The Rough Patch Bloom Books
A thrilling debut, reminiscent of new fan favorites like *One of Us Is Lying* and the beloved classics by Agatha

Christie, that will leave readers guessing until the explosive ending.

“Welcome to dinner, and again, congratulations on being selected. Now you must do the selecting.” What do the queen bee, star athlete, valedictorian, stoner, loner,

and music geek all have in common? They were all invited to a scholarship dinner, only to discover it’s a trap. Someone has locked them into a room with a bomb, a syringe filled with poison, and a note saying they have an hour to pick

someone to kill...or else everyone dies. Amber Prescott is determined to get her classmates and herself out of the room alive, but that might be easier said than done. No one knows how they're all connected or who would want them dead. As they retrace the events over the past year that might have triggered their captor's ultimatum, it becomes clear that everyone is hiding something. And with the

clock ticking down, confusion turns into fear, and fear morphs into panic as they race to answer the biggest question: Who will they choose to die? *If We Ever Meet Again* Hachette UK Gritty and hard hitting, this is thoughtful teen fiction at its finest. Seventeen-year-old Tyler is the popular boy in high school after years of being "the geek". But then Bethany - rich, blonde, beautiful - is
