 ...Though Spartan society
 did not have a rigid social
 hierarchy, it still had some
 influential groups. Like all
 Greek societies, Sparta
 was dominated by male
 citizens, and the most
 powerful of these came
 from a select group of
 families. The Spartan
 political system was

unusual in that it had two hereditary kings from two separate families. Social and Political Structure of Ancient Greek City-States Ancient Greece was an ardent civilization that belongs to ancient Greek history. The ancient Greek was also a part of nations where people were divided on the basis of socialism – means the classes. Some classes were superior to other while some inferior. Superior classes enjoyed some special rights and benefits over the inferior ones.
