So Nude, So Dead 87th Precinct

The brilliant new 87th precinct novel from one of crime's enduring legends... Gloria Stanford was very sexy, very rich and very, very dead. Found in her plush, city apartment, she had been shot twice in the heart. All her credit cards and ID were gone but apart from that there seemed no motive at all. It's only when the detective-in-charge, Steve Carella, starts to receive bizarre cryptic notes in the mail that he realises something bigger than a simple homicide is going on. It seems the Deaf Man is back - a notorious crook and killer who has a morbid fascination with puzzles and anagrams. Long thought dead, he's back on the loose and wants his long-hidden millions back.

Tricks Thomas & Mercer

Finding a dead body was not unusual for an autumn night in the 87th Precinct. But this young woman's body was naked--and potentially related to the series of odd missives received at the station house. All signs point to the Deaf Man's return, this time with a plot more diabolical than even the jaded policemen could imagine. He's been sending them mysterious pictures of police equipment: nightsticks, helmets, black horses, and more. But what did they mean? Detective Steve Carella would be one of the first to find out, but only after he discovered that the Deaf Man was impersonating him, which leads to more violence. Now, Carella and his fellow officers must face down the Deaf Man in a lethal confrontation: a confrontation more surprising, shocking, and explosive than anything the cops of the 87th Precinct have ever experienced. *Eight Black Horses* is an inventive, tightly woven 87th Precinct novel--and it's Ed McBain at his incomparable best.

Red-Headed Sinners Thomas & Mercer

87th Precinct Detective Steve Carella is faced with a wealthy and beautiful blond who's survived two attempts on her life. Her stockbroker husband has hired a private detective to protect her. But nothing is as it seems in this action-filled thriller: the husband is cheating on the wife, the private detective is a fake, and the wife falls in love with her guardian/killer! While all this is going on, Detective Carella is faced with the most painful court case of his life; the trial of the murderers who killed his father. *Kiss* reflects the masterful plotting, smashing dialogue, and razor-sharp suspense that have made Ed McBain a national treasure.

Kiss National Geographic Books

A homicide in the 87th Precinct wasn't exactly front-page news. But two murders made headlines. Both added up to big trouble. Pretty redhead Annie Boone lay facedown on a liquor store floor, surrounded by broken bottles and riddled with bullets. The boys of the 87th didn't have a suspect without an iron-tight alibi - or a reason for someone to shoot Annie dead. Detective Roger Havilland lay faceup in a grocery store's front window, a shard of glass piercing his jugular. A crazy bag lady was Detective Steve Carella's best witness. But a mistake by Carella's new partner Cotton Hawes could put them both in the line of fire - where a wrong move could get a good cop killed.

Give the Boys a Great Big Hand Thomas & Mercer

The Squadroom of the 87th Precinct is under even more pressure than usual. There's the Cookie Boy, a burglar with a taste for chocolate chip cookies and violence; and a murdered woman with

breast implants, who turns out to be a nun. Detective Carella has problems of his own, too.

Killer's Choice HMH

First it was the strange phone calls, then the bizarre photographs. The boys of the 87th Precinct knew their arch nemesis, The Deaf Man, was back in town. Even a gruesome crucifixion and a cat burglar who leaves live kittens as his calling card could not keep Carella, Ling, Hawes, and Brown from the torment of the Deaf Man's riddles. And time was running out.

Killer's Choice Simon and Schuster

Most people would have screamed. Mrs Hathall made no sound. She had seen death many times before, but she had never seen a death by violence. Heavily, she plodded across the room and descended the stairs to where her son waited. "There's been an accident", she said. "Your wife is dead". Chief inspector Wexford could discover no motive, no reason and no suspect--all he had were his intuitive suspicions.
