Straight Talk on Depression Drew Linsalata
Many people are only concerned with what happens today or perhaps a few months down the road. At best, they may be concerned with what happens after retirement. But what about life after death? Are you prepared for it? Although your physical body will die someday, your spirit More. . . will continue to live for eternity. Whether your spirit resides in heaven or in hell depends on the choices you have made. In this book, best-selling

author Joyce Meyer outlines God's plan for salvation so you can make the right decision.

Straight Talk on Stress Ty Freyvogel
Ed Schultz is here to slay the "right-wing radio dragon" and revitalize the charge against Bush-era "conservative cruelty" with his own bold, irreverent truth-talk. When the self-described "gun-toting, meat-eating, drug-free liberal" from America's heartland came out swinging with his syndicated radio program, *The Ed Schultz Show*, listeners realized right away that this was no cookie-cutter liberal, but a tough-talking advocate for everything

that's right about the left. "A free press is all that stands between you and a dictatorship," warns Schultz, in defiance of the Bush administration and ultra-conservative talking heads like Rush Limbaugh and Sean Hannity, whom he blames for quashing political debate just when America needs it most. While Big Ed has what it takes to "go bare-knuckle brawling" with his staunchest detractors, it is with a deep compassion and impeccable common sense that he describes how our "government by the rich and for the rich" is imperiling the lives of average hard-working Americans. In *Straight Talk from the Heartland*, Schultz rails against the havoc that our nation's leaders are wreaking on everything from international relations to homeland defense, from our skyrocketing federal deficit to the disenfranchised families of rural America who are struggling to make ends meet. With a heady mix of patriotism, outrage, humor, and hope, he makes an urgent appeal to universal virtues such as honesty and liberty, and reminds readers of what he calls the Four Pillars of a Great Nation: *Defending America*: "We have lost faith in our leaders. The world has lost

faith in us. Our foray into Iraq, to disarm a nation of biological and nuclear weapons they did not have, has shrunk American credibility like a cheap sweater." *A Sound Economy*: "The Bushies are like street hustlers. While they show you a meager tax cut with one hand, they steal your wallet with the other." *Feeding the Nation*: "Bad farm policy and bad trade agreements are running the American farmer off the land. It's killing small towns, and small towns are the heart of this nation." *Educating America*: "Don't start counting your tax break just yet. Your state and local taxes are rising to support the unfunded mandate of the No Child Left Behind act." "I'm here to give it to you straight," Big Ed says. "I've got faith that, when Americans grasp what's going on around them, they'll start acting like a bear fresh out of hibernation -- famished, ill-tempered, and ready to start raising hell." *Straight Talk from the Heartland* is the wake-up call America has been waiting for.

A practical and pithy guide to investing to help everyday investors achieve their long-term goals The 21st century has been beset with three financial market shocks in its first 20 years, the bursting of the Tech Bubble in 2000-2002; the Global Financial Crisis of 2008-09; and 2020 COVID-19 crash. Given this backdrop, it is no wonder that investing can appear to be so daunting to individual investors. This book will assist your manage your “serious” money—the dollars that you set

The book also emphasizes the concept of thinking of yourself as a “financial entrepreneur”—managing your financial life like owner manages a business. Now, Christians throughout the world, who have just been born again by believing in the gospel of the water and the Spirit that we are spreading, are indeed yearning to feed on the bread of life. But it is difficult for them to have fellowship with us in the true gospel, for they are all far away from us. Therefore, to meet the spiritual needs of these people of Jesus Christ, the King of kings, the sermons in this book have been prepared as new bread of life for them to nourish their spiritual growth. The author proclaims that those who have received

the remission of their sins by believing in the Word of Jesus Christ, the King of kings, must feed on His pure Word in order to defend their faith and sustain their spiritual lives. This book will provide the real spiritual bread of life to all of you who have become the royal people of the King by faith. Through His Church and servants, God will continue to provide you with this bread of life. May God's blessings be on all of you who have been born again of water and the Spirit, who desire to have true spiritual fellowship with us in Jesus Christ. The New Life Mission
