GO Math! offers an engaging and interactive approach to covering the Common Core State Standards. This Grade 3 student edition is organized into individual chapter booklets and comes with a student resource book.

Practice Book Grade 3 Houghton Mifflin

Support third-grade students with 180 daily practice activities to build their mathematical fluency. Each problem is tied to a specific mathematical concept to help students gain regular practice of key grade-level skills. This book features quick, diagnostic-based activities that are correlated to College and Career Readiness and other state standards, and includes data-driven assessment tips. Digital resources include assessment analysis tools and pdfs of the activity sheets. With these daily practice activities, teachers and parents will be helping third graders improve their math skills in no time!

Grade 6 Houghton Mifflin

The popular Flash Kids Workbooks now features STEM enrichment sections and easy-to-tackle projects for wherever learning takes place! This comprehensive line of workbooks was developed through a partnership with Harcourt Family Learning, a leading educational publisher. Based on

national teaching standards for Grade 1, this workbook provides complete practice in math, reading, and other key subject areas. New content includes an introduction to STEM concepts and terms, how STEM impacts everyday life, concept review quiz, and fun, engaging projects that reinforce the subjects. Flash Kids Complete Curriculum Grade 1 also includes a new introduction providing recommendations for educators on how to use this volume to differentiate lessons in the classroom and instructions to integrate the content into hybrid and remote learning.

Go Math!: Assessment Guide Grade 3 Houghton Mifflin

GO Math! combines fresh teaching approaches with never before seen components that offer everything needed to address the rigors of new standards and assessments. The new Standards Practice Book, packaged with the Student Edition, helps students achieve fluency, speed, and confidence with grade-level concepts. GO Math! is the first K-6 math program written to align with the Common Core. With GO Math! you will hit the ground running and have everything you need to teach the Common Core State Standards. GO Math! combines fresh teaching approaches with everything needed to address the rigors of the Common Core Standards. Using a unique write-in student text at every grade, students represent, solve, and explain -- all in one place. - Publisher. *Common Core Edition* Houghton Mifflin

"GO Math! offers an engaging and interactive approach to covering the Common Core State Standards. Our GO Math! Student Edition (Grade 3) is write-in with embedded practice pages so students record their strategies, explanations, solutions, practice and test prep right in their books. [...] Includes two volumes." --
