A New York Times Bestseller! Narwhal and Jelly spread some holiday cheer (and warm waffle pudding) in the festive fifth book of this blockbuster graphic novel series! Dive into three new stories about Narwhal's favorite time of the year! It's the festive season in the world wide waters, and Narwhal is looking forward to cozying up with a good book, singing and partying with pod pals and enjoying some warm waffle pudding. But most of all Narwhal is excited about the arrival of the Merry Mermicorn! According to Narwhal, she's part mermaid, part unicorn and completely mer-aculous! Jelly is of course skeptical about the existence of the "Mira-Miny-What-A Corn" . . . even when he receives a mysterious present. It must be from Narwhal. Now Jelly has to get the perfect gift, but finding a present for someone as unique as Narwhal is no easy feat, even when you have six tentacles. How will Jelly ever come up with a whaley great gift for a best pal who spreads cheer all through the year?

A Book about Shapes Teaching Resources

Ed Emberley shies away from calling himself an artist and instead likes to say that "he draws pictures for a living." Now in his eighties, Ed Emberley is a Caldecott award-winning children's book illustrator and writer who has been creating original books since the 1960s. He has written and illustrated more than 100 books and is perhaps best known for his beloved how-to-draw books for kids such as: Ed Emberley's Big Green Drawing Book, Ed Emberley's Drawing Book of Faces, and Ed Emberley's Great Thumbprint Drawing Book, and many others. These simple and straightforward books, first published in the 1970s, have encouraged a generation of kids to take the drawing process step by step. Contemporary working artists today often cite Ed Emberley as a beloved early inspiration in their development as artists. By encouraging kids to draw using just a few simple shapes, Emberley has made drawing and creating accessible to everyone. As Emberley likes to say, "Not everyone needs to be an artist, but everyone needs to feel good about themselves." This definitive monograph on the wide repertoire of Emberley's life's work has been beautifully put together by Todd Oldham and Caleb Neelon. Highlighting work spanning over five decades, this gorgeous and comprehensive book celebrates the talented and prolific life of Ed Emberley.

FORTNITE (Official): How to Draw 2 Little, Brown Books for Young Readers

"Todd Doughty is one of the happiest people on the planet. He finds things big and small that make us smile, and in this wonderful book he shares them with a world he cherishes."—John Grisham "A poetic, sparkling gem you'll want to pick up every time you need a smile. It's the ultimate compendium of joy."—Kevin Kwan An enchanting collection of lists, musings, prompts, and illustrations that will inspire you to cherish all of the things—from the extraordinary to the everyday,

from the big to the little--that bring hope into our lives On March 11, 2020, the day the World Health Organization declared the coronavirus a global pandemic and all of our lives began to change in unprecedented ways, Todd Doughty knew he needed to do something to help him stay connected to the everyday joys of daily life. So he wrote down a list of things that make him happy: The musical intro to "All Things Considered." Someone forgiving you. Someone believing in you. Your foot sticking out from under a blanket in order to find the cool spot. Freshly cut yellow tulips. A really good burger. Many, many lists later, Little Pieces of Hope pulls together the best of Doughty's lists along with never-before-seen entries, essays, musings, prompts, quotes, and playlists that offer solace, connection, and a daily touchstone of joy in a difficult world. A beautiful keepsake full of gorgeous illustrations, Little Pieces of Hope is brimming with the pleasures of life, inspiring readers to look for and celebrate the good things that surround us.
