The Nature Principle: Louv, Richard: 9781616201418: Amazon ... Richard Louv The Nature Principle  
“The future will belong to the nature-smart—those individuals, families, businesses, and political leaders who develop a deeper understanding of the transformative power of the natural world and who balance the virtual with the real. The more high-tech we become, the more nature we need.” —Richard Louv  
The Nature Principle - Overview - Richard Louv  
A Field Guide to the New Nature Movement Applying the Nature Principle to Your Life and the Lives of Others. The following collection of resources is presented as a limited sampling of organizations and inspirational actions. For a broader view, please read The Nature Principle and Last Child in the Woods.  
The Nature Principle - Field Guide - Richard Louv  
Overview. In The Nature Principle, journalist and environmentalist Richard Louv calls for action against the nature-deficit disorder, a term he introduced in his bestselling novel Last Child in the Woods. Nature-deficit disorder is the mental, spiritual, emotional and physical detriment caused by a lack of connection with our natural environment.  
The Nature Principle Summary and Study Guide | SuperSummary  
Richard Louv is able to show how true this principle really is. Through a combination of psychology research and anecdotal evidence, this book shows how even a limited connection to nature helps us to re-ignite our bodies, our health, our imaginations, and our communities.  
The Nature Principle: Human

Restoration and the End of ...Bringing more nature experiences to education is a challenging task, and teachers can't do it alone. Higher education, businesses, families and the whole community must become involved. If, as an educator, you'd like to join or help lead the movement, Richard Louv shares a few ways to get started...  
Richard Louv - Home | Facebook  
Richard Louv (born 1949) is an American non-fiction author and journalist. He is best known for his seventh book, Last Child in the Woods: Saving Our Children From Nature-Deficit Disorder (first published in 2005 by Algonquin Books of Chapel Hill), which investigates the relationship of children and the natural world in current and historical contexts.  
Richard Louv - Wikipedia  
Richard Louv is a journalist and the author of ten books, including Last Child in the Woods: Saving Our Children from Nature-Deficit Disorder, The Nature Principle, and Vitamin N. Translated into twenty languages, his books have helped launch an international movement to connect children, families, and communities to nature. He is cofounder and chair emeritus of the nonprofit Children & Nature ...  
The Nature Principle: Louv, Richard: 9781616201418: Amazon ...  
In Last Child in the Woods, Richard Louv warned that nature-deficit disorder threatens our health, our spirit, our economy, and our future stewardship of the environment. Louv's newest book, The Nature Principle: Human Restoration and the End of Nature-Deficit Disorder, takes the next step and tackles the ambitious task of mapping our way to a more connected future.  
Orion Magazine | The Nature Principle  
The Nature Principle by Richard Louv is a wonderful followup to his popular book The Last Child

in the Woods. I enjoyed listening to Rick Adamson read the unabridged 10.24 hour audio version. The short, focused chapters were perfect for an audio book format.  
The Nature Principle: Human Restoration and the End of ...  
100 quotes from Richard Louv: 'An environment-based education movement--at all levels of education--will help students realize that school isn't supposed to be a polite form of incarceration, but a portal to the wider world.', 'The woods were my Ritalin. Nature calmed me, focused me, and yet excited my senses.', and 'Passion is lifted from the earth itself by the muddy hands of the young; it ...'
