To the Moon and Back Text Publishing

Don Tillman, professor of genetics, has never been on a second

date. He is a man who can count all his friends on the fingers of one hand, whose lifelong difficulty with social rituals has convinced him that he is simply not wired for romance. So when an acquaintance informs him that he would make a "wonderful" husband, his first reaction is shock. Yet he must concede to the statistical probability that there is someone for everyone, and he embarks upon The Wife Project. In the orderly, evidence-based manner with which he approaches all things, Don sets out to find

the perfect partner. He sets up a project designed to find him the perfect wife, starting with a questionnaire that has to be adjusted a little as he goes along. She will be punctual and logical, most definitely not a barmaid, a smoker, a drinker, or a late-arriver. Then he meets Rosie Jarman, who is everything he's not looking for in a wife. Rosie is all these things. She is also beguiling, fiery, intelligent, and on a quest of her own. She is looking for her biological father, a search that a certain DNA expert might be able to help her with. Don's Wife Project takes a back burner to the Father Project and an unlikely relationship blooms, forcing the scientifically minded geneticist to confront the spontaneous whirlwind that is Rosie, and the realization that love is not always what looks good on paper

The Rosie Effect Text Publishing

A bestselling modern classic—both poignant and funny—narrated by a fifteen year old autistic savant obsessed with Sherlock Holmes, this dazzling novel weaves together an old-fashioned mystery, a contemporary coming-of-age story, and a fascinating excursion into a mind incapable of processing emotions.

Christopher John Francis Boone knows all the countries of the world and their capitals and every prime number up to 7,057. Although gifted with a superbly logical brain, Christopher is autistic. Everyday interactions and admonishments have little meaning for him. At fifteen, Christopher's carefully constructed world falls apart when he finds his neighbour's dog Wellington impaled on a garden fork, and he is initially blamed for the killing. Christopher decides that he will track down the real killer, and turns to his favourite fictional character, the impeccably logical Sherlock Holmes, for inspiration. But the investigation leads him

down some unexpected paths and ultimately brings him face to face with the dissolution of his parents' marriage. As Christopher tries to deal with the crisis within his own family, the narrative draws readers into the workings of Christopher's mind. And herein lies the key to the brilliance of Mark Haddon's choice of narrator: The most wrenching of emotional moments are chronicled by a boy who cannot fathom emotions. The effect is dazzling, making for one of the freshest debut in years: a comedy, a tearjerker, a mystery story, a novel of exceptional literary merit that is great fun to read.

The Best of Adam Sharp CreateSpace

From a New York Times bestselling and Hugo award-winning author comes a modern masterwork of science fiction, introducing a captain, his crew, and a detective as they unravel a horrifying solar system wide conspiracy that begins with a single missing girl. Now a Prime Original series. Humanity has colonized the solar system—Mars, the Moon, the Asteroid Belt and beyond—but the stars are still out of our reach. Jim Holden is XO of an ice miner making runs from the rings of Saturn to the mining stations of the Belt. When he and his crew stumble upon a derelict ship, the Scopuli, they find themselves in possession of a secret they never wanted. A secret that someone is willing to kill for—and kill on a scale unfathomable to Jim and his crew. War is brewing in the system unless he can find out who left the ship and why. Detective Miller is looking for a girl. One girl in a system of billions, but her parents have money and money talks. When the trail leads him to the Scopuli and rebel sympathizer Holden, he realizes that this girl may be the key to everything. Holden and Miller must thread the needle between the Earth

government, the Outer Planet revolutionaries, and secretive corporations—and the odds are against them. But out in the Belt, the rules are different, and one small ship can change the fate of the universe. "Interplanetary adventure the way it ought to be written." —George R. R. Martin

A book that “speak[s] volumes about our need for connection—human, feline or otherwise” (The San Francisco Chronicle), *The Travelling Cat Chronicles* is a life-affirming anthem to kindness and self-sacrifice that shows how the smallest things can provide the greatest joy—the perfect gift for cat lovers and travellers! We take journeys to explore exotic new places and to return to the comforts of home, to visit old acquaintances and to make new friends. But the most important journey is the one that shows us how to follow our hearts... An instant international bestseller and indie bestseller, *The Travelling Cat Chronicles* has charmed readers around the world. With simple yet descriptive prose, this novel gives voice to Nana the cat and his owner, Satoru, as they take to the road on a journey with no other purpose than to visit three of Satoru's longtime friends. Or so Nana is led to believe... With his crooked tail—a sign of good fortune—and adventurous spirit, Nana is the perfect companion for the man who took him in as a stray. And as they travel in a silver van across Japan, with its ever-changing

scenery and seasons, they will learn the true meaning of courage and gratitude, of loyalty and love. On New York Post's Required Reading List

Summary of the Rosie Project Sourcebooks, Inc.

What would happen if Jane Austen's *MANSFIELD PARK* was set in the twenty-first century? When Frankie Price goes to live with her wealthy cousins, she finds herself part of a social scene that she'd only read about in magazines. Shy and overwhelmed, she retreats into her own passion: writing - pouring out her feelings into her short stories. But when the entire family is rocked by scandal, and her mate Ned comes under the spell of the beautiful but manipulative Alice, Frankie realises that she has to fight for the life she wants.

The Curious Incident of the Dog in the Night-Time Text Publishing

From the bestselling author of *The Rosie Project* comes a romantic novel about true love, second chances, and decades of great music. Two decades ago, Adam Sharp's piano playing led him into a passionate relationship with Angelina Brown, an intelligent and strong-willed actress. They had a chance at something more—but Adam didn't take it. Now, on the cusp of turning fifty, Adam likes his life. He's happy with his partner Claire, he excels in music trivia at quiz night at the local pub, he looks after his mother, and he does the occasional consulting job in IT. But he can never quite shake off his nostalgia for what might have been. And then, out of nowhere, from the other side of the world, Angelina gets in touch. What does she want? Does Adam dare to live dangerously? Set to the soundtrack of our lives, *The Best of Adam Sharp* by Graeme Simsion follows along with emotion and humor as one man looks back on his past and

decides if having a second chance is worth the risk. One of Glamour Magazine's "Most Anticipated Books of 2017" • "20 Must-Read Books for Spring 2017" from Redbook Praise for The Best of Adam Sharp: "This dazzling story about a former pianist who has a second chance in midlife with his former actress flame will do some major heart-warming this Spring — and readers will never foresee the incredible ending." —POPSUGAR "It's a fun sweet ride." —The Washington Post "Readers are already clamoring." —Library Journal "An extraordinary literary treat that reminds readers the best things in life have nothing to do with plans." —Redbook

Two Steps Forward HarperCollins

Internationally bestselling husband-and-wife writing team Graeme Simsion and Anne Buist are back with another smart, romantic adventure

The Rosie Project Simon and Schuster

The Rosie Project: by Graeme Simsion | Conversation Starters A Brief Look Inside: Graeme Simsion's first fiction novel, *The Rosie Project*, introduces readers to Don Tillman, a man who is living with Asperger's Syndrome in Australia. Don is a genetics professor who is trying to find the perfect woman through The Wife Project – a questionnaire in which potential partners must meet the criteria to be deemed perfect for Don. On his search for the perfect woman, Don is introduced to Rosie by his friend Gene. Don automatically rejects Rosie as a potential partner because she does not meet his criteria. Rosie needs help finding her biological father, and Don agrees to help, thus beginning The Father Project. This quirky, fun, and unconventional novel reads like a romantic comedy film, moving quickly through each scene.

Graeme Simsion's first appearance in the fiction world quickly became a hit ...selling over one million copies in over forty countries across the globe. EVERY GOOD BOOK CONTAINS A WORLD FAR DEEPER than the surface of its pages. The characters and their world come alive, and the characters and its world still live on. Conversation Starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on. These questions can be used to... Create Hours of Conversation: • Foster a deeper understanding of the book • Promote an atmosphere of discussion for groups • Assist in the study of the book, either individually or corporately • Explore unseen realms of the book as never seen before Disclaimer: This book you are about to enjoy is an independent resource to supplement the original book, enhancing your experience of *The Rosie Project*. If you have not yet purchased a copy of the original book, please do before purchasing this unofficial Conversation Starters.

Love and Other Impossible Pursuits Text Publishing

A little girl and her grandma enjoy spending time together. Reading creates a special bond and invites discussion.

The Rosie World The Rosie Project

Graeme Simsion brings to life fictional foodie Don Tillman's 'standardised meal system', as featured in the internationally bestselling *Rosie Project* and *Rosie Effect* and the recent Australian #1 bestselling novel, *Rosie Result*.

The Rosie Result Little, Brown

"In these tales the reader can observe Anne's writing prowess grow from that of a young girl's into the observations of a perceptive, edgy, witty and compassionate woman"--Jacket flaps.

The Rosie Project Random House

'We've got something to celebrate,' Rosie said. I am not fond of surprises, especially if they disrupt plans already in place. I assumed that she had achieved some important milestone with her thesis. Or perhaps she had been offered a place in the psychiatry-training programme. This would be extremely good news, and I estimated the probability of sex at greater than 80%. 'We're pregnant,' she said. Don Tillman and Rosie Jarman are now married and living in New York. Don has been teaching while Rosie completes her second year at Columbia Medical School. Just as Don is about to announce that Gene, his philandering best friend from Australia, is coming to stay, Rosie drops a bombshell: she's pregnant. In true Tillman style, Don instantly becomes an expert on all things obstetric. But in between immersing himself in a new research study on parenting and implementing the Standardised Meal System (pregnancy version), Don's old weaknesses resurface. And while he strives to get the technicalities right, he gets the emotions all wrong, and risks losing Rosie when she needs him most. The Rosie Effect is as charming and hilarious as its predecessor.

The Opposite of Loneliness Bonnier Publishing Fiction Ltd.

A misanthropic matriarch leaves her eccentric family in crisis when she mysteriously disappears in this "whip-smart and divinely funny" novel that inspired the movie starring Cate Blanchett (New York Times). Bernadette Fox is notorious. To her Microsoft-guru husband, she's a fearlessly opinionated partner; to fellow private-school mothers in Seattle, she's a disgrace; to design mavens, she's a revolutionary architect; and to 15-year-old Bee, she is her best friend and, simply, Mom. Then

Bernadette vanishes. It all began when Bee aced her report card and claimed her promised reward: a family trip to Antarctica. But Bernadette's intensifying allergy to Seattle -- and people in general -- has made her so agoraphobic that a virtual assistant in India now runs her most basic errands. A trip to the end of the earth is problematic. To find her mother, Bee compiles email messages, official documents, and secret correspondence -- creating a compulsively readable and surprisingly touching novel about misplaced genius and a mother and daughter's role in an absurd world.

Red Hook Road Sarah Crichton Books

How far would you go to save your child? David shares a close bond with his eight-year-old son, Chris, but their family is destroyed when David dies. In the afterlife, he is given an opportunity. He is told that he may be granted three viewings by which to look in on his son. The terms are strict: he cannot help his boy. He cannot reach him, or teach him, or in any way change the course of his life. David agrees, and on three separate occasions observes his son's unfolding story. The first viewing takes place one year after his own death. The second shows him his son at the age of nineteen. David's final viewing shows him the final days of Chris's life. What David sees will not leave him, and he decides to make a simple but impassioned request.

The Rosie Project Anchor

The instant New York Times bestseller and publishing phenomenon: Marina Keegan's posthumous collection of award-winning essays and stories "sparkles with talent, humanity, and youth" (O, The Oprah Magazine). Marina Keegan's star was on the rise when she graduated magna cum laude from Yale in May

2012. She had a play that was to be produced at the New York Fringe Festival and a job waiting for her at The New Yorker. Tragically, five days after graduation, Marina died in a car crash. Marina left behind a rich, deeply expansive trove of writing that, like her title essay, captures the hope, uncertainty, and possibility of her generation. Her short story “Cold Pastoral” was published on NewYorker.com. Her essay “Even Artichokes Have Doubts” was excerpted in the Financial Times, and her book was the focus of a Nicholas Kristof column in The New York Times. Millions of her contemporaries have responded to her work on social media. As Marina wrote: “We can still do anything. We can change our minds. We can start over...We’re so young. We can’t, we MUST not lose this sense of possibility because in the end, it’s all we have.” The Opposite of Loneliness is an unforgettable collection of Marina’s essays and stories that articulates the universal struggle all of us face as we figure out what we aspire to be and how we can harness our talents to impact the world. “How do you mourn the loss of a fiery talent that was barely a tendril before it was snuffed out? Answer: Read this book. A clear-eyed observer of human nature, Keegan could take a clever idea...and make it something beautiful” (People).

The Rosie Project Text Publishing

From the New York Times bestselling author of The Rosie Project comes a story of taking chances and learning to love again as two people, one mourning her husband and the other recovering from divorce, cross paths on the centuries-old Camino pilgrimage from France to Spain. “The Chemin will change you. It changes everyone...” The Chemin, also known as the Camino de Santiago, is a centuries-old pilgrim route that ends in Santiago de

Compostela in northwest Spain. Every year, thousands of walkers—some devout, many not—follow the route that wends through quaint small villages and along busy highways alike, a journey unlike any other. Zoe, an artist from California who’s still reeling from her husband’s sudden death, has impulsively decided to walk the Camino, hoping to find solace and direction. Martin, an engineer from England, is road-testing a cart of his own design...and recovering from a messy divorce. They begin in the same French town, each uncertain of what the future holds. Zoe has anticipated the physical difficulties of her trek, but she is less prepared for other challenges, as strangers and circumstances force her to confront not just recent loss, but long-held beliefs. For Martin, the pilgrimage is a test of his skills and endurance but also, as he and Zoe grow closer, of his willingness to trust others—and himself—again. Smart and funny, insightful and romantic, Two Steps Forward reveals that the most important journeys we make aren’t measured in miles, but in the strength, wisdom, and love found along the way. Fans of The Rosie Project will recognize Graeme Simsion’s uniquely quirky and charming writing style.

The Man Who Never Was Profile Books(GB)

The feel-good novel of 2013, The Rosie Project is a classic screwball romance. Rights sold into more than forty countries. Don Tillman is getting married. He just doesn’t know who to yet. But he has designed the Wife Project, using a sixteen-page questionnaire to help him find the perfect partner. She will most definitely not be a barmaid, a smoker, a drinker, or a late-arriver.

Rosie Jarman is all these things. She is also fiery and intelligent and beautiful. And on a quest of her own to find her biological father—a search that Don, a professor of genetics, might just be able to help her with. The Wife Project teaches Don some unexpected things. Why earlobe length is an inadequate predictor of sexual attraction. Why quick-dry clothes aren't appropriate attire in New York. Why he's never been on a second date. And why, despite your best scientific efforts, you don't find love: love finds you.

Two Steps Onward Halban Publishers

In this moving, wry, and candid novel, widely acclaimed novelist Ayelet Waldman takes us through one woman's passage through love, loss, and the strange absurdities of modern life. Emilia Greenleaf believed that she had found her soulmate, the man she was meant to spend her life with. But life seems a lot less rosy when Emilia has to deal with the most neurotic and sheltered five-year-old in New York City: her new stepson William. Now Emilia finds herself trying to flag down taxis with a giant, industrial-strength car seat, looking for perfect, strawberry-flavored, lactose-free cupcakes, receiving corrections on her French pronunciation from her supercilious stepson – and attempting to find balance in a new family that's both larger, and smaller, than she bargained for. In *Love and Other Impossible Pursuits* Ayelet Waldman has created a novel rich with humor and truth, perfectly characterizing one woman's search for answers in a crazily uncertain world.

The Rosie Project: By Graeme Simsion | Conversation Starters St.

Martin's Press

WARNING: This is not the actual book *The Rosie Project* by Graeme Simsion. Do not buy this reading Sidekick if you are looking for a full copy of this great book. Let the chapter-by-chapter guide in this sidekick help you explore the thought-provoking issues raised in *The Rosie Project*. You'll also find in-depth character analyses and a breakdown of key symbols. A romance novel full of quirky characters and plenty of humor, Graeme Simsion's *The Rosie Project* begins when a brilliant but socially inept geneticist decides to forgo dating in favor of using a scientific approach to finding a life partner. Living by a strict schedule from which he never deviates; Don Tillman has never had a second date with a woman. This gives rise to the Wife Project; a lengthy questionnaire he believes can eliminate unsuitable candidates and find someone with whom he can finally settle down. Enter Rosie, a wholly unsuitable candidate who isn't interested in the project at all. Instead, she wants his help in discovering the identity of her biological father. Graeme Simsion's *The Rosie Project* beautifully crafts the tale of a man struggling with undiagnosed Asperger's syndrome, trying to fit in. Despite Don and Rosie's seeming incompatibility, Don finds himself drawn to her, willing to deviate from his schedule and act impulsively. Rosie is clearly interested in Don despite his missteps. Will Don be able to help Rosie find her father? Will they both be able to overcome their issues to take the next step in their relationship? Despite a few missteps, *The Rosie Project* is a light, humorous tale loaded with believable characters that will appeal to many readers.
