Flash Cards: COMBINED Sight Words RP Books & Audio

Sight words are common words that appear again and again in your children's reading material. Knowing these words is essential for reading fluency. Bob Books Sight Words - First Grade gradually adds more complexity as your beginning reader acquires 30 new sight words. It is a great companion book to Bob Books Sight Words - Kindergarten. Consistent short vowels in one syllable words of three, four or five letters, mean children can sound out (decode) the story. They learn three new sight words per book. While words and stories in Sight Words First Grade are slightly longer and more complex than Sight Words Kindergarten, they are still suitable for a beginning reader. Inside this eBook you'll find: - 10 easy-to-read, hilarious small books, 12 pages each. - Slightly longer and more complex stories. - All stories told in one syllable, three-, four- and five-letter words, plus sight words. - Consistent short vowels mean easy decoding in the rest of the story. - Three new sight words introduced in each book. - Context clues and illustrations give sight word hints.

Help preschoolers get ready for reading, writing, and numbers!

This gigantic, 320-page book of creative, colorful activities will make learning feel like play. An A+ adventure unfolds, as kids encounter sensational squares and rocking rectangles, a giant newt reading the newspaper and a dinosaur playing the drums. Bold, bright colors and illustrations ease little ones into learning without feeling overwhelmed. Lessons focus on must-know readiness basics, including colors, shapes, the alphabet, basic phonics, early math, and more, and activities appear in order of increasing difficulty, so preschoolers stay challenged until the end, constantly expanding their skills. When all done, they can fill in their name on their very own reward certificate! The spiral-bound format means pages lay flat for ease of work and maximum concentration. When opened out flat, it can also fold over on itself, in half, to make a 9" X 10.75" lap-sized work surface while traveling or waiting somewhere without access to a table. School Zone products give kids their own Anywhere Teacher learning, anywhere and anytime!

**Learn to Read for Kids with Dyslexia: 101 Games and Activities to Teach Your Child to Read** RP Books & Audio

Learn to Read for Kids with Dyslexia is the definitive activity workbook to improve phonemic awareness, dysgraphia, and auditory processing disorder (APD) for kids ages 7-12. For kids with an official dyslexia diagnosis, or kids struggling with dyslexia related symptoms, learning to read can be challenging. Using a targeted approach to skill development, Learn to Read for Kids with Dyslexia applies the latest research-based learning methods to games and activities that strengthen auditory discrimination skills, support letter formation in writing, and most importantly--make reading fun. Specifically designed for kids ages 7-12, these engaging activities offer children daily opportunities to practice and hone their reading skills, instead of more homework for your child or student. With icons that designate skill building in phonemic awareness, dysgraphia, and APD for each activity, this workbook allows parents and teachers to focus on strengthening specific areas that will help kids become lifelong readers. From rhyme triangles to letter tracing mazes, Learn to Read for Kids with Dyslexia offers an entertaining and effective approach to reading with: 101 illustrated games and activities that include word association, picture association, matching, coloring,

listening, writing with sounds, and races 6 research-based learning methods such as phonological awareness training, phonemic awareness training, multisensory instruction, overlearning, explicit phonics instruction, and more! A flexible program that can be used one-on-one or in a small group Learn to Read for Kids with Dyslexia makes reading enjoyable and rewarding with fun-filled games and activities that teach children how to read fluently and confidently.

120 pages. Discover the Math & Reading Flashcard Series. Flash cards with attitude and critters. The author, Robert Stanek, collected sight word lists, wall word lists, and vocabulary lists while his four children attended elementary school. The Sight Words Plus system incorporates the many words on those many lists, gathered over many years. Knowing sight words and wall words is essential for reading fluency and classroom learning. This book is complete with 102 of the most commonly used nouns, organized into 6 different word sets for easier learning. Sight words are words that are used frequently but may be difficult to sound out or may be confused with other words. Because children often have trouble reading sight words phonetically, they can benefit instead from the whole word approach in which they memorize each word. Wall words are words that teachers commonly emphasize in the classroom to improve reading and learning skills. Although many of these words are used in the classroom, they may not be used regularly at home and children can benefit greatly from memorizing each word. With repetition and context clues, your child should quickly master these important nouns.
