"Why do I always see the numbers 444 (or 111, 333, etc.) everywhere I go?" is one of the most frequently asked questions that Doreen Virtue receives at her worldwide workshops. In her best-

selling book *Healing with the Angels*, Doreen included a chapter that briefly explained the meanings behind these number sequences, and many people have commented that they carry the book with them everywhere to help them interpret the numbers they see daily. By popular request from Doreen's audience members, *Angel Numbers* has been created to serve as a pocket guide containing the angelic meanings of numbers from 0 to 999. Designed to fit into a purse or pocket for easy transport, *Angel Numbers* provides an interpretation of more complex number sequences than was previously available in *Healing with the Angels*. This new book focuses on numbers such as 123, 337, 885, and so on. Whether you're seeing these numbers on license plates,

telephone numbers, the clock, or other locations, they're very real messages from the angels. Angel Numbers will help you instantly understand the meaning of these signs!

A Wrinkle in Time is the winner of the 1963 Newbery Medal. It was a dark and stormy night—Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let

me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem.

Haripriya's connection with the angels began a decade back, when they helped her cope with the passing on of her grandmother and helped remove a lot of fear and dark energy. Thereafter, she has communicated with the angels at crucial moments in life and expressed her deepest feelings to them. Not only did they listen, but they also responded with unconditional love by sending help in the form of people or altered

circumstances. This book is written from such a place of unconditional love. The kindness and wisdom that are present in each story are empowering the readers to grow spiritually, to rediscover their inner strength and the connection to the divine angels. The gift of Reiki, the universal life force energy which helps us heal ourselves and others and connect to our true divine nature, has strengthened the connection and made the communication easier, clearer, and more powerful. The stories and techniques shown here are part of a long term collaboration with the Reiki portal Reiki Rays, and can be found in the archives of their website. The book is a compilation of the Haripriya's most appreciated articles, arranged in a way that flows naturally and makes for an

easy and inspiring lecture. To fully understand and to be able to apply the techniques described in this book, the reader should already be introduced to the healing magic of Reiki.

The Ancient Hermetic Secrets to Alchemy and Divine Magic Revealed! You have natural magical abilities that can elevate your life to a whole new level, as well as heal and help your loved ones and clients. The original teacher of this Divine magic was an Egyptian sage named Hermes Trismegistus. His teachings, called "Hermetics," were only taught verbally or in very cryptic writings. In 1908, three Hermetic students recorded them in a book called The Kybalion. Yet this work was still difficult to understand because of its archaic and confusing language. Now, in Divine Magic, Doreen Virtue presents a clear, edited version of The Kybalion, written in understandable and modern

language while retaining all of the original teachings. She gives comments and practical suggestions based upon her own success in using Hermetic teachings for healing and manifestation. With Divine Magic, you can master your moods, release negativity, manifest new levels of abundance, and attract wonderful opportunities in all areas of your life.
