It's almost Christmas, and Emery Hazard finds himself face to face with his own personal nightmare: going on a double date with his partner—and boyhood crush—John-Henry Somerset. Hazard brings his boyfriend; Somers brings his estranged wife. Things aren't going to end well. When a strange call interrupts dinner, however, Hazard and his partner become witnesses to a shooting. The victims: Somers's father, and the daughter of a high school friend. The crime is inexplicable. There is no apparent motive, no connection between the victims, and no explanation for how the shooter reached his targets. Determined to get answers, Hazard and Somers move forward with their investigation in spite of mounting pressure to stop. Their search for the truth draws them into a dark web of conspiracy and into an even darker tangle of twisted love and illicit desire. And as the two men come face to face with the passions and madness behind the crime, they must confront their own feelings for each other—and the hard truths that neither man is ready to accept.

Beard With Me' is the origin story of Billy Winston and Scarlet St. Claire (aka Claire McClure) and is just the beginning of their epic love story. No one is better at surviving than Scarlet St. Claire and making the best out of circumstances beyond her control is Scarlet's specialty. In an apocalyptic situation, she'd be the last person on earth, hermitting like a pro, singing along to her CD

Walkman, and dancing like no one is watching. Scarlet is clever, Scarlet is careful, and Scarlet is smart . . . except when it comes to Billy Winston. No one is better at fighting than Billy Winston and raging against his circumstances--because nothing is beyond his control--is Billy's specialty. In an apocalyptic situation, he'd be the first person on earth to lead others to safety, overcome catastrophe, or die trying. Billy is fearless, Billy is disciplined, and Billy is honorable . . . except when it comes to Scarlet St. Claire.
