This unique reference work on the history of European imperialism is designed to provide a ready reference tool for students and scholars. Its major focus is the Spanish, Portuguese, British, Dutch, French, German, Belgian, and Italian empires during the past 500 years. The dictionary offers brief descriptive essays on a variety of topics--colonies, prominent individuals, legislation, treaties, conferences, wars, revolutions, and technologies. References at the end of each entry provide sources of additional information for those interested in further research. Cross-references within the text help the reader to find related items.

Jame é a história de Jaime, um garoto que sonhava continuar a estudar após concluir a 4.^a classe, mas, no tempo em que viveu, as condições económicas dos seus pais e do seu país não lho permitiram. A amizade de um jovem mais velho fez com que ele desse o primeiro passo na concretização do seu sonho e a generosidade de um Professor proporcionou-lhe a sua continuidade. Terá a paixão maternal de uma amiga ditado o seu fim? O seu amigo viveu uma história de amor dramática e a Teoria de Hitler fez mais uma vítima. Teremos, ou não, um país maravilhoso? *The Third Portuguese Empire, 1825-1975* Carcanet Press Limited
 THIS CASEBOOK contains a selection of U. S. Court of Appeals decisions that analyze, interpret, and discuss the doctrine of Chevron deference in environmental law cases. Volume 1 of the casebook covers the District of Columbia Circuit and the First through the Fifth Circuit Court of Appeals. * * * "We evaluate challenges to

an agency's interpretation of a statute that it administers within the two-step Chevron deference framework." *Catskill Mountains Chapter of Trout Unlimited, Inc. v. EPA*, 846 F.3d 492, 507 (2d Cir. 2017) (citing *Lawrence + Mem'l Hosp. v. Burwell*, 812 F.3d 257, 264 (2d Cir. 2016)); see *Chevron U.S.A. Inc. v. Nat. Res. Def. Council, Inc.*, 467 U.S. 837, 842-43, 104 S.Ct. 2778, 81 L.Ed.2d 694 (1984). At Chevron Step One, we ask "whether Congress has directly spoken to the precise question at issue." *Chevron*, 467 U.S. at 842, 104 S.Ct. 2778. If Congress's directive is unambiguous, both the agency and the courts are bound by that mandate. *Id.* at 842-43, 104 S.Ct. 2778. If, instead, "the statute is silent or ambiguous with respect to the specific issue," the analysis proceeds to Chevron Step Two. *Id.* at 843, 104 S.Ct. 2778; see also *Catskill Mountains*, 846 F.3d at 507. At that step, "the question for the court is whether the agency's answer is based on a permissible construction of the statute." *Chevron*, 467 U.S. at 843, 104 S.Ct. 2778. In evaluating reasonableness at

Chevron Step Two, "we will accord deference to the agency's interpretation of the statute so long as it is supported by a p.170 reasoned explanation, and 'so long as the construction is a reasonable policy choice for the agency to make.'" *Catskill Mountains*, 846 F.3d at 507 (quoting *Nat'l Cable & Telecomms. Ass'n v. Brand X Internet Servs.*, 545 U.S. 967, 986, 125 S.Ct. 2688, 162 L.Ed.2d 820 (2005)). Because "a statute's ambiguity constitutes an implicit delegation from Congress to the agency to fill in the statutory gaps," the agency's interpretation must only be reasonable, and need not be the sole permissible or even most reasonable interpretation of the statute. *Id.* at 520 (quoting *FDA v. Brown & Williamson Tobacco Corp.*, 529 U.S. 120, 159, 120 S.Ct. 1291, 146 L.Ed.2d 121 (2000)); see also *Entergy Corp. v. Riverkeeper, Inc.*, 556 U.S. 208, 218, 129 S.Ct. 1498, 173 L.Ed.2d 369 (2009). *Natural Resources Defense Council, Inc. v. US EPA*, 961 F. 3d 160 (2nd Cir. 2020)

The Aesthetics and Affects of Cuteness
Policy Press

Knowing where things are seems effortless. Yet our brains devote tremendous power to figuring out simple details about spatial relationships. Jennifer Groh traces this mental detective work to show how the brain creates our sense of location, and makes the case that the brain's systems for thinking about space may be the systems of thought itself. *Ideas to Postpone the End of the World* Routledge

With international human rights under challenge, this book represents a comprehensive critique that adds a social policy perspective to recent political and legalistic analysis. Expert contributors draw on local and global examples to review constructs of universal rights and their impact on social policy and human welfare. With thorough analysis of their strengths, weaknesses and enforcement, it sets out their role in domestic and geopolitical affairs. For those with an interest in social policy, ethics, politics and international relations, this is an honest appraisal of both the concepts of international human rights and their realities.

The Urgency of Theory House of Anansi
Cuteness is one of the most culturally pervasive aesthetics of the new millennium and its rapid social proliferation suggests that the affective responses it provokes find particular purchase in a contemporary era marked by intensive media saturation and spreading economic precarity. Rejecting superficial assessments that would deem

the ever-expanding plethora of cute texts trivial, *The Aesthetics and Affects of Cuteness* directs serious scholarly attention from a variety of academic disciplines to this ubiquitous phenomenon. The sheer plasticity of this minor aesthetic is vividly on display in this collection which draws together analyses from around the world examining cuteness's fundamental role in cultural expressions stemming from such diverse sources as military cultures, high-end contemporary art worlds, and animal shelters. Pushing beyond prevailing understandings that associate cuteness solely with childhood or which posit an interpolated parental bond as its primary affective attachment, the essays in this collection variously draw connections between cuteness and the social, political, economic, and technological conditions of the early twenty-first century and in doing so generate fresh understandings of the central role cuteness plays in the recalibration of contemporary subjectivities.

In this accessible introduction, Inge Tvedten traces Angolas turbulent past, with a particular focus on the devastating impacts that five centuries of Portuguese colonial rule and over two decades of civil war have had on the Angolan people. He analyzes how Angolas resources were drained through slavery and exploitation, discusses the role Angola Bad Boys Ahoy! Lucien's Gamble Q E D Press

"Ailton Krenak's ideas inspire, washing over you with every truth-telling sentence. Read this book." — Tanya Talaga, bestselling author of *Seven Fallen Feathers* Indigenous peoples have faced the end of the world before. Now, humankind is on a collective march towards the abyss. Global pandemics, extreme weather, and massive wildfires define this era many now call the Anthropocene. From Brazil comes Ailton Krenak, renowned Indigenous activist and leader, who demonstrates that our current environmental crisis is rooted in society's flawed concept of "humanity" — that human beings are superior to other forms of nature and are justified in exploiting it as we please. To stop environmental disaster, Krenak argues that we must reject the homogenizing effect of this perspective and embrace a new form of "dreaming" that allows us to regain our place within nature. In *Ideas to Postpone the End of the World*, he shows us the way.

Lucien's Gamble Lucien Remington's reputation as a debauched libertine who plays by no one's rules--in business or the bedroom--is well deserved. He gets what he wants, social repudiation be damned. But society can keep from him the one thing he truly desires, the untouchable Lady Julienne La Coeur. Until she sneaks into his club dressed as a man and searching for her irresponsible brother. Suddenly she's in Lucien's grasp, his to take, and his mind is filled with the most wickedly sinful thoughts. A gentleman would walk away from the temptation she presents. But then, Lucien has never claimed to be a gentleman. . .

Environmental Law Cases: Volume 1
Seven Stories Press

This book is the result of a conference organised by the Contemporary Portuguese Political History Research Centre (CPHRC) and the University of Dundee that took place during September 2000. The purpose of this conference, and the resulting book, was to bring together various experts in the field to analyse and debate the process of Portuguese decolonisation, which was then 25 years old, and the effects of this on the Portuguese themselves. For over one century, the Portuguese state had defined its foreign policy on the basis of its vast empire – this was the root of its 'Atlanticist' vision. The outbreak of war of liberation in its African territories, which were prompted by the new international support for self determination in colonised territories, was a serious threat that undermined the very foundations of the Portuguese state. This book examines the nature of this threat, how the Portuguese state initially attempted to overcome it by force, and how new pressures within Portuguese society were given space to emerge as a consequence of the colonial wars. This is the first book that takes a multidisciplinary look at both the causes and the consequences of Portuguese decolonisation – and is the only one that places the loss of Portugal's Eastern Empire in the context of the loss of its African Empire. Furthermore, it is the only English language book that relates the process of Portuguese decolonisation with the search for a new Portuguese vision of its place in the world. This book is intended for anyone who is interested in regime change, decolonisation, political revolutions and the growth and development of the European Union. It will also be useful for those who are interested

in contemporary developments in civil society and state ideologies. Given that a large part of the book is dedicated to the process of change in the various countries of the former Portuguese Empire, it will also be of interest to students of Africa. It will be useful to those who study decolonisation processes within the other former European Empires, as it provides comparative detail. The book will be most useful to academic researchers and students of comparative politics and area studies.

Journeys from Past to Present Peter Lang Limited, International Academic Publishers

A story by Nobel Prize-winning writer Jose Saramago, gorgeously illustrated in woodcuts by one of Brazil's most famous artists. When a lizard appears in the neighborhood of Chiado, in Lisbon, it surprises passers-by, and mobilizes firefighters and the army. With a clear and precise style, the fable offers a multitude of senses, reaching audiences of all ages. "The Lizard" is a short story included in *A Bagagem do Viajante* (1973), a volume that brought together the Saramago chronicles for the newspaper *A Capital* and the weekly *Jornal do Fundão* between 1971 and 1972. Translated by Nick Caistor and Lucia Caistor, *The Lizard*, is an illustrated version of the chronicle by J. Borges.

By weaving together thematic and regional perspectives in coherent chronological narratives, Goucher and Walton transform the overwhelming sweep of the human past into a truly global story that is relevant to the contemporary issues of our time. Revised and updated throughout, the second edition of this innovative textbook combines clear chronological progression with thematically focused chapters divided into six parts as follows: PART 1. EMERGENCE (Human origins to 500 CE) PART 2. ORDER (1 CE-1500 CE) PART 3. CONNECTIONS (500-1600 CE) PART 4. BRIDGING WORLDS (1300-1800 CE) PART 5. TRANSFORMING LIVES (1500-1900) PART 6. FORGING A GLOBAL COMMUNITY (1800- Present) The expanded new edition features an impressive full-color design with a host of illustrations, maps and primary source excerpts integrated throughout. Chapter opening timelines supply context for the material ahead, while end of chapter questions and annotated additional resources provide students with the tools for independent study. Each chapter and part boasts introductory and summary essays that guide the reader in comprehending the relevant theme. In addition, the companion website offers a range of resources including an interactive historical timeline, an indispensable study skills section for students, tips for teaching and learning thematically, and PowerPoint slides, lecture material and discussion questions in a password protected area for instructors. This textbook provides a basic introduction for all students of World History, incorporating thematic perspectives that encourage critical thinking, link to globally relevant contemporary issues, and stimulate further study.
