretación de la Escritura y la reflexión teológica, es aún un desarrollo reciente que surge de la

intersección entre la teología y los estudios literarios, similar a la «espiritualidad bíblica», que brota de la intersección entre los estudios bíblicos y la espiritualidad, y a la «estética teológica», que tiene su origen en la intersección de la teología con todas las formas de estética: arte, literatura, música, etc. La razón de ser de la creciente importancia de la mediación de la estética en el quehacer

teológico reside en el hecho del crepúsculo de los grandes relatos y de la fragilidad del discurso político. Lo simbólico y lo prerracional se aproxima más e interacciona mejor con la experiencia -incluida la experiencia religiosa- que con la experiencia racional y especulativa.

 Traducere de Cornelia Rădulescu Prin dragoste, o femeie salvează de la moarte un indian otrăvit de veninul unui șarpe. Din această pasiune tămăduitoare se va naște Eva, botezată astfel ca să iubească viața. Orfană de mică, Eva își croiește un drum presărat cu lacrimi, dar și cu miracolele pe care le pot face dragostea și bunătatea. Destinul ei

și al tovarășilor ei de călătorie se întretes în tapiseria complicată și multicoloră a istoriei sud-americane, iar vocea Evei Luna deapănă, cu nostalgie și umor, povestea fascinantă a unei femei pe care viața a iubit-o. Journey to the Center of the Earth Macmillan

«Si a veces te sientes

solo en un mundo de extraños, añorando estar con alguien a quien no conoces aún, aquí encontrarás un mensaje de ese amor desconocido.» Richard Bach Un alma gemela es alguien que tiene cerrojos que pueden ser abiertos con nuestras llaves, y llaves capaces de abrir nuestros cerrojos. Cuando nos sentimos lo bastante seguros para abrirlos podemos ser, completa y sinceramente, como en verdad somos... Con Juan Salvador Gaviota, Richard Bach nos hizo volar por lugares de encanto y aventura, para guiarnos hacia una luminosa libertad. En El puente hacia el infinito Bach narra su propio camino hacia el amor, hacia su alma gemela. Un camino cuyos obstáculos y

desvíos iniciales lo hacen abandonar la búsqueda y construirse murallas de protección, que se convertirán en su cárcel# hasta que conoce a la única mujer que puede liberarlo. Con ella inicia un viaje de transformación, jalonado de descubrimientos y extraordinarias aventuras. En esta, una de sus obras más célebres, Bach explora el significado místico y terrenal de la vida, el amor y la inmortalidad. Teología y literatura

A deluxe edition of
Bolano's complete
poetry Perhaps
surprisingly to some of
his fiction fans,
Roberto Bolano touted
poetry as the superior
art form, able to
approach an infinity in
which "you become
infinitely small without
disappearing." When
asked, "What makes
you believe you're a
better poet than a
novelist?" Bolano
replied, "The poetry
makes me blush less."
The sum of his life's
work in his preferred
medium, *The Unknown*
University is a
showcase of Bolano's
gift for freely crossing

genres, with poems
written in prose, stories
in verse, and flashes of
writing that can hardly
be categorized.

"Poetry," he believed,
"is braver than
anyone."

Humanitas Fiction

Today, the world offers
us more options than
ever before, but it also
forces us to juggle

more priorities, to make more choices, and to make them faster. The result: a crisis of doing too much, or not enough, and making our decisions based on impulse, stress or guilt. In 10-10-10 Suzy Welch offers an exciting, effective strategy that will help you make the right decision in any situation, at work or at home; with colleagues, family or friends. The rule is deceptively simple: when faced with a decision, consider what the consequences and outcomes of your various options would be in 10 minutes, 10 months, and 10 years. But the results are extraordinary. Using the framework of 10-10-10 will allow you to think through your decisions and to match

them with the expectations and values you hold dearest. Most importantly, it allows you to chart a path in the direction you want, and to head confidently towards it with focus, balance, and joy.

INTERNATIONAL
BESTSELLER • Set in eighteenth-century France, the classic novel that provokes a terrifying examination of what happens when one man's indulgence in his greatest passion—his sense of smell—leads to murder. In the slums of eighteenth-century France, the infant Jean-Baptiste Grenouille is born with one sublime gift—an absolute sense of smell. As a boy, he lives to decipher the odors of Paris, and apprentices himself to a prominent perfumer who teaches him the

ancient art of mixing precious oils and herbs. But Grenouille's genius is such that he is not satisfied to stop there, and he becomes obsessed with capturing the smells of objects such as brass doorknobs and fresh-cut wood. Then one day he catches a hint of a scent that will drive him on an ever-more-terrifying quest to create the "ultimate perfume"—the scent of a beautiful young virgin. Told with dazzling narrative brilliance, *Perfume* is a hauntingly powerful tale of murder and sensual depravity. Translated from the German by John E. Woods.

A few years ago, someone asked me by way of their T-shirt,

Got Freedom? Heres, a bit delayed and by way of two small seaplanes and a continent ten thousand horizons wide, my answerRichard Bach. In the tradition of John Steinbecks Travels with Charley, and Richard Bachs own bestseller, Illusions, TRAVELS WITH PUFF recounts Bachs journey from Florida to Washington state in his small seaplane. With humor, wisdom and insight that could only come from one of the worlds most beloved authors and an accomplished pilot, TRAVELS WITH PUFF also challenges our ideas of fate and our futures, and asks us how can we prepare for the emergencies in our own lives? Can we ever really be safe? And, is being safe always what we want?

El puente hacia el infinito William Morrow Paperbacks
Emperor Constantine the Great is one of the most impressive and controversial figures in world history. His decisions are a real enigma, which is masterfully unravelled in this book. His life was a series of struggles and conquests, friendships and hatreds, loves and heartbreaks, grandeur and misery, noble acts and terrible crimes, deceptions and betrayals. With the humility of a man facing his own death, he weighs it all in the balance. The last of the great emperors, he was the bastard son of Constantius Chlorus and reunified the entire Roman Empire, east and west, for the last time. He gave

Christians their freedom, created the first mobile army and introduced a single currency (the Solidus, the true forerunner of the Euro). He founded Constantinople, murdered people with his own hands ... and experienced great love with Minervina, his first wife. There are great mysteries too: he was the son of St Helena but was not baptised until two days before he died; even then he found an Arian bishop to do it. He never gave up the title Pontifex Maximus, nor did he stop worshipping Mithras, the sun god. After unifying the entire empire, he had it split into four parts after his death. Delving into the life of Constantine the Great is to relive an incredible era and

discover the great mystery behind his seemingly absurd and contradictory decisions. In reality, a surprising, relentless logic runs through them all, which Albert Salvado portrays with a steady hand. "The Enigma of Constantine the Great is an engaging book with aspirations to match. The book is intended for a wide range of readers who will not come away disappointed." Joan Isern. AVUI. "The Enigma of Constantine the Great is a reflection on the great questions of life and death, the value of the present, and eternity, by a person well-suited to doing so. The author holds nothing back in his portrayal of the character's dark side: his calculating mind,

his loss of affection, his brutality ... There is a lot packed into this book but the skill of an accomplished author makes it easy to read." (Alvar Valls, El Periodic) Watch out for two things: one, the first edition will sell out in no time; two, it seems this eminent author will never tire of writing. What is the

enigma? The enigma is resolved within the book itself. (Manel Anglada, writer, Diari d'Andorra) Steps to an Ecology of Mind B DE BOLSILLO Richard Bach shares spiritual insights about life and love, as he describes his marriage to his soulmate and (now) ex-wife, Leslie Parrish.
