Cane, by Jean Toomer - A Project Gutenberg eBook Cane, experimental novel by Jean Toomer, published in 1923 and reprinted in 1967, about the African American experience. This symbolic, poetic work comprises a variety of

literary forms, including poems and short stories, and incorporates elements from both Southern black folk culture and the contemporary white avant-garde. Cane | work by Toomer | Britannica Jean Toomer's Cane is one of the most influential works in the history of African-American literature. A "literary work" is truly the most appropriate term for Cane, certainly more

Consisting of a multitude of disconnected vignettes, the novel casts a wide net over African Americans' experiences in the United
