## CHRIS TRISTEN

---

### Wild Tales Backbeat Books

What if the Trinity we've been taught is not the Trinity of the Bible? In this groundbreaking book, Matthew Barrett reveals a shocking discovery: we have manipulated the Trinity, recreating the Father, Son, and Holy Spirit in our own image. With clarity and creativity, Barrett mines the Scriptures as well as the creeds and confessions of the faith to help you rediscover the beauty, simplicity, and majesty of our Triune God. You will be surprised to learn that what you believe about the Trinity has untold consequences for salvation and the Christian life. To truly know God, you must meet the One who is simply Trinity.

### **American Psycho** City Lights Publishers

A photographic look into the world of vinyl record collectors—including Questlove—in the most intimate of environments—their record rooms. Compelling photographic essays from photographer Eilon Paz are paired with in-depth and insightful interviews to illustrate what motivates these collectors to keep digging for more records. The reader gets an up close and personal look at a variety of well-known vinyl champions, including Gilles Peterson and King Britt, as well as a glimpse into the collections of known and unknown DJs, producers, record dealers, and everyday enthusiasts. Driven by his love for vinyl records, Paz takes us on a five-year journey unearthing the very soul of the vinyl community.

### **Pat Metheny** Picador

"Lew Welch writes lyrical poems of clarity, humor, and dark probings . . . jazz musical phrasings of American speech is one of Welch's clearest contributions." ? Gary Snyder Lew Welch was a brilliant and troubled poet, legendary among his Beat peers. He disappeared in 1971, leaving a suicide note behind. Ring of Bone collects poems, songs, and some drawings, documenting the full sweep of his creative output from his early years until his death. First published by legendary poetry editor Donald Allen, this new edition includes photos, a biographic timeline, and a statement of poetics gleaned from Welch's own writing.

### Hal Leonard Publishing Corporation

The Godfather of Punk and frontman for The Stooges offers insight into his creative world with this collection of lyrics brought to life by full-color photos, never-before-seen notes and memorabilia, short pieces by Iggy, and commentary from other music legends, including Danny Fields and Chris Stein from Blondie. Iggy Pop hasn't left a mark on music; he's left it battered and bruised. From fronting the legendary proto-punk band The Stooges to being inducted into the Rock and Roll Hall of Fame in 2010 to collaborating with an eclectic mix of artists including David Bowie, Debbie Harry, Jarvis Cocker, Death In Vegas, Underworld and Josh Homme, Iggy has proved himself to be one of music's most iconic, outrageous and enduring music artists. Coinciding with the fiftieth anniversary of the first and eponymous The Stooges record, here for the first time are Iggy's collected lyrics, with stunning original photographs, illustrations and his and others' reflections on a genre-defining music

career that spans five decades—the ultimate book for every rock and roll fan.

(Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

### *Chairman at the Board* Hal Leonard Corporation

How do we come by our worldviews and philosophies? What impact did Christianity have on the worldviews that are common to Western civilization? Why You Think the Way You Do traces the development of the worldviews that underpin the Western world. Professor and historian Glenn S. Sunshine demonstrates the decisive impact that the growth of Christianity had in transforming the outlook of pagan Roman culture into one that—based on biblical concepts of humanity and its relationship with God—established virtually all the positive aspects of Western civilization. The two-pronged assault in our time on the biblically based worldview by postmodern philosophy and the writings of neo-atheists has made it even more crucial that we acknowledge and defend its historical roots. This authoritative, accessible survey discusses Western worldviews as a continuous narrative rather than as simply a catalogue of ideas. Why You Think the Way You Do: Traces the effects that changes in worldview had on society. Helps you understand your own worldview and those of other people. Helps you recognize the ways that your worldview, philosophies, beliefs, and presuppositions affect the way you think about everything.

### Mr Tumna! Antique Collector's Club

Between 1820 and 1913, approximately 16,000 black people left the United States to start new lives in Liberia, Africa, in what was at the time the largest out-migration in US history. When Tolbert Major, a former Kentucky slave and single father, was offered his own chance for freedom, he accepted. He, several family members, and seventy other people boarded the Luna on July 5, 1836. After they arrived in Liberia, Tolbert penned a letter to his former owner, Ben Major: "Dear Sir, We have all landed on the shores of Africa and got into our houses.... None of us have been taken with the fever yet." Drawing on extensive research and fifteen years' worth of surviving letters, author Susan E. Lindsey illuminates the trials and triumphs of building a new life in Liberia, where settlers were free, but struggled to acclimate themselves to an unfamiliar land, coexist with indigenous groups, and overcome disease and other dangers. Liberty Brought Us Here: The True Story of American Slaves Who Migrated to Liberia explores the motives and attitudes of colonization supporters and those who lived in the colony, offering perspectives beyond the standard narrative that colonization was driven solely by racism or forced exile.

### *Can't Slow Down* Simon and Schuster

Beyond coverage of mainstream 80s music, such as "hair band" hard rock, pop, new wave, and rap, this compilation of essential musical artists also covers genres like classical, jazz, outlaw country, and music theater. Popular music in the United States during the 1980s is well known for imports from abroad, such as A-ha, Def Leppard, Falco, and Men at Work, as well as homegrown American rock acts such as Guns 'N Roses, Huey Lewis and the News, Bon Jovi, and Poison. But there were many other types of genres of music that never received airplay on the radio or MTV that also

experienced significant evolutions or growth in that decade. Music of the 1980s examines the key artists in specific genres of popular music: pop, hard rock/heavy metal, rock, and country. No other reference book for students has previously explored the surprisingly diverse categories of hard rock and heavy metal music with such detail and depth. Additionally, a chapter focuses on the prominent artists and composers of less-mainstream genres for specialized audiences, including music theater, jazz, and classical music.

**Hollywood Eden** Sheplene Words

Pat Metheny: *The ECM Years, 1977-1984* offers a vivid account of jazz guitarist Pat Metheny's first creative period, during which he recorded eleven albums for the European label ECM. This unique music reflects his passionate belief in the need to refashion jazz in ways which allow it to speak powerfully to a new generation, and the book provides a portrait of a fascinating but often overlooked period in jazz history.

**Pop/Rock Bass Bible (Songbook)** Da Capo Press

The national best-selling autobiography of Bill Graham, the colorful, larger-than-life architect of the modern concert industry

*Playing Back the 80s* University Press of Kentucky

The bass player and founding member Dire Straits shares a behind-the-scenes history of the British rock band. One of the most successful music acts of all time, Dire Straits filled stadiums around the world. Their albums sold hundreds of millions of copies and their music—classics like “Sultans of Swing,” “Romeo and Juliet,” “Money for Nothing,” and “Brothers in Arms” —is still played on every continent today. There was, quite simply, no bigger band on the planet throughout the eighties. In this powerful and entertaining memoir, founding member John Illsley gives the inside track on the most successful rock band of their time. From playing gigs in the spit-and-sawdust pubs of south London, to hanging out with Bob Dylan in LA, Illsley tells the story of the band with searching honesty, soulful reflection, and wry humor. Starting with his own unlikely beginnings in Middle England, he recounts the band's rise from humble origins to the best-known venues in the world, the working man's clubs to Madison Square Garden, sharing gigs with wild punk bands to rocking the Live Aid stage at Wembley. And woven throughout is an intimate portrait and tribute to his great friend Mark Knopfler, the band's lead singer, songwriter, and remarkable guitarist. Tracing an idea that created a phenomenal musical legacy, an extraordinary journey of joy and pain, companionship and surprises, this is John Illsley's life in Dire Straits. Praise for *My Life in Dire Straits* “A forensic and uplifting journey through the sheer hard work, pitfalls, and thrills of navigating a great rock and roll band to the pinnacle of success. I so enjoyed the ride! Onwards, John!” —Roger Taylor, drummer, songwriter, and founding member of Queen “Reading John Illsley's book, I relived so many moments. He captures the early days of the “English bands” and their story—the ups and downs, relationships, craziness, and fun. Of course, the music was key. This really happened!” —Mike Rutherford of Genesis “Fascinating. . . Illsley is brutally frank about the toll that the band's fame had on his relationships, most notably his marriage (“a victim,” he writes, “of my life on the road”). Fans will be mesmerized.” —Publishers Weekly (starred review)

Hey, Al University of Michigan Press

One of Amazon's Best Books of 2016 So Far Music critic Steven Hyden explores nineteen music

rivalries and what they say about life Beatles vs. Stones. Biggie vs. Tupac. Kanye vs. Taylor. Who do you choose? And what does that say about you? Actually--what do these endlessly argued-about pop music rivalries say about us? Music opinions bring out passionate debate in people, and Steven Hyden knows that firsthand. Each chapter in *YOUR FAVORITE BAND IS KILLING ME* focuses on a pop music rivalry, from the classic to the very recent, and draws connections to the larger forces surrounding the pairing. Through Hendrix vs. Clapton, Hyden explores burning out and fading away, while his take on Miley vs. Sinead gives readers a glimpse into the perennial battle between old and young. Funny and accessible, Hyden's writing combines cultural criticism, personal anecdotes, and music history--and just may prompt you to give your least favorite band another chance.

Kay's Lucky Coin Variety House of Anansi

This matte 6"x9" contemplative composition notebook journal is great for folks to write down their notes about their favorite bands. This portable book can even be used as a free-form planner (that you can use to plan your "accidental" celebrity run-ins). It has 120 lined pages and a cover that has an affirming fan message. Quiet reflection has been shown to calm the mind and help retain information. Create a fabulous ritual and reap the benefits! description

*'Til Wrong Feels Right* Rowman & Littlefield

Anyone who has lived near New Haven, Connecticut, in the past 40-plus years has surely heard of Toad's Place. With a capacity of 750, Toad's has served as the perfect spot for musicians who prefer smaller venues. U2 played one of their first US concerts there, on their Boy tour. In 1978, Bruce Springsteen was in New Haven and arrived at Toad's unannounced, and got up and played. The surprises kept coming and the club was attracting big names, as well as up-and-comers. In 1989, the Rolling Stones played a surprise show on a Saturday night, giving 700 fans the night of their dreams. Nothing could have been better—the Rolling Stones in downtown New Haven was unimaginable! That is only a taste of the stories that are uncovered in this book. Randall Beach and Toad's owner Brian Phelps recall the legendary shows and behind-the-scenes stories.

Huey Lewis and the News Stanford Court Press

A provocative inquiry into how we teach our children about bodies, sex, relationships and equality--with revelatory, practical takeaways from the author's research and eye-opening observations from the world-famous Dutch approach Award-winning author Bonnie J. Rough never expected to write a book about sex, but life handed her a revelation too vital to ignore. As an American parent grappling with concerns about raising children in a society steeped in stereotypes and sexual shame, she couldn't quite picture how to teach the facts of life with a fearless, easygoing, positive attitude. Then a job change relocated her family to Amsterdam, where she soon witnessed the relaxed and egalitarian sexual attitudes of the Dutch. There, she discovered, children learn from babyhood that bodies are normal, the world's best sex ed begins in kindergarten, cooties are a foreign concept, puberty is no big surprise, and questions about sex are welcome at the dinner table. In *Beyond Birds and Bees*, Rough reveals how although normalizing human sexuality may sound risky, doing so actually prevents unintended consequences, leads to better health and success for our children, and lays the foundation for a future of gender equality. Exploring how the Dutch example translates to American life, Rough highlights a growing wave of ambitious American parents, educators, and influencers poised to transform sex ed--and our society--for the better, and shows how families

everywhere can give a modern lift to the birds and bees. Down to earth and up to the minute with our profound new cultural conversations about gender, sex, power, autonomy, diversity, and consent, Rough's careful research and engaging storytelling illuminate a forward path for a groundbreaking generation of Americans who want clear examples and actionable steps for how to support children's sexual development--and overall wellbeing--from birth onward at home, in schools, and across our evolving culture.

*Why You Think the Way You Do* Seal Press

An instant New York Times bestseller! The definitive biography of guitar legend Stevie Ray Vaughan, with an epilogue by Jimmie Vaughan, and foreword and afterword by Double Trouble's Chris Layton and Tommy Shannon. Just a few years after he almost died from a severe addiction to cocaine and alcohol, a clean and sober Stevie Ray Vaughan was riding high. His last album was his most critically lauded and commercially successful. He had fulfilled a lifelong dream by collaborating with his first and greatest musical hero, his brother Jimmie. His tumultuous marriage was over and he was in a new and healthy romantic relationship. Vaughan seemed poised for a new, limitless chapter of his life and career. Instead, it all came to a shocking and sudden end on August 27, 1990, when he was killed in a helicopter crash following a dynamic performance with Eric Clapton. Just 35 years old, he left behind a powerful musical legacy and an endless stream of What Ifs. In the ensuing 29 years, Vaughan's legend and acclaim have only grown and he is now an undisputed international musical icon. Despite the cinematic scope of Vaughan's life and death, there has never been a truly proper accounting of his story. Until now. *Texas Flood* provides the unadulterated truth about Stevie Ray Vaughan from those who knew him best: his brother Jimmie, his Double Trouble bandmates Tommy

Shannon, Chris Layton and Reese Wynans, and many other close friends, family members, girlfriends, fellow musicians, managers and crew members.

*Music of the 1980s* Ten Speed Press

"Vinyl, once thought to be a dying market, is now facing a major revival. Pop culture writer and historian Jennifer Otter Bickerdike interviews some of our most iconic artists, including hip-hop stars, Indie legends, DJs, producers, album cover designers, photographers, label founders and record store owners. Each superstar and superfan talks about their own experiences of vinyl and what it means to them ... Includes interviews with Fat Boy Slim, Tim Burgess (Charlatans), Henry Rollins (musician, actor, writer, comedian), Gaz Coombes (Supergrass), Lars Ulrich (Metallica), Maxi Jazz (Faithless), Rob da Bank (DJ and founder of Bestival), [and others]"--Publisher's description.

**Bill Graham Presents** Diversion Books

Hugh Anthony Cregg III, known professionally as Huey Lewis, is a Grammy-winning American singer, songwriter, and actor. Lewis sings lead and plays harmonica for his band, Huey Lewis and the News, in addition to writing or co-writing many of the band's songs.

*Steve Winwood--roll with it* Baker Books

Huey Lewis and the News

**Huey Lewis and the News - "Fore" - (Piano - Vocal)** Bloomsbury Publishing USA

Thanks to the dawn of MTV and the affordability of the synthesizer, a generation of innovative artists created one of the last great glory eras of pop music. *Playing Back the 80s* features original interviews with over sixty artists, producers, session players, writers and others who were directly involved with the most memorable songs of the decade.
