Work Wife Gramedia Pustaka Utama Christened Reginald Dwight, he was a shy boy with Buddy Holly glasses who grew up in the London suburb of Pinner and dreamed of becoming a pop star. By the age of twenty-three, he was performing his first gig in America, facing an astonished audience in his bright yellow dungarees, a star-spangled T-shirt and boots with wings. Elton John had arrived and the music world would never be the same again. His life has been full of drama, from the early rejection of his work with song-writing partner Bernie Taupin to spinning out of control as a chart-topping superstar; from half-heartedly trying to drown himself in his LA swimming pool to disco-dancing with the Queen; from friendships with John Lennon, Freddie Mercury and George Michael to setting up

his AIDS Foundation. All the while, Elton was hiding a drug addiction that would grip him for over a decade. In *Me* Elton also writes powerfully about getting clean and changing his life, about finding love with David Furnish and becoming a father. In a voice that is warm, humble and open, this is Elton on his music and his relationships, his passions and his mistakes. This is a story that will stay with you, by a living legend.

USA Today Bestselling Author Bethany Lopez brings you an all-new series about getting a second chance at love later in life. Follow Whitney, Summer, Margo, and Charlotte, as they experience the good, bad, and ugly of dating again in your thirties and forties. Join them in *The Jilted Wives Club*. When men let you down, nothing's better than a bourbon straight up. Margo has no time for games. A workaholic businesswoman in a male-dominated industry can't afford any. After a failed attempt at marriage, she's chosen to keep her affairs with men casual... with no strings and no expectations. Aiden has no time for complications. Working two jobs, co-parenting an active little boy, and helping out on his family's farm hasn't left him much time for relationships. And with one divorce under his belt, he has little desire to try again. Margo will never be a *Work Wife* again, but there's something about Aiden that makes her want to let down some walls and see what happens. Can Margo and Aiden find room in their lives for each other, or will Margo be left with nothing but a bourbon straight up?

lo e te, sempre Perfect Sheet Music Alors qu'elle était urgentiste à Bordeaux, Rebecca a tout plaqué pour s'engager dans l'humanitaire. Aujourd'hui volontaire auprès de Médecins Sans Frontières, sa carrière lui semble enfin prendre tout son sens. Et c'est alors qu'elle est installée depuis plus d'un an à Nairobi que le Dr Kovacs rejoint l'équipe. Arrogant et bien trop sûr de lui, le beau Laszlo pourrait n'être qu'un médecin parmi d'autres, sauf que... À peine débarqué, le jeune médecin semble vouloir attirer l'attention en cumulant les aventures. Pire ! En se servant des femmes afin d'obtenir ce qu'il souhaite. Dès le départ, Rebecca le déteste. Le problème ? En plus de se voir au boulot, ils doivent cohabiter dans une villa louée par l'organisation humanitaire. Ce qui pourrait encore à peu près bien se passer si Laz ne faisait pas tout pour provoquer la jeune femme qui tente de l'ignorer malgré le désir qu'elle éprouve pour cet homme bien trop sexy qui l'attire autant qu'il la débecte. Jusqu'au jour où Laszlo prend le poste de chef du dispensaire... et qu'ils ne doivent partir tous les deux sur le terrain pour soigner les blessés d'un conflit armé...

Nun spricht Chandra: Bethany Lopez The first comprehensive biography of the Grammy winner, from shy kid with a stammer to worldwide star: "Well-researched, entertaining."—Publishers Weekly With hits like "Thinking Out Loud," and "Shape of You," Ed Sheeran strikes chords in millions of listeners worldwide—a feat all the more staggering given that he couldn't even carry a tune until the age of fifteen. Bestselling biographer Sean Smith traces the astonishing journey of the shy little English boy with a stammer who recorded an album in his bedroom and grew up to become a global phenomenon, all the while avoiding flashy showmanship. With compelling new research and interviews, Smith delivers the story of Sheeran's remarkable parents, who supported their son's dream long before it seemed achievable; the friends and mentors who encouraged his raw talent; and the lovers who inspired his most famous songs. Smith describes the setbacks Sheeran faced before his fortunes were transformed by Elton John's management company, a record deal, and a song that changed everything—with some help from Taylor Swift. Now Sheeran has sold more than 150 million records worldwide and earned \$432 million touring in 2018 alone—but still made time to play

for just 400 people at a charity night to raise money for the homeless. As this captivating book reveals, there's no one quite like Ed. "Sheeran fans will relish this well-told biography."—Publishers Weekly "[Ed Sheeran] has a huge, rabid fan base that will love the story told here...A bio as affable as the subject himself...informative and inspiring."— Booklist

Tres amigas. Un Erasmus. Y la ciudad eterna, Roma. Llega la nueva serie de Susana Rubio. Resérvate las próximas 24h. Cloe, Marina y Abril llegan a Roma de Erasmus y se encuentran a su vecino, Adriano, en una situación comprometida, lo que provoca que a Cloe no le interese... Pero los polos opuestos se atraen y ellos no pueden ser más diferentes. Cloe tiene TOC y le gusta el orden y la armonía. Adriano es caótico y desorganizado. Cloe ha crecido en un hogar feliz. Adriano no. ¿Son el blanco y el negro? ¿El sol y la luna? ¿El día y la noche? Lo son, pero al mismo tiempo su conexión es muy fuerte. ¿Conseguirán nuestros protagonistas que esa romántica ROMA dé la vuelta para reescribirla al revés y convertirla en AMOR?

Reel: un uomo e il suo inferno. La sua instabilità emotiva e le sue reazioni estreme gli hanno fatto perdere il club di cui era il vice e la donna che amava, e ora lotta costantemente coi demoni che gli sconvolgono la mente, aggrappato alla vita, soltanto grazie alla brama di vendetta. Avery: una ragazza e la sua solitudine. Dopo un'esistenza completamente dedicata agli altri e mai a sé, la sua determinazione e la sua volontà la conducono alla ricerca dell'unico familiare che le è rimasto, il solo con il quale può condividere la sua tristezza e la sua frustrazione. Reel e Avery, tenebra e luce, assieme lotteranno per tornare a vivere, superando il confine tra giusto e sbagliato, tra sano e malato. E questa è la loro follia. Nota autrice: Il romanzo contiene scene violente, quali abusi e umiliazioni. Non adatto a persone sensibili in merito agli argomenti trattati. La Vipers Series narra le vicende di un gruppo di bikers fuorilegge, le cui azioni immorali, criminali e il linguaggio scurrile potrebbero impressionare il lettore. Non vuole porsi come rappresentazione reale dei motorcycle club. Madness è il primo romanzo della Vipers Series, spin-off della Rebels Series. Ogni romanzo è autoconclusivo, ma ci sono dei collegamenti tra l'uno e l'altro. Pertanto è consigliabile, anche se non indispensabile, leggere Madness dopo aver già letto Fire (secondo romanzo della Rebels).
