A concise introduction to Turkish grammar, designed specifically for English-speaking students and professionals.

Studies in Turkish Grammar Walter de Gruyter GmbH & Co KG

Turkish: A Comprehensive Grammar is a complete reference guide to modern Turkish grammar.

Concentrating on the real patterns of use in modern Turkish, it presents a detailed and systematic description of the structure of language at every level:sounds, words and sentences and will remain the standard reference work for years to come. Drawing upon a rapidly growing body of scholarly research on Turkish, this well-presented Grammar is a stimulating and up-to-date analysis of the complexities of the language, with full and clear explanations and examples throughout. A detailed index and extensive cross-referencing between numbered subsections also provides readers with easy access to the information they require. Features include: detailed treatment of common grammatical structures and parts of speech extensive use of examples, all with English translations particular attention to areas of confusion and difficulty comprehensive glossary of all grammatical terms. The Grammar is an essential reference source for intermediate and advanced learners and users of Turkish. It is ideal for use in schools, colleges, universities and adult classes of all types.

The Oxford Turkish Grammar Otto Harrassowitz Verlag

Do you want to communicate easily and freely in Turkish? Master Turkish grammar and broaden your vocabulary with your very own Turkish Tutor. This contemporary interactive workbook features 200 activities across a range of grammar and vocabulary points with clear goals, concise explanations, and real-world tasks. By studying and practicing Turkish grammar you'll understand how the language really works and be able to speak Turkish with clarity and ease. What will I learn? What other courses are available? For further study and practice, see Get Started in Turkish (ISBN 9781444183207) and Complete Turkish: Teach Yourself (ISBN 9781444102390). Rely on Teach Yourself, trusted by language learners for over 75 years.

Turkish Tutor: Grammar and Vocabulary Workbook (Learn Turkish with Teach Yourself) Courier Corporation

Turkish is spoken by about fifty million people in Turkey and is the co-official language of Cyprus.

Whilst Turkish has a number of properties that are similar to those of other Turkic languages, it has distinct and interesting characteristics which are given full coverage in this book. Jaklin Kornfilt provides a wealth of examples drawn from different levels of vocabulary: contemporary and old, official and colloquial. They are accompanied by a detailed grammatical analysis and English translation.

Turkish Grammar Routledge

You want to learn Turkish? EASY TURKISH GRAMMAR makes it quite simple for you. It is directed at anyone who would like to learn the Turkish language - whether as a holiday-goer, culture- or language enthusiast, partner, student, or for your job. The overview tables for grammar and important verbs help you in learning quickly and easily - with or without prior knowledge. You will be introduced to peculiarities of the language and learn how conjugate, pose questions, and form sentences in the various cases using formulas. The overview tables, conjugation formulas and many examples give you the opportunity to actively learn Turkish and spare you from longwinded, boring explanatory texts! I have also included a number of Turkish proverbs and idioms to give you an extra insight into Turkish culture. You can use this book as a resource whenever you get stuck.

This Treatise on the Turkish Language and its Grammar explains and answers some of the difficulties that the learner of Turkish may encounter along their way. This book focuses on understanding Turkish grammar and logic. Those who are interested in the whys and wherefores of Turkish will find amongst these pages the key to their particular problem of Turkish grammar and syntax. This book covers the basics of Turkish and further expands knowledge and understanding of Turkish by using many examples with explanations. It does not contain any practice exercises or sound files as many of these type of basic Turkish grammar lessons can be found in other text books or on the world wide web. It is a book that will be used over the whole of the learning process from basic beginner through to intermediate and advanced stages of learning. The contents of the 45 chapters range over: Turkish Basic Grammar: Alphabet, Vowel Harmony, Agglutination, Consonant Mutation, Lack of Gender. Intermediate: Nouns and Pronouns, Adjectives, Verbs and Tenses, Possessive Relationship and Possession. Advanced: Verb Moods, Participles, Clauses and Spatial Relationships, Word Formation in Turkish Conversational Items: Time, Seasons, Numbers, Colors, Saying "Thank you," About "buyurun," Expressing need, Daily Interjections, Modes of Address, Turkish Sign Language, How to say "too much, too many," Daily Talk. Glossaries: List of Daily Locutions, Daily Word List, Irregular Tense List, Turkish Single Syllable Verb List, Intensified

Adjectives List.

A Grammar of the Turkish Language Psychology Press

This volume is a comprehensive grammar of the Turkish language, suitable both for students of the Turkish language and linguistic scholars. Gerjan van Schaaijk draws on sound linguistic research and an extensive corpus of real-life data, alongside more than twenty years of feedback from university classrooms, to provide the most complete, up-to-date, and practically useful survey of the Turkish language ever compiled. Following an introduction that provides background information on the Turkic languages and an overview of the linguistic terminology adopted in the volume, the first part of the book explores the fundamentals of Turkish spelling and pronunciation. Parts II and III explore the noun phrase and adjuncts and modifiers, respectively, while Parts IV and V examine the verbal system and sentence structure. These first five parts together represent a valuable overview of the fundamentals of Turkish grammar. Part VI provides an account of the ways in which new words are constructed on the basis of existing material, and constitutes a bridge to the more advanced matter treated in parts VII and VIII, including relative clauses, subordination, embedded clauses, clausal complements and the finer points of the verbal system. The work will be accompanied by a companion website that will provide exercises to accompany each part.

Turkish Grammar in Practice Oxford University Press, USA

'The Delights of Learning Turkish' is a self-study course book that takes the learner from the beginner level to the intermediate level in Turkish. It is designed for English speakers, targeting adult and young adult learners; especially for those planning to settle and live in Turkey or visiting Turkey for business or pleasure. It is a comprehensive, explanatory approach to Turkish language teaching how to construct and use the language both in formal and colloquial forms with dialogues, examples, grammar points, vocabulary and exercises. It shows the grammatical structures in detail with examples, which enables the learners to make their own sentences instead of depending on off-the-shelf phrases. In the book, you can also find general information about the Turkish alphabet and Turkish language as well as notes on Turkish culture in daily life. Covering so many language points, this book is also a grammar reference that targets a wide range of audience including advanced learners. At the end of the book, you will find the keys to the exercises. There are also Turkish - English and English - Turkish glossary sections as well as Turkish proverbs and idioms added to the book with explanations.

A Grammar Of Old Turkic Halit Demir

Download Turkish Grammar Workbooks 1 for early beginners (A1) for self-study, study with a Turkish language teacher or even a Turkish speaking friend or family member! Turkish Grammar Workbooks 1 is not only a grammar book with lots of explanations (although there are enough explanations to understand the grammar points) but lots of exercises to practice the Turkish grammar points. The types of exercises in the book are filling in the blanks, making sentences, rewriting the words to make a sentence etc. Turkish Grammar Workbooks 1 is great for self-study because there is an answer key at the end of the book. You can use Turkish Grammar Workbooks 1 for self-study or a reference book to your Turkish language course or your Turkish studies. Download Turkish Grammar Workbook 1 for early beginners (A1) and learn & practice Turkish grammar with exercises!

Comprehensive Grammar

First published in 2010. Routledge is an imprint of Taylor & Francis, an informa company.

Reading Book of the Turkish Language with a Grammar and Vocabulary Createspace Independent Publishing Platform

- What is easy Turkish Grammar? easy Turkish Grammar is a self-study reference and practice book for learners who want to study Turkish for the first time but are not sure where to start. It teaches all the grammar and vocabulary they need for speaking and writing in Turkish. Not only does it explain the rules, it also shows how the language works and gives plenty of practice. It can also be used by lower-intermediate learners who want to revise their knowledge of Turkish.
- Which Turkish does easy Turkish Grammar teach? It teaches modern standard Turkish, the dialect you read in newspapers and hear on TV channels.
- How is easy Turkish Grammar organised? The grammar To help you have a feel for how Turkish works the book starts with a brief introduction about Turkish spelling, pronunciation, word order and parts of speech such as verbs, nouns and adjectives. After the introduction you will study 36 units presented in order of difficulty. First three units, which deal with spelling and pronunciation, come with online audio. Each unit covers one part of grammar explained by making references to English so that you can compare relevant areas of grammar. Areas where you may have difficulty have been treated with particular care and attention. Each topic is illustrated by plenty of real-life examples written by using the equivalents of 2000 basic English words. And each and every example in the book is translated into English. In the book some unique conventions are used for spelling, pronunciation and grammar in order to help with the learning process. Each set of suffixes in Turkish, which might be mind-boggling for speakers of European languages such as English, is highlighted with a different colour throughout the book so that you can easily spot the order and function of every suffix. You can find the colour-legend at the bottom of the pages. Besides grammar, easy Turkish Grammar teaches lots of everyday phrases and expressions so that it may also make a useful handbook for daily Turkish. The exercises As practice makes perfect, the utmost care has been devoted to writing the exercises. At the end of the units you can find an extensive set of exercises. The appendices The appendices include 11 supplementary lessons, which you are referred to while you are studying the units. The key The key includes the answers to all the exercises. Online audio for the answers is also available. The index The index is unique in that the entries include only titles in English so that you can compare relevant areas of grammar. For example, if you want to know how to say must or express obligation in Turkish, all you need to do is refer to these titles. Here you will find information not only about how to say must in Turkish but also how Turkish suffix for must is also used to mean should. Or if you want to add -ness to an adjective or -ship to a noun, you will be referred to the relevant page where you will find that Turkish only has the suffix -lik for both. The bibliography

Turkish Grammar Springer

An Essential Grammar Ali Akpınar

This superb grammar and exercise text, used successfully for years at Princeton University, enable English speaking students--in and out of the classroom to gain a quick and thorough understanding of Modern Turkish. In a carefully arranged sequence of 23 lessons, Lewis V. Thomas, late Professor of Oriental Studies at Princeton, presents thorough coverage that allows the student to begin to use the basic patterns of modern Turkish without time-consuming and expensive private instruction.

Containing a Selection of Original Tales, Literally Translated and Accompanied by Grammatical

References : the Pronunciation of Each Word Given as Now Used in Constantinople Cinius Yayınları

Mualla Atlamaz was born in Samsun. She graduated from "İktisadi ve Ticari İlimler Akademisi"

(Academy of Commerce and Economics) in Istanbul. In U.S.A., she became a teacher of Foreign

Service Institute Language School of the State Department. She has applied the F.S.I. method

together with linguists for 3 years as a Turkish language instructor. For the following 10 years, she

has worked as a Turkish teacher in Consulate of U.S.A. in İstanbul. She has also taught Turkish in

summer courses of the Turkish-American Association T.A.U.A. for 15 years. For about 45 years she

has worked as a private instructor to countless numbers of people of every nation and profession.

The purpose of this book is to provide ample material for teaching the grammar rules of the Turkish

language and their applications in daily conversations. This book employs an analytical approach to

a wide variety of grammar rules. All suffixes being structured according to vowel harmony, are easily

understandable. It also gives to the foreign students of Turkish a large number of appropriate

exercises as a result of all these years' experiences. The dialogues enrich and enforce grammar

rules applications in daily conversations. Each unit has drills and answers for a better understanding

and learning of the chapter. Yayınevi: Cinius Yayınları

With a Preliminary Discourse on the Language and Literature of the Turkish Nations, a Copious

Vocabulary, Dialogues, a Collection of Extracts in Prose and Verse, and Lithographed Specimens of

Various Ancient and Modern Manuscripts Cambridge University Press

500 Turkish Words in Context provides the most common Turkish words and suffixes for A1 and A2

learners of Turkish. In 500 Turkish Words in Context you will find four sets of words in this order:

1-150 150 nouns 151-300 150 adjectives 300-450 150 verbs 450-500 50 adverbs, pronouns,

postpositions, conjunctions, question words, and suffixes Each set includes brief grammar tips and

useful patterns. Each word is exemplified in at least one sentence and each example sentence is

composed - to a great extent - of the preceding words on the list. So, the carefully structured list

enables you to recycle the words you have already studied. Some of the 500 headwords include

further meaning relationships. For example, the headword renk (colour) covers the names of colours

and giysi (clothes) covers some items of clothing and footwear. In a similar way, the headword

başarmak (to succeed) lists other words from the same root such as başarı (success), başarılı

(successful) and başarısız (unsuccessful). So, the number of words you can see in the index is well

above 2000. You can practise all words by taking online quizzes and download the audios (4.11

hours) of all the words and example sentences in the book. You can find all the links in the book. 500

Turkish Words in Context also includes: ✓ the most common everyday expressions and pleasantries.

✓ a 500-word glossary of English and Turkish words with the same origin. All you need to do to add

these words to your vocabulary is to see and hear them once. You will never forget them. ✓ an index

providing easy access to the words and examples. How much can this word list help to improve your

Turkish? In a nutshell, a lot. This core vocabulary covers a great part of any conversation or text in

Turkish you will be involved in and provides a sound linguistic foundation to build upon. Personally, I

have benefitted tremendously from such a list as a learner of Spanish. After mastering Spanish core

vocabulary, I can enjoy Netflix shows and films dubbed in Spanish with the help from Spanish

subtitles. I can understand podcasts at A2 level and even daily newspapers to a great extent. My

next challenge is to speak the language in real settings. But I have already built enough confidence

to hold daily conversations in a variety of settings and survive in a Spanish speaking country.

Mit Press

A complete reference guide to modern Turkish grammar, this work presents a full and accessible

description of the language, concentrating on the real patterns of use.

Turkish Books A2: Turkish Grammar Workbooks 2 BoD - Books on Demand

Das vorliegende Buch soll Ihnen Freude machen und keine Langeweile aufkommen lassen. Unser

Anliegen ist es, Ihnen mit einfachen Grammatik-Erklärungen, leicht verständlichen Übungen, einem

übersichtlicher Aufbau und viel Motivation die türkische Sprache näher zu bringen. Zahlreiche,

realitätsnahe Aufgaben und Beispiele runden den Lernerfolg ab und bilden eine Balance zwischen

traditionellem Lernen und dem absoluten Spass mit Wörtern zu spielen. Entstanden ist die Idee zu

diesem und unseren anderen Büchern aus der Praxis heraus in Seminaren und Sprachkursen. Dieses

Buch als Selbststudienbuch und Nachschlagewerk soll als unersetzliche Hilfe für das Türkisch Lernen

dienen. Weitere Materialien und Aufgaben finden Sie auf unserer Webpage www.studyturkce.com.

This book should provide you with lots of pleasure while studying Turkish. It is designed to both

teach and entertain. Our main approach is to supply you with easy grammar explanations, simply

understandable rules, a clear structure and lots of motivation. Plenty of hands-on exercises and

examples offer a balance between classical language learning the absolute joy of playing with

words. The idea of publishing this book was born from practical experience in seminars, and

language classes. This book as both a self-study and reference book is intended to be a tremendous

help in learning Turkish. It is part of a series of carefully designed reference and practice books to

anyone studying or teaching Turkish. Further books and exercises you will find at

www.studyturkce.com."

A Fresh Approach to Türkçe Ali Akpınar

For the first time, a linguistic description of Old Turkic (7th to 13th centuries) is presented, dealing

with phonology, morphophonology and subphonemic phenomena as reflected in numerous scripts,

derivational and inflectional morphology, syntax and coherence, the lexicon and stylistic, dialect and

diachronic variation.
