Before We Visit the Goddess South Asia Books

The Goddess Myths of the Great Mother Reaktion Books

Symbols of Mother Goddess and Fertility, I-II-III South Asia Books

For as long as we have sought god, we have found the goddess. Ruling over the imaginations of humankind's earliest agricultural civilizations, she played a critical spiritual role as a keeper of nature's fertile powers and an assurance of the next sustaining harvest. In *The Goddess*, David Leeming and Christopher Fee take us all the way back into prehistory, tracing the goddess across vast spans of time to tell the epic story of the transformation of belief and what it says about who we are. Leeming and Fee use the goddess to gaze into the lives and souls of the people who worshipped her. They chart the development of traditional Western gender roles through an understanding of the transformation of concepts of the Goddess from her earliest roots in India and Iran to her more familiar faces in Ireland and Iceland. They examine the subordination of the goddess to the god as human civilizations became mobile and began to look upon masculine deities for assurances of survival in movement and battle. And they show how, despite this history, the goddess has remained alive in our spiritual imaginations, in figures such as the Christian Virgin Mother and, in contemporary times, the new-age resurrection of figures such as Gaia. *The Goddess* explores this central aspect of ancient spiritual thought as a window into human history and the deepest roots of our beliefs.

The Goddess and the Nation The Goddess Myths of the Great Mother

This book provides unparalleled insight into ancient mysteries. Transcending reason and delivering visionary expansion, this metaphysical masterpiece explores the origins of life as recorded in the Holy Libraries.

The Living Goddess Reaktion Books

MAIDEN, MOTHER, CRONE presents the Trinity as ancient symbols of the Goddess, predating Christianity by thousands of years. The book explores longstanding myths and symbols, illuminating ancient, universal human challenges that still exist today. Together with in-depth explanations of goddess archetypes and their relevance to 20th century living, this book will lead you to a state of conscious awareness that can change your life.

The Mother Goddess in Italian Renaissance Art Simon and Schuster

Those who love poetry will appreciate the wildly metaphysical, allegorical, and yet intensely honest and personal songs of the eighteenth-century poet and saint Ramprasad. These songs vividly present the mystery of the Feminine Divine, an intimate experience of the Mother, and a vast play of energy sustained by the Goddess Kali.

Anatolia, Land of Mother Goddess ReadHowYouWant.com

This beautiful book takes us to India today and shows us a Goddess who flourishes in temples, festivals, and in the hearts of millions. Johnsen penetrates the heart of the tradition to reveal that it

offers not only an honouring of fertility and feminine values, but an amazing revelation of the limitless potentials of human consciousness.

A Daughter's Story Simon and Schuster

Jailbreaking the Goddess is a revolutionary revisioning of the feminine divine. Where the maiden, mother, crone archetypal system is tied to female biology and physical stages of life, the fivefold model liberates the female experience from the shackles of the reproductive model. In a woman's lifetime, she will go through several different cycles of beginnings, potential, creation, mastery, and wisdom. This fivefold model is not an adaptation of the threefold. It is a new system that embraces the powerful, fluid nature of the lived experience of women today. Join Lasara Firefox Allen as she explores the nature of the five archetypes; gives examples of what areas of life each might preside over; lists goddesses that fit within each archetype; suggests ways to begin building relationship with the different archetypes; and provides simple rituals for recognition, transition, and invocation. Praise: "Jailbreaking the Goddess is an important contribution to the writings on Goddess tradition and feminist spirituality...I love her political savvy, her sensitivity around issues of diversity and cultural awareness and appropriation, and her unabashed celebration of pleasure, sensuality, and life!"—Starhawk "This fiercely inspired body of work is art, theory, and passion. Genius."—Rosa De Anda, from her foreword "Lasara Firefox Allen delves deep into the ways in which colonialist language has shaped our experience of the divine feminine...This is an innovative work that has the potential to change the face of modern feminist spirituality."—Suzanne Sterling, founder of Voice of Change

Mother God Demeter Press

Sylvia Browne, in her own inimitable style, again defies convention in this uniquely informative compilation of diligently researched facts and personal accounts about the premise of a female divinity - namely, the Mother God (also known as the feminine principle). Spanning time, from the earliest beginnings of humankind when "Goddess worship" was at its peak, to the current era with its myriad beliefs and religions, Sylvia takes us on a journey of discovery, where she discusses the suppression of the "Mother Goddess" by the male-dominated politics of modern-day religious dogma. Using a combination of historical data and poignant and heartwarming stories that reveal the power and miracles attributed to the Mother God, Sylvia leads us from the question of "Does She exist?" to the logical, fact-based conclusion that She does ... and then shows us how to call on Her to help us in our everyday lives.

Goddess Univ of California Press

In *How I Discovered My Mother Was A Goddess*, Beverly Charles, tells the poignant story of aging and dementia from the point of view of both the parent and child. At some times troubling and other times darkly comic, it provides a vision of a spiritual journey, one that is healing, authentic, and satisfying. In addition to offering us the story of a mother and daughter as they struggle with old age and death, Beverly moves more deeply into the psyche to understand the goddesses at work in herself and her mother during the various phases of life. We journey through the author's and her mother's relationship to each other and to eight goddesses - Artemis, Hestia, Aphrodite, Athena,

Demeter, Persephone, Hera, and Mary. By taking us on this odyssey with her, she not only deepens our understanding of the feminine and the goddesses that personify it, but reveals how these goddesses manifest in everyday life. This story enhances our understanding of the divine feminine. This book is for all those who have loved ones experiencing any form of dementia - as our intellectual connection diminishes, may we become more connected in our hearts. This book is also for women and the men who love them - may we never be ashamed of the journey that brings us home to the goddess within.

The Cult of the Mother Goddess iUniverse

"A new novel from the author of *Oleander Girl*, a novel in stories, built around crucial moments in the lives of 3 generations of women in an Indian/Indian-American Family"--

[Mother Goddess Caṇḍī Lulu.com](#)

Making the case for a new kind of visual history, *The Goddess and the Nation* charts the pictorial life and career of Bharat Mata, "Mother India," the Indian nation imagined as mother/goddess, embodiment of national territory, and unifying symbol for the country's diverse communities. Soon after Mother India's emergence in the late nineteenth century, artists, both famous and amateur, began to picture her in various media, incorporating the map of India into her visual persona. The images they produced enabled patriotic men and women in a heterogeneous population to collectively visualize India, affectively identify with it, and even become willing to surrender their lives for it. Filled with illustrations, including 100 in color, *The Goddess and the Nation* draws on visual studies, gender studies, and the history of cartography to offer a rigorous analysis of Mother India's appearance in painting, print, poster art, and pictures from the late nineteenth century to the present. By exploring the mutual entanglement of the scientifically mapped image of India and a (Hindu) mother/goddess, Sumathi Ramaswamy reveals Mother India as a figure who relies on the British colonial mapped image of her dominion to distinguish her from the other goddesses of India, and to guarantee her novel status as embodiment, sign, and symbol of national territory. Providing an exemplary critique of ideologies of gender and the science of cartography, Ramaswamy demonstrates that images do not merely reflect history; they actively make it. In *The Goddess and the Nation*, she teaches us about pictorial ways of learning the form of the nation, of how to live with it—and ultimately to die for it.

Twenty-Four Aspects of Mother Kali Llewellyn Worldwide

Beginning with the Paleolithic Age and drawing on ancient Greek, Chinese, Native American, and Near Eastern cultures, Adele Getty portrays the myriad historical and mythological perspectives of the female archetype. Illustrated.

The Mother of the Gods, Athens, and the Tyranny of Asia Carnegie-Mellon University Press

Rudolf Steiner's intuitive artistic knowledge enabled him to use colours in a unique way, giving expression to their individual natures. Together with his many lectures on art, Steiner's paintings provide artists with fresh ways of understanding colour, allowing for an entirely new creativity and aesthetics. In 1924, Steiner painted a watercolour of the Madonna and Child, giving it the title 'New Life'. Through Steiner's depiction of Mary, mother of the Divine Child, this painting draws us to the feminine expression of spirituality. In this highly-illustrated, full-colour book Angela Lord studies this feminine principle, beginning with the very earliest stages of human evolution - the 'Fall' from

paradise and the pre-historic periods of Lemuria and Atlantis. From the Mysteries of Egypt and Greece to the development of Christian art, she offers insights to the myths and legends of female deities and goddesses. According to Rudolf Steiner, at the time of Jesus's birth humanity had entered a decadent phase of development. Small groups of initiated individuals, however, were preparing for a sacred birth: the descent of a heavenly being into earthly existence. The God of the Old Testament would be revealed 'in flesh', born to a virgin mother. In the second part of *New Life - Mother and Child*, Angela Lord takes us on a journey through two thousand years of Christian art, covering Iconography, the Middle Ages and the Renaissance. We see how artistic images of Mary and her Child have changed, why these variations have occurred and how they reflect the changing consciousness of humanity. Finally, the 'New Life' painting is considered from the interactive processes of colour and composition, illustrated with a series of artistic colour sequences.

It isn't every day that one meets a goddess, let alone a Matrika or being that presides over the sounds of language. It is said such deities can bring us complete liberation. Will that prove true for a struggling vocalist named Wrenne when a mysterious woman appears and offers to help her find her True Voice? This beguiling and eccentric teacher guides us all on a deep and powerful journey through 10 mystical gates of sound, sharing great insights, secrets, and profound wisdom about the power of letters, words, and our very own voice to transform the world around us. This isn't standard knowledge; this is a gift for our times, taking the reader into the very heart of sonic revelations.

[The Cloth of the Mother Goddess](#) Yes International Publishers

An examination of the Mother Goddess in Italian Renaissance art by art historian Edith Balas. Harlequin

"12 lessons to restore the image, the character, & the responsibility of the goddess blackwoman"--Cover.

The Five Faces of the Eternal Feminine Llewellyn Worldwide

The White Goddess is perhaps the finest of Robert Graves's works on the psychological and mythological sources of poetry. In this tapestry of poetic and religious scholarship, Graves explores the stories behind the earliest of European deities—the White Goddess of Birth, Love, and Death—who was worshipped under countless titles. He also uncovers the obscure and mysterious power of "pure poetry" and its peculiar and mythic language.

The White Goddess Quest Books

THIS BOOK is a story of a girl who happens to be one of those chosen hybrid gods and goddesses who were given help by the warriors, followers, and successors of Mother God, the Earth's protector. And she mentored by the escort and keeper of the lost souls and even the black shadow. She doesn't have the idea that she will help save our Planet, for she's just a mere kid. Kids at her age should enjoy their childhood and discover their youth's essence. Yet, Anna becomes aware of what's happening, and she finds the reality of today's modern world. She accepted that her life would never be as every day as other kids' lives. Anna embraced that this is her destiny. She destined to fight for the Planet's safety and gives importance to the only human life resource, conquering her fears by accepting her gift. Anna's fate and is undergoing series of training given to her without her knowledge. She's not expecting that she can transcend beyond the living and the dead. As a human

being, her wisdom is not that rich, which is why she's being taught and informed; thus, she should spread the news that humanity slowly destroys the Earth. Humanmade catastrophes have been occurring. People from different nations are fighting against one another. They're doing their hideous dominance to have the power and money they have always wanted. They create dangerous chemicals that are toxic and polluting the air, the water, and the land. They tended to do whatever they sought to for their benefit. They become greedy, selfish, and monstrous. She's giving the Prophecy from gods and goddesses on Earth about our Planet's future if the people's ways won't change; problems have been occurring. The surroundings start deteriorating. And if they fail, we will all vanish. Earthians conclude, and we'll be going to nothing from where we started. This book contains facts, and some of the events in this book happened, and any resemblance to other stories and people living or dead is purely coincidental. This book is non-fiction based on the author's facts search and experiences.

The Indian Mother Goddess Mother God Vision/ F.O.G V

Bringing a feminist perspective to contemporary findings of geneticists and archeologists, Lucia Chiavola Birnbaum, cultural historian, points out that the oldest veneration we know is of a dark mother of central and south Africa, whose signs-ochre red and the pubic V-were taken by african

migrants after 50,000 BCE to caves and cliffs of all continents. The oldest sanctuary in the world was created in 40,000 BCE by african migrants in Har Karkom, later called Mt. Sinai, foundation place of judaism, christianity, and islam. Lucia documents the continuing memory of the dark mother and her values in prehistoric images of the dark mother, in historic black madonnas and in other dark women divinities whose sanctuaries are on african paths. She tracks the memory in rituals and stories of her sicilian grandmothers, in persecution of dark others in patriarchal Europe and the United States, in the rise of nonviolent dark others since the 1960s, in the banners of the 1995 world conference of women at Beijing, and in art. She finds the dark mother's values-justice with compassion, equality, and transformation-in everyday and celebratory rituals of the world's subaltern cultures-and suggests that the image and values are in the submerged memories of everyone.

Mythology and Symbols Delhi [India] : Ajanta Publications

Oh Terrifying Mother is an anthropological exploration of a South Indian ritual in which male actors become possessed by the fierce goddess Bhagvati as a divine offering. By providing an on-the-ground look at the many meanings of Kali to those who worship her, this book fills an important niche in the burgeoning literature on Hindu goddesses.
