### **Twisted Ghost Stories: A Set of Seven 15-Minute Ghost Stories with a Twist of Humor**

Learning Island

A dictionary for elementary school students featuring word histories, synonym paragraphs, a spelling table, and a reference appendix with maps and tables.

### **The Haunted Ghost: A Scary 15-Minute Ghost Story for Brave Souls**

Wildside Press LLC

In this third edition, bestselling author Sue Cowley offers advice on improving skills and confidence, and getting students excited about writing - not just in literacy or English, but across the curriculum. This book is full of engaging and creative approaches for writers at all stages of confidence and competence: from children just starting to write, to experienced learners looking to perfect their own style. This edition includes new material on: • writing in the Digital Age • creative ideas for getting boys to write • cross-curricular writing projects On the

companion website you'll find lots of useful extras, including advice about the teacher as writer - how you can use your writing skills beyond the school.

This thoroughly practical guide will interest all educators who want to maximise the potential of every one of their students. It is an invaluable resource for teachers working at secondary and FE level, but equally a source of inspiration and practical advice for practitioners in primary schools.

Getting the Buggers to Write Routledge

Just when you thought it was safe to peek out from under the covers, along comes Ghost Stories of Canada to remind you that there are plenty of ghouls to watch out for in the True North. Ghost Stories of Canada is a collection of one hundred of the eeriest accounts of ghosts, poltergeists, and hauntings ever told in Canada. Included are descriptions of some the most spine-tingling mysteries of the past - the Mackenzie River Ghost, the Baldoon Mystery, the Wynyard Apparition, and the Great Amherst Mystery, to name a few. There are also first-hand narratives of the ghostly experiences of present-

day men and women from all walks of life in all parts of the country. This is a book to sit awake with - especially on a dark and stormy night!

Japanese Ghost Stories

The Scarecrow: A 15-Minute Horror Story for Brave Souls

Thirteen stories, including "The Willows" —

acclaimed by Lovecraft as the finest supernatural story ever written — "The Wendigo," "Ancient Sorceries," and others. Includes an introduction by E. F. Bleiler.

*Nelson English - Book 4*

*Teacher's Guide* Dundurn

The first few years of teaching are critical to the professional development of effective English teachers. In these crucial years, new teachers establish their identities, learn the ins and outs of the curriculum, acclimate to unfamiliar communities, and cope with student behaviors that they never expected. All of this can be daunting for novice teachers. This book can help. The stories within are written by English teachers in the early stages of their careers. In their carefully crafted narratives, teachers offer practical strategies, professional insights, and a wealth of tips for surviving the first

years in the classroom. The narratives are grouped into thematic chapters with brief introductions of key terms, helpful learning activities, and provocative discussion questions, all intended to foster critical conversation about beginning a career teaching English. In a time when many teachers leave the profession too soon, *Early Career English Teachers in Action* gives voice to those who have decided to stay. More importantly, this book validates teacher narratives as a powerful way of understanding what happens inside of the classroom—a way that provides more authentic evidence of learning than standardized test scores will ever supply.

*ADJECTIVES* Cambridge University Press  
 "A fascinating history of a wonderful old theatre." - Hume Cronyn  
 In September of 1901 London's New Grand Opera House flung open its doors. Boasting a beautiful interior design, and with the most modern stage equipment available, the theatre was large enough to accommodate over 1,700 patrons and the largest touring shows of the time. With impresario Ambrose

J. Small at the helm, a new era in theatrical entertainment began. Throughout the next hundred years, the Grand Theatre hosted everything from stock companies to minstrel shows, from vaudeville to star-studded productions. The celebrated amateur theatre company, London Little Theatre, made The Grand its home for decades. As Canadian theatre came into its own in the 1970s, The Grand embraced professional theatre status.

Throughout all these changes The Grand has remained London's "Grand Old Lady of Richmond Street." Legendary performers from the past, including the Marks Brothers, Anna Pavlova and John Gielgud have graced its vast stage, as have such contemporary stage stars as Hume Cronyn, William Hutt and Martha Henry. This extensively researched book, lavishly illustrated, lovingly documents the life of The Grand. Theatre stories from every decade of The Grand's colourful life abound throughout. To read this book is to come to know London's Grand Theatre in all its architectural splendour and its legacy in Canadian

theatre history.

*Skills in English* Courier Corporation

"Ah, this one was going to be easy," Martin thought to himself. "A single woman living alone." He had haunted families, bachelors, and old maids before. None of them lasted more than a week. He had his favorites, of course. There was the young lad whose family refused to believe he had seen a ghost! They kept hollering at him and insisting there was no such thing when he was right there behind them the whole time, plain as day! When they finally turned around, their jaws dropped. All he had to do was utter a simple "Boo" and they ran screaming in terror from the house. They even left all their things behind. Not that he had any use for them, but it was a nice gesture, he thought. Gave him something else to throw at people who moved in. He didn't like throwing his own things. After all, they were his prized possessions. He had had them in the house when he lived there. And he still lived there, just not in an earthly form. Find out what happens to the new owner of this haunted house in this short by creepy tale. Ages 9 and

up. Educational Versions have exercises designed to meet Common Core standards. LearningIsland.com believes in the value of children practicing reading for 15 minutes every day. Our 15-Minute Books give children lots of fun, exciting choices to read, from classic stories, to mysteries, to books of knowledge. Open the world of reading to a child by having them read for 15 minutes a day.

*Roald Dahl's Book of Ghost Stories* Cambridge University Press

With entries that range from specific works to authors, folklore, and popular culture (including music, film, television, urban legend, and gaming), this book provides a single-volume resource on all things ghostly in the United States and in other countries. • Provides accessible, interesting, and fun-to-read information authored by expert researchers and coedited by scholars who are experts on the topic of ghosts across human culture • Presents analytical discussions of the figure of the ghost in each work that will be beneficial to students in film studies, English, or other classes tasked with

writing an essay on the horror genre or ghost films and books • Explores how the idea of the ghost implies belief in there being more to human existence than the physical body and is intrinsically connected to the concept of the afterlife—and how these concepts often coexisted uneasily with beliefs regarding afterlife in religious theologies

**THE COLLECTED WORKS OF ALGERNON BLACKWOOD (10 Novels & 80+ Short Stories in One Edition)** Routledge

I had found it! This house was the perfect place to write the great American novel. I tumbled into bed, anxious to start the next day. Within half an hour, I was awake again. The sounds were back. I got up and peered out the window. That's when I saw it. In the ghostly light of a half moon shining through the darkness, I saw a young girl chopping at the trunk of a huge oak tree behind the house. She was only about five or six years old, wearing a tattered dress that was soaked in the rain. The rain masked her tears, but I could see by the expression on her face that she was crying. With a small ax, that was more

like a hatchet, she was chopping and chopping at the huge trunk of the tree. Why is the child chopping at the tree, and what secrets does it hold inside? Find out in this chilling ghost story. Ages 9 and up. Educational Versions have exercises designed to meet Common Core standards. LearningIsland.com believes in the value of children practicing reading for 15 minutes every day. Our 15-Minute Books give children lots of fun, exciting choices to read, from classic stories, to mysteries, to books of knowledge. Open the world of reading to a child by having them read for 15 minutes a day.

**Four Corners Level 3 Full Contact with Self-study CD-ROM** Cambridge University Press

Meet the ghosts, werewolves, and spooky creatures who inhabit this book: A persistent ghost who refuses to give up the woman he loves, even though she doesn't love him! A woman who insists on haunting a ghost! A spooky house visited by two daring young trick-or-treaters. A werewolf visiting a small, but suspicious town. A haunted bicycle. And more! This set of seven

spooky ghost stories all have a twist of humor, or a surprise ending meant to tickle the fancy.

Educational Versions have exercises designed to meet Common Core standards.

LearningIsland.com believes in the value of children practicing reading for 15 minutes every day. Our 15-Minute Books give children lots of fun, exciting choices to read, from classic stories, to mysteries, to books of knowledge. Many of these books are suitable for hi-lo readers. Open the world of reading to a child by having them read for 15 minutes a day.

*Wrong Way Round Hall: A Scary 15-Minute Ghost Story* AOL-Verlag

Out in the Atlantic lies an island shaped like a huge footprint with amputated toes. A ridge of mountains runs the length of the island. On one side the island is covered with a beautiful town. Mansions dot the hillsides and once beautiful gardens stretch out before them. But all the inhabitants of these wondrous homes reside on the other side of the island. If you look over the crest of the hills, you will see the vast expanse of a graveyard stretching from one end of the island to the other. For this is the

Isle of Death. Find out what happened in this short, but creepy tale. Ages 9 and up.

Educational Versions have exercises designed to meet Common Core standards.

LearningIsland.com believes in the value of children practicing reading for 15 minutes every day. Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! Adjectives are words like hairy, scary, cool, and ordinary. Simple, rhyming text and colorful cartoon cats help children expand their vocabularies and gain an appreciation for the rhythm of language in this lighthearted book of rhyming verse. Adjectives like frilly, silly, polka-dotted, fizzy, and spunky are printed in color, and all the words will tickle you pink!

Creating Writers Sarup & Sons

Schlüssig und ansprechend zu schreiben, ist schon in der Muttersprache nicht einfach. Im Englischen steigt der Schwierigkeitsgrad noch einmal an. Mit kreativen und vielfältigen Schreibaufgaben werden Schüler ermuntert, sich auf Englisch auszudrücken. Die Schüler arbeiten an eigenen "writing projects" und bekommen konkrete Materialien und Tipps zur Überarbeitung ihrer Texte an die Hand. Sie lernen, angeleitet kleine Geschichten zu schreiben und mithilfe von

Adjektiven und Konjunktionen Sätze ausdrucksstärker zu machen. So wird das Lehrplanthema "Texte schreiben" sinnvoll vertieft und variiert. Beurteilungshilfen ermöglichen es Ihnen, die Texte zeitsparend und transparent zu bewerten. *Scary Stories for Young Foxes* Learning Island Four Corners is an integrated four-skills English course for adults and young adults. Four Corners Full Contact with Self-study CD-ROM, Level 3 includes four key components of the Four Corners series: Student's Book, Workbook, Video Activity Sheets, and Self-study CD-ROM.

*Deathscapes* Routledge Each pair of units is supported by the Teachers Guide. The Teachers Guide fully supports the programme giving all the guidance you need to help you pupils work through the two pupil books. In the Teachers Guide there are suggestions for homework and independent study.

### **Four Corners Level 3 Student's Book A with Self-study CD-ROM**

Michael Joseph Four Corners is an integrated four-skills English course for adults and young adults. Four

Corners Student's Book A with Self-study CD-ROM, Level 3 is designed for low intermediate students requiring a thorough presentation of basic grammar, vocabulary, and functional language. Units 1-6 cover high-interest topics such as style, interesting lives, our world, personalities, and the environment. In Four Corners, multiple speaking activities in every lesson tied to measurable outcomes help students and teachers see the results of their learning. Additional 'Keep Talking' activities help students develop fluency. As with other levels of Four Corners, an extensive set of print and electronic course components is available to help develop students' communication and confidence.

*Descriptosaurus: Ghost Stories* Lerner Digital™ In order to teach writing effectively, teachers must be able to model writing effectively to children. The Primary National Curriculum sets challenging expectations for the teaching of writing. Children must master the process of composition, redrafting, editing and writing final pieces.

Best Sellers - Books :

Increased emphasis on spelling, punctuation and grammar may leave some teachers and trainee teachers lacking ideas for developing children's writing beyond transcription and into composition. It is important that they are able to demonstrate their knowledge and understanding, as well as the practical applications of both transcriptional and compositional aspects of writing.

*Webster's II Children's Dictionary* ABC-CLIO Caught in the grip of savage religious war, fear of sorcery and the devil, and a deepening crisis of epistemological uncertainty, the intellectual climate of late Renaissance France (c. 1550-1610) was one of the most haunted in European history.

Although existing studies of this climate have been attentive to the extensive body of writing on witchcraft and demons, they have had little to say of its ghosts. Combining techniques of literary criticism, intellectual history, and the history of the book, this study examines a large and hitherto unexplored

corpus of ghost stories in late Renaissance French writing. These are shown to have arisen in a range of contexts far broader than was previously thought: whether in Protestant polemic against the doctrine of purgatory, humanist discussions of friendship, the growing ethnographic consciousness of New World ghost beliefs, or courtroom wrangles over haunted property. Chesters describes how, over the course of this period, we also begin to see emerge characteristics recognisable from modern ghost tales: the setting of the 'haunted house', the eroticised ghost, or the embodied revenant. Taking in prominent literary figures including Rabelais, Ronsard, Montaigne, d'Aubigné, as well as forgotten demonological tracts and sensationalist pamphlets, *Ghost Stories in Late Renaissance France* sheds new light on the beliefs, fears, and desires of a period on the threshold of modernity. It will be of interest to any scholar or student working in the field of early modern European history, literature or thought.
