Stalked by Death Penguin

On her family's South Georgia olive plantation, Eva Knox is on the hook for murder in the third delightful Olive Grove Mystery from the author of *One Foot in the Grove* and *Cold Pressed Murder*. On a sizzling-hot September day, Eva Knox's ex-boyfriend, Dudley Dexter Codman the Third, along with a bunch of his corporate cronies from Boston, arrive at Eva's family's guest inn and olive farm, Knox Plantation. Maps and binoculars in hand, the New Englanders claim they're on a bird-watching holiday. Only, Eva knows that her ex doesn't know the first thing about birds. Nor does he care. Eva can't fathom why he'd show up after all these years in her off-the-beaten-path hometown--nearly 1,200 miles from Boston. When Dudley's body is found drowned in the pond, Eva starts fishing for answers. But she doesn't have much time after authorities determine that her ex was poisoned by one of Eva's family's olive oils. She'll have to find the real killer before her family is caught for murder.

Drawing from a rich understanding of dreaming in culture, history, psychology, and modern dream study, Kelly Bulkeley and Patricia Bulkeley's *Dreaming Beyond Death* explicitly addresses three common aspects of pre-death dreams and offers interpretations that will aid both dying persons and their caregivers. Rev. Patricia Bulkeley's experience with the transformative possibilities of pre-death dreams as a hospice counselor lend this book a deeply personal and human touch, while Kelly Bulkeley's insightful analysis and intellectual framework provide an understanding of the deeper meanings behind this type of dreaming. A final chapter provides resources and concrete methods for caregivers to respectfully guide a dying person through the dreaming process to a sense of peace. A DAILY TELEGRAPH BOOK OF THE YEAR. 'A compelling, authoritative insight into possibly the most controversial death in Britain this century' *The Observer*. 'Goslett's like Poirot; he asks questions ... Spooky and scary' *Evening Standard*. 'Masterful ... This book made me proud of my trade as a journalist' *Daily Mail*. 'This searing excavation of the mysterious death of Dr David Kelly is investigative journalism at its best. It is brave, relentless, dazzlingly revealing' Peter Osborne. In March 2003 British forces invaded Iraq after Tony Blair said the country could deploy weapons of mass destruction at 45 minutes' notice. A few months later, government scientist Dr David Kelly was unmasked by Blair's officials as the assumed source of a BBC news report challenging this claim. Within days, Dr Kelly was found dead in a wood near his home. Blair immediately convened the controversial Hutton Inquiry, which concluded Dr Kelly committed suicide. Yet key questions remain: could Dr Kelly really have taken his life in the manner declared? And why did Blair's government derail the coroner's inquest into Dr Kelly's death? In this meticulous account, award-winning journalist Miles Goslett shows why we should be sceptical of the official story of what happened in that desperate summer of 2003.

One Foot in the Grove Penguin

Evangeline Stone, a rogue bounty hunter, never asked for a world divided between darkness and light or the power to die and live again in someone else's borrowed body. After a murder plot meant to take her out leaves an entire race of shapeshifters nearly extinct, Evy is gnawed by guilt. So when one of the few survivors of the slaughter enlists her aid, she feels duty-bound to help—even though protecting a frail, pregnant shifter is the last thing Evy needs, especially with the world going to hell around her. Amid weres, Halfies, gremlins, vamps—and increasingly outgunned humans—a war for supremacy is brewing. With shifters demanding justice, her superiors desperate to control her, and an assassin on her trail, Evy discovers a horrifying conspiracy. And she may be the only person in the world who can stop it—unless, of course, her own side gets her first.

Commemorative Modernisms Head of Zeus Ltd

While her boss Lu "The Lobo" Loboinski, the office virgin Josh Schmidt, and her crush, Special Agent Nick Pratt, sign up for an online dating service, IRS special agent Tara Holloway finds her own life on the line when her new case involves cash-funneling to terrorists. Original. 40,000 first printing.

Hooked on a Feline Independently Published

They'll never see her coming. . . . When Evangeline Stone wakes up naked and bruised on a cold slab at the morgue—in a stranger's body, with no memory of who she is and how she got there—her troubles are only just beginning. Before that night she and the two other members of her Triad were the city's star bounty hunters, mercilessly cleansing the city of the murderous creatures living in the shadows, from vampires to shape-shifters to trolls. Then something terrible happened that not only cost all three of them their lives but also convinced the city's other Hunters that Evy was a traitor—and she can't even remember what it was. Now she's a fugitive, piecing together her memory, trying to deal some serious justice—and discovering that she has only three days to solve her own murder before the reincarnation spell wears off. Because in three days Evy will die again—but this time there's no second chance. . . .

The Science Behind The Legend Of Dim-Mak EverAfter Romance

Librarian Kathleen Paulson and her inquisitive cats find themselves in a jam when a musician turns up dead, in the newest installment of this New York Times bestselling series. It's summer in Mayville Heights, and Kathleen Paulson and her detective boyfriend, Marcus, are eager to attend the closing concert of the local music festival. The concert is a success, but then one of the band members is discovered dead shortly after it. At first it's assumed the death is a robbery gone wrong, but Kathleen suspects foul play--and she's certain that she, along with her trusty side-cats, Owen and Hercules, can help solve the murder. Before his death, Kathleen had noticed the victim in the library researching his genealogy, and when she and Marcus take a closer look at the man's family tree, they begin to think a previous death of one of his relatives now seems suspicious. The more Kathleen thinks about it, the more this murder feels like it could be an encore performance. Kathleen and her cats will need to act fast and be very careful if they want to stay off of a killer's hit list. Macmillan

When the quiet Little Vestry of St. Matthew's Church becomes the blood-soaked scene of a double murder, Scotland Yard Commander Adam Dalgliesh faces an intriguing conundrum: How did an upper-crust Minister come to lie, slit throat to slit throat, next to a neighborhood derelict of the lowest order? Challenged with the investigation of a crime that appears to have endless motives, Dalgliesh explores the sinister web spun around a half-burnt diary and a violet-eyed widow who is pregnant and full of malice--all the while hoping to fill the gap of logic that joined these two disparate men in bright red death. . . .

Death, Taxes, and Peach Sangria Dell

Spring has sprung in Mayville Heights, and Kathleen's brother, Ethan, has come to town with his band. But not everything goes as scheduled, when Ethan's opening act gets into a fight with a man interested in investing in the town. When the businessman's body is found Ethan's friend is implicated in the crime. Kathleen wants to help her brother by solving the case, but she has no shortage of suspects. Prior to his death, the investor was fighting with multiple people in town. If Kathleen wants a chance of solving the case, she'll need to rely on her trusty feline sidekicks, Owen and Hercules.

NEW YORK TIMES BESTSELLER • A story-driven collection of essays on the twelve powerful phrases we use to sustain our relationships, from the bestselling author of *Glitter and Glue* and *The Middle Place* “Kelly Corrigan takes on all the big, difficult questions here, with great warmth and courage.”—Glennon Doyle NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE AND BUSTLE It's a crazy idea: trying to name the phrases that make love and connection possible. But that's just what Kelly Corrigan has set out to do here. In her New York Times bestselling memoirs, Corrigan distilled our core relationships to their essences, showcasing a warm, easy storytelling style. Now, in *Tell Me More*, she's back with a deeply personal, unflinchingly honest, and often hilarious examination of the essential phrases that turn the wheel of life. In “I Don't Know,” Corrigan wrestles to make peace with uncertainty, whether it's over invitations that never came or a friend's agonizing infertility. In “No,” she admires her mother's ability to set boundaries and her liberating willingness to be unpopular. In “Tell Me More,” a facialist named Tish teaches her something important about listening. And in “I Was Wrong,” she comes clean about her disastrous role in a family fight—and explains why saying sorry may not be enough. With refreshing candor, a deep well of empathy, and her signature desire to understand “the thing behind the thing,” Corrigan swings between meditations on life with a preoccupied husband and two mercurial teenage daughters to profound observations on love and loss. With the streetwise, ever-relatable voice that defines Corrigan's work, *Tell Me More* is a moving and meaningful take on the power of the right words at the right moment to change everything. Praise for *Tell Me More* “It is such a comfort just knowing that Kelly Corrigan exists: she is somehow both wise and self-deprecating; funny but unafraid of pain; frank but gentle. She is the sister/mother/best friend we all wish we could have—and because of this big-hearted book, we all get to.”—Ariel Levy, author of *The Rules Do Not Apply* “With full-bodied humor and radical sensitivity, Kelly Corrigan transforms the mundane pain of life into a necessary spiritual text of sorts, one that reminds us that we have the right to grieve but the obligation to be grateful. This book will remind you that you are human—and of the fragile loveliness of being so.”—Lena Dunham *Misled* McFarland

The martial arts world is rife with tales of ancient masters who could cause instant or delayed death or illness by attacking secret points on the human body. But to the Western mind, the concept of striking acupuncture points to disrupt the internal energy, or chi, seems like hocus-pocus. Thus, many serious martial artists dismiss the ancient art of dim-mak (also known as kyusho jitsu), which is literally translated as “death touch,” as nothing more than fiction. However, if one can accept the idea that a dim-mak point is an avenue for attacking the nervous system, then it becomes easier to understand how striking specific points or groups of points can devastate the organs and the cardiovascular system. In this book, Dr. Michael Kelly, an osteopathic physician and experienced dim-mak practitioner, explains dim-mak's effects based on medical science. In layman's terms, Dr. Kelly reveals the physiological basis for what is clearly a very real and dangerous method of fighting. In the process of unraveling the mystery of this legendary art, Dr. Kelly makes the true genius of its founders brutally, and painfully, apparent.

Shaun of the Dead meets *Dumplin'* in this biting funny YA thriller about a kickass group of teens battling a ravenous group of zombies. In the next few hours, one of three things will happen. 1--We'll be rescued (unlikely) 2--We'll freeze to death (maybe) 3--We'll be eaten by thin and athletic zombies (odds: excellent) Vivian Ellenshaw is fat, but she knows she doesn't need to lose weight, so she's none too happy to find herself forced into a weight-loss camp's van with her ex-best friend, Allie, a meathead jock who can barely drive, and the camp owner's snobby son. And when they arrive at Camp Featherlite at the start of the worst blizzard in the history of Flagstaff, Arizona, it's clear that something isn't right. Vee barely has a chance to meet the other members of her pod, all who seem as unhappy to be at Featherlite as she does, when a camper goes missing down by the lake. Then she spots something horrifying outside in the snow. Something...that isn't human. Plus, the camp's supposed “miracle cure” for obesity just seems fishy, and Vee and her fellow campers know they don't need to be cured. Of anything. Even worse, it's not long before Camp Featherlite's luxurious bungalows are totally overrun with zombies. What starts out as a mission to unravel the camp's secrets turns into a desperate fight for survival--and not all of the Featherlite campers will make it out alive. A satirical blend of horror, body positivity, and humor, Kelly deVos's witty, biting novel proves that everyone deserves to feel validated, and taking down the evil enterprise determined to dehumanize you is a good place to start.

An Inconvenient Death Montlake Romance

Edgar Award Finalist: Murder strikes the Massachusetts hometown of a literary icon, and a scholarly sleuth investigates, in a “remarkable” mystery series (Booklist). Although she spent her life withdrawn from the people of Amherst, Massachusetts, every man, woman, and English professor in this small university town claims ownership of poet Emily Dickinson. They give tours in her house, lay flowers on her grave, and now, as the hundredth anniversary of her death approaches, they organize festivals in her name. Dickinson scholar Owen Kraznik has just been railroaded into organizing the festival when Amherst starts to burn. As the fire consumes a fourteen-story university dormitory, transcendentalist scholar and occasional sleuth Homer Kelly considers that it may have been set on purpose. Two students die in the blaze, but neither was the arsonist's target. Emily Dickinson wrote countless poems on the nature of mortality, but before Amherst can celebrate her words, death will leap off the page.
