Based on supermodel Georgie Badiel's childhood, a young girl dreams of bringing clean drinking water to her African village With its wide sky and warm earth, Princess Gie Gie's kingdom is a beautiful land. But clean drinking water is scarce in her small African village. And try as she might, Gie Gie cannot bring the water closer; she cannot make it run clearer. Every morning, she rises before the sun to make the long journey to the well. Instead of a crown, she wears a heavy pot on her head to collect the water. After the voyage home, after boiling the water to drink and clean with, Gie Gie thinks of the trip that tomorrow will bring. And she dreams. She dreams of a day when her village will have cool, crystal-clear water of its own. Inspired by the childhood of African-born model Georgie Badiel, acclaimed author Susan Verde and award-winning author/illustrator Peter H. Reynolds have come together to tell this moving story. As a child in Burkina Faso, Georgie and the other girls in her village had to walk for miles each day to collect water. This vibrant, engaging picture book sheds light on this struggle that continues all over the world today, instilling hope for a future when all children will have access to clean drinking water.

Speak Up, Molly Lou Melon Chronicle Books

Meet Imogene Tripp, a plucky girl with a passion for history. As a baby, her first words were "Four score and seven years ago." In preschool, she finger-painted a map of the Oregon Trail. So it's not surprising that when the mayor wants to tear down the long-neglected Liddleville Historical Society to make room for a shoelace factory, Imogene is desperate to convince the town how important its history is. But even though she rides through the streets in her Paul Revere costume shouting, "The bulldozers are coming, the bulldozers are coming!" the townspeople won't budge. What's a history-loving kid to do? Filled with quotes from history's biggest players—not to mention mini-bios—and

lots of humor, this is the perfect book for budding historians. "This girl-power story succeeds as an energetic—and funny—against-all-odds tale." —The Horn Book Magazine, Starred

Incredible Me! Knopf Books for Young Readers

Every wish is fulfilled on the First of October.

Groundhog's Day Off Scholastic Inc.

In her heartfelt and humorous novel, Bauer (*Hope Was Here*) leaves teenage girl protagonists in favor of a middle-grade boy as she did also in *Sticks* (1996). But her fans won't be disappointed. At first, 12-year-old Tree, "six feet, three and a half inches and growing," only literally "stands tall." At

school, Coach Glummer expects him to lead the basketball team (though he's not very athletic) and teachers expect him to act older than his age. On the home front which shifts weekly due to his parents' recent divorce and joint custody arrangement Tree is the glue of his family. He helps care for his Vietnam vet grandfather (who recently had a leg amputated) while worrying about his aging dog, Bradley, his two college-student brothers and his parents. Bolstered by his budding friendship with the outspoken new girl at school, Sophie, and by Grandpa, Tree finds an inner strength that helps him deal with just about anything including a natural disaster. Bauer once again creates a clan of believable characters scrambling to make the best of their particular brand of dysfunction. Her swiftly paced story artfully blends poignant and outright funny moments, resulting in a triumphant tale that will resonate with many young readers. Ages 10-up.
