## **EVIE BURNS**

---

The Sexual Crimes & Serial Murders of Morris Solomon Jr. Aristotle Books  
This is the most terrifying urban tale since the original motion picture, Candyman. Kenny Robbins, Author of Nobodys Hostage The Lomax Brown projects in D-Town are experiencing a preponderance of brutal murders. Human carcasses and the dismembered remains of men of all ages are being found throughout the twin cities

largest urban housing development, and in various locations on the city's eastside. Discovered in dumpsters, in alleyways, and within the units of the horde of massive buildings that comprise the infamous projects are the remnants of fathers, sons, grandsons, and husbands, deprived of their heads, genitals, and entrails by a mysterious and unseen evil that would come to be known as the eastside ripper. The killings began a month after the death of Lorenzo Ren Hickem, a long-term and well known resident of the Browns who was savagely

murdered while soliciting the services of an A-Town prostitute on A-Town's notorious Nile Ave. After the killings had begun, rumors immediately began to circulate throughout the community about the late Ren's vengeful revenant being the culprit, considering that very few if any believed that a normal person could be responsible for these deeds because of the brutal and heinous nature of the killings. And as the body count continues to pile up, the residents of the Browns and inhabitants of the entire eastside community find themselves on the perils of familial and

communal collapse because of the mass hysteria that inevitably ensued. Unsurprisingly, the initial questions of who or what could it be? burgeoned into the portentous and foreboding who will be next?

Murder of A Beauty Queen / The Gold Bar

Murder Roaring Brook Press

Beautiful Menace (or Viral Violence) Half Japanese and half Jamaican, Aoki is young, beautiful, and known throughout her Brooklyn neighborhood as a menace to local authorities. On the eve of a brutal murder that hits close to home, Aoki needs her friends more than ever. Her ride-or-die besties, Tisa and Ri-Ri, are down to help by any means necessary, even if it puts their own freedom at risk. While coming up in the drug game, AZ gets into a situation he can't handle on his own. When he reaches out to Aoki - an unlikely ally - the girls agree to handle his problem for a small fee. When surveillance video of the conquest goes viral, the Brooklyn hood chicks are transformed into Killer Dolls. This overnight fame brings heat to the Killer Dolls, with jealousy, envy, and a dark secret threatening to destroy everything. A Short Story Collection Simon and

Schuster

Describes how to create an aesthetically-pleasing natural setting that will not only attract birds, but will also provide them with food and shelter

UNLIKELY NEMESIS After the gun smoke clears, one female is left standing.

Although Aoki isn't out of danger, she can breathe a sigh of relief that the immediate threat has been handled. Now, in a race to mend broken relationships with AZ, B-Scientific, and Emilio all whom seemingly want to be number one in her life, she's asked to make a hard choice. With all decisions come consequences. And while one of these men vow to love her forever, their goal is to make her forever as short as possible. Aoki will be shocked to find out who wants this Killer Doll, dead. Her archenemy will be shocked to find that this killer is hard to kill.

**Miles to Go** Xlibris Corporation

Extreme gardening often involves gnomes and planted bodies... It's just an ordinary day for octogenarian sleuth Myrtle Clover--until her yardman discovers a dead body planted in her backyard. This death isn't

cut and dried--the victim was bashed in the head with one of Myrtle's garden gnomes. Myrtle's friend Miles recognizes the body and identifies him as Charles Clayborne... reluctantly admitting he's a cousin. Charles wasn't the sort of relative you bragged about--he was a garden variety sleaze, which is very likely why he ended up murdered. As Myrtle starts digging up dirt to nip the killings in the bud, someone's focused on scaring her off the case. Myrtle vows to find the murderer...before she's pushing up daisies, herself.

Bodies of Water Penguin

"The importance of the area to early America . . . make the book a must-read for anyone interested in the dark side of New England history" (Early American Crime). The idea of a criminal record originated in the early seventeenth century when the magistrates of the Massachusetts Bay Colony began recording dates, places, victims and criminals. Despite, or perhaps because of, the strict code of the Puritans, some early settlers earned quite the rap sheet that landed them either in the stocks or at the end of a noose. With biting wit and an eye

for the macabre, local author Robert Wilhelm traces the first documented cases of murder and mayhem in Essex County, Massachusetts. Discover the story of Hannah Duston's revenge on her Abenaki Indian captors, why the witchcraft hysteria hung over Salem and Andover and how Rachel Wall made her living as a pirate. Decide for yourself whether the accused are guilty or if history lends itself to something else entirely. Includes photos!  
*Richard Paul Evans: The Complete Walk Series eBook Boxed Set* Simon and Schuster

Ten men were involved in the robbery and the gruesome murder of a gold merchant and his two employees. Stolen from them were 120 bars of pure gold. Nine of the men were subsequently found guilty. Seven were hung. Two narrowly escaped the gallows because of their youth. The tenth man, however, escaped death. A fast-paced account that captures the sinister excitement and drama of the plotting, and merciless and savage execution of the victims, by a twisted bunch of felons. Just who betrayed whom?  
[Bodies in the Back Garden - True Stories of Brutal Murders Close to Home](#) Lulu.com

A chilling, thrilling collection of true American crimes, long-forgotten and legendary The Bloody Benders Family . . . The Black Hand of New Orleans . . . The Crimes of Butch Cassidy's Wild Bunch . . . The Mountain Meadows Massacre in Utah . . . Rachel Wall, Female Pirate and The Last Woman to be Hanged in Massachusetts . . . Dr. Valorous Coolidge, who Performed the Autopsy on the Man He Murdered . . . and even a crime chronicled by President Abraham Lincoln. This criminal collection of Lyons Press American Classics delivers the murderous, thieving, and otherwise nefarious acts we love to read about—from our deep history and in a book that makes a great gift as part of Lyons's outstanding Americana library.  
*Humanitarian Law Violations and Civilian Victims in the Conflict Over South Ossetia* Melodrama Publishing

This cheerful love-your-body picture book for preschoolers is an exuberant read-aloud with bright and friendly illustrations to pore over. From the acclaimed creator of *Dancing at the Pity Party* and *Roaring Softly*, this picture book is a pure celebration of all the different human bodies that exist in the world. Highlighting

the various skin tones, body shapes, and hair types is just the beginning in this truly inclusive book. With its joyful illustrations and encouraging refrain, it will instill body acceptance and confidence in the youngest of readers. "My body, your body, every different kind of body! All of them are good bodies! BODIES ARE COOL!"  
*Inside the Legendary Forensic Lab the Body Farm Where the Dead Do Tell Tales* Marshall Cavendish International Asia Pte Ltd

AS FAR AS FITTING THE STEREOTYPES bestowed to infamous chain-link murderers that exist outside African American culture, there was a time when black serial killers were recognized, to some extent, implausible by purported experts who probably cared not to explore the primary nature of the slayers' transgressions. Nevertheless, the obscured story of handyman Morris Solomon Jr. has to be one of the most interesting tales untold as it is one of the most horrific yarns in the annals of American crime. The handyman's misdeeds, when briefly brought to the public's attention, virtually reminded society that killers continuously come in all

colors, shapes, and sizes. Solomon was convicted of killing six young women, ages 16 to 29, in the Sacramento, California, neighborhood of Oak Park between 1986 and 1987. The handyman's grisly method of murder left detectives and medical examiners mystified. The identification process of his victims' remains was distinctly a laborious assignment, too. The victims —drug addicts, prostitutes, and devout mothers — were stuffed in closets, hidden under debris, and arguably, one court judge strongly considers, buried alive. In retrospect, the handyman was first accused of murder in the mid-1970s; and authorities suspect him to be linked to four more homicides in Sacramento. Solomon — once declared as a "Mentally Disordered Sex Offender"— is now on death row in Northern California's San Quentin State Prison awaiting execution. The unassuming handyman's 18-year reign of terror includes a record of sexual assaults, attempted kidnappings, and separate despicable sex acts performed strictly for humiliation. In *The Homicidal Handyman of Oak Park: Morris Solomon Jr.*, author and journalist Tony Ray Harvey recounts the black serial killer's

dysfunctional upbringing, atrocious crimes, and hardly noticeable court trial. Harvey's book also provides explicit crime scene photos, the history of the death penalty system in the state of California, the city of Sacramento's drug culture in the mid-1980s, and exclusive prison interviews of the mild-mannered handyman. *Downtown Browns* Arcadia Publishing Sixteen bloodless bodies. Two teenagers. One impossible explanation. In this edge-of-your-seat mystery from #1 New York Times bestselling author Kendare Blake, the truth is as hard to believe as it is to find. Summer 1958. A gruesome killer plagues the Midwest, leaving behind a trail of bodies completely drained of blood. Michael Jensen, an aspiring journalist whose father happens to be the town sheriff, never imagined that the Bloodless Murders would come to his backyard. Not until the night the Carlson family was found murdered in their home. Marie Catherine Hale, a diminutive fifteen-year-old, was discovered at the scene—covered in blood. She is the sole suspect in custody. Michael didn't think that he would be part of the investigation, but he is

pulled in when Marie decides that he is the only one she will confess to. As Marie recounts her version of the story, it falls to Michael to find the truth: What really happened the night that the Carlsons were killed? And how did one girl wind up in the middle of all these bodies? \* An Indie Next List pick \*

*Across the Bridge* Kings Road Publishing "Fans of the forensics-oriented novels of such mystery writers as Kathy Reichs and Patricia Cornwell...not to mention television series like CSI: Crime Scene Investigation, will make an eager audience for this one."—Booklist On a patch of land in the Tennessee hills, human corpses decompose in the open air, aided by insects, bacteria, and birds, unhindered by coffins or mausoleums. This is Bill Bass's "Body Farm," where nature takes its course as bodies buried in shallow graves, submerged in water, or locked in car trunks serve the needs of science and the cause of justice. In *Death's Acre*, Bass invites readers on an unprecedented journey behind the gates of the Body Farm where he revolutionized forensic anthropology. A master scientist and an engaging storyteller, Bass reveals his most

intriguing cases for the first time. He revisits the Lindbergh kidnapping and murder, explores the mystery of a headless corpse whose identity astonished police, divulges how the telltale traces of an insect sent a murderous grandfather to death row—and much more. INCLUDES PHOTOGRAPHS

When someone deposits two bodies in a retired detective's backyard in the middle of the night, he has to go to work again to find out who is responsible and why his backyard was chosen. A lot of hilarious events happen in this whodunit before the detective can return to being retired again.

**All These Bodies** Pinnacle Books

This is the continuing story of two men, alike in many ways, who travel far from their native land but are both drawn back to Durham, the spectacular mediaeval city that dominates the northeastern counties of England. But there is a difference. Six hundred years separates the lives of the two men. Oswald, who has seen action in France and England, is loyal to his King, Edward III, who is also called Plantagenet.

When Oswald sees that the lives of Edward and his son, John of Lancaster (called John of Gaunt by many modern historians), are in jeopardy, he calls to his descendent, James Simpson, for help. James Simpson is a scientist of world renown who turns his talents to writing historical fiction. After returning to his native Durham, he settles into a quiet village hoping to continue his writing. But when Oswald contacts him, he realizes that they are closer in relationship and behavior than he had believed. Simpson is surprised to find that Oswald is reaching out to him from the past. He is also surprised that Oswald has a mission for him that requires being transported back into the fourteenth century. Simpson cannot resist being personally drawn into the mystery. With the exception of the main fictional characters in the story, the book is a historically accurate account of life in the fourteenth century and the politics that surrounded the throne of England.

For dog owners and garden lovers alike, Dogscaping presents a plan for the family dog to live in perfect harmony with a green, beautiful backyard. Whether the family dog is a demon digger like a terrier or a shade-seeking greyhound, Dogscaping offers solutions for all dog owners to create the perfect backyard and garden for all members of the human and canine family. Tom Barthel, a certified master gardener and devoted dog owner, approaches the topic of landscaping for dogs organically; figuratively and literally, whenever possible. Encouraging the reader to pursue organic methods, the author includes a terrific chapter on organic lawns and offers tips for maintaining an earth-friendly (and dog-friendly) green-as-can-be lawn. Between the chapters of this book are profiles called "Organic Gardener: Organic Dog," in which he tells entertaining success stories of dog-owning organic gardeners and hobby farmers. In the chapter "Site

Planning and Plant Selection," Barthel advises on how to plan the backyard space taking the dog's habits and proclivities in mind and then makes recommendations for various kinds of vines, groundcovers, shrubs, and urine-resistant plants. In its chapter about maintaining the garden and backyard, Dogscaping presents various organic pest and weed control options, which are safe for the dog and practical for the gardener. The author also offers a list of pest-deterrent plants and methods to deter unwanted weeds and visitors (gophers, deer, squirrels, etc.). In the greenest chapter in the book, "Recycling Home, Garden, and Yard Waste," Barthel makes a compelling case for composting, cataloging both the advantages and savings and offering an easy five-step method of composting. Other additions to the dog-friendly backyard include planting fruits and vegetables, adding a water feature, and incorporating decks, gazebos, pathways, and lighting, all of which are covered in individual chapters in this beautifully photographed book. The final chapter of the book "Creating Doggy Nirvana" provides fun ideas for owners to include dog-specific features into their

backyard designs, including a pooch pergola, doggy sandbox, and disappearing fountain. The appendix provides US and North American zone maps. Index included.

Killer Dolls - Part 1 Simon and Schuster Explore the star-studded cosmos with this fully updated, user-friendly skywatcher's guide, filled with charts, graphics, photographs, and expert tips for viewing -- and understanding -- the wonders of space. Stargazing's too much fun to leave to astronomers. In these inviting pages, "Night Sky Guy" Andrew Fazekas takes an expert but easygoing approach that will delight would-be astronomers of all levels. Essential information, organized logically, brings the solar system, stars, and planets to life in your own backyard. Start with the easiest constellations and then "star-hop" across the night sky to find others nearby. Learn about the dark side of the moon, how to pick Mars out of a planetary lineup, and which kinds of stars twinkle in your favorite constellations. Hands-on tips and techniques for observing with the naked eye, binoculars, or a telescope help make the most out of sightings and astronomical phenomena such as eclipses and meteor

showers. Photographs and graphics present key facts in an easy-to-understand format, explaining heavenly phenomena such as black holes, solar flares, and supernovas. Revised to make skywatching even easier for the whole family, this indispensable guide shines light on the night sky--truly one of the greatest shows on Earth!

Bodies in the Backyard Penguin

A Library Journal Best Book of 2013! A Booklist Best Crime Novel of 2013! There is very little peace for a man with a body buried in his backyard. But it could always be worse... More than a year ago, mild-mannered Jason Getty killed a man he wished he'd never met. Then he planted the problem a little too close to home. But just as he's learning to live with the undeniable reality of what he's done, police unearth two bodies on his property—neither of which is the one Jason buried. Jason races to stay ahead of the consequences of his crime, and while chaos reigns on his lawn, his sanity unravels, snagged on the agendas of a colorful cast of strangers. A jilted woman searches for her lost fiancé, a fringe dweller runs from a past that's quickly

gaining on him, and a couple of earnest local detectives piece clues together with the help of a volunteer police dog—all in the shadow of a dead man who had it coming. As the action unfolds, each character discovers that knowing more than one side of the story doesn't necessarily rule out a deadly margin of error. Jamie Mason's irrepressible debut is a macabre, darkly humorous tale with the thoughtful beauty of a literary novel, the tense pacing of a thriller, and a clever twist of suspense.
