From the bestselling author of *The Chilbury Ladies' Choir* comes an unforgettable novel of a BBC-sponsored wartime cooking competition and the four women who enter for a chance to better their lives. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY GOOD HOUSEKEEPING • "This story had me so hooked, I literally couldn't put it down."—NPR Two years into World War II, Britain is feeling her losses: The Nazis have won battles, the Blitz has destroyed cities, and U-boats have cut off the supply of food. In an effort to help housewives with food rationing, a BBC radio program called *The Kitchen Front* is holding a cooking contest—and the grand prize is a job as the program's first-ever female co-host. For four very different women, winning the competition would present a crucial chance to change their lives. For a young widow, it's a chance to pay off her husband's debts and keep a roof over her children's heads. For a kitchen maid, it's a chance to leave servitude and find freedom. For a lady of the manor, it's a chance to escape her wealthy husband's increasingly hostile behavior. And for a trained chef, it's a chance to challenge the men at the top of her profession. These four women are giving the competition their all—even if that sometimes means bending the rules. But with so much at stake, will the contest that aims to bring the community together only serve to break it apart?

When World War II began, Britain had an immediate crisis on its hands: its ability to import food drastically curtailed, the island would very quickly have to find ways both to produce more and use less. For that latter task, the kitchen was the headquarters, and this little book presents the battle plan. Drawn from scattered sources in the archives of the Imperial War Museums and presented here in a charming gift book, the recipes of *Victory is in the Kitchen* helped guide British cooks as they coped with unprecedented scarcity and restrictions. Rustling up creative dishes out of meager rations, the recipes gathered here include scrap bread pudding, potato pastry, and sheep's heart pie, as well as adapted English standbys like Lancashire hot pot, Queen's Pudding, and crumpets. Interwoven with the recipes are colorful reproductions of inspirational wartime posters, while an introduction sets the historical context. The resulting package is the perfect gift for any cook, a reminder of a time when ration books and recipes had to be made to work together.

The period of wartime food rationing is now regarded as a time when the nation was at its healthiest. Food rationing was

introduced in January 1940 after food shipments were attacked by German U-boat 'Wolf Packs'. The first food items to be rationed were butter, sugar, bacon and ham, with restrictions also placed on meat, fish, jam, biscuits, cheese, eggs and milk. The leaflets reproduced in Eating for Victory were distributed by the Ministry of Food and advised the general public on how to cope with these shortages. Typical contents included: recipes for steamed and boiled puddings; tips on how to use and prepare green vegetables; hints about how to reconstitute dried eggs and use them as though they were fresh. Eating for Victory is a great gift book offering a nostalgic look at one of the hardest and yet perhaps healthiest times in history; it is also a relevant guide on healthy eating for today.

**Cook for Victory** Createspace Independent Publishing Platform Where am I? I am lost. Suddenly I hear the Voice, I see the Light. In the deepest throes of confusion and heartache comes the Light that reunites one with the universe. From the death of a loved one emerges a newfound acceptance and the ultimate freedom of the soul. In a swirl of injustice and hypocrisy, the soul valiantly fights back. These healing lessons and many more are the topics of *The Battle and Victory of the Soul*, South African poet Nozipho Zubane's inspiring and mystical collection that draws from her own painful experiences and spiritual growth. Anyone who is seeking words of comfort and encouragement to turn their own lives around will find much solace and support in these thought-provoking, healing meditations. Written for seekers of all ages and walks of life, this stirring collection represents an authentic and true expression of the raw emotions Nozipho confronted when she found herself at a crucial crossroads in her own life. After resolving to remove herself from the toxic corporate environment in which she existed, the poet embarked on a course to search for greater purpose and meaning. After two years with no job and an empty savings account, she was driven to live as a recluse. It was then that she underwent the deep emotional cleansing that transformed her life. Initially longing for intellectual stimulation, human contact, and material comfort, she endured many dark nights of the soul, to ultimately be saved by the grace of God. Whether gently illustrating the redemptive power of the soul or reconsidering the complexity of love, each poem furthers the book's abiding goal to help other people heal their wounds in order to reach their full potential. With its fresh perspective and all-embracing approach, *The Battle and Victory of the Soul* is certain to offer individuals a lifeline to reconnect with their souls in new and restorative ways. It's a spiritual wealth of hope and healing that may just bring new light to the darkest days.
