Journal of Electromagnetic Analysis and Applications Journal of Electromagnetic Analysis and Applications. JEMAA is a professional journal in the field of electromagnetic analysis, testing and application. The goal of this journal is to provide an international platform for engineers and academicians all over the world to promote, share, and discuss various new issues and developments in the field of electromagnetics. Journal of Electromagnetic Analysis and Applications | Publons Journal of Electromagnetic Analysis and Applications, Volume 12, pp 15-28; doi:10.4236/jemaa.2020.122003 Journal | Journal of Electromagnetic Analysis and Applications Academic Journals Database is a universal index of periodical literature covering basic research from all fields of knowledge, and is particularly strong in medical research, humanities and social sciences. Full-text from most of the articles is available. Academic Journals Database contains complete bibliographic citations, precise indexing, and informative abstracts for papers from a

wide ... Journal of Electromagnetic Analysis and Applications ... Journal of Electromagnetic Waves and Applications covers all aspects of electromagnetic wave theory and its applications. It publishes original papers and review articles on new theories, methodologies, and computational techniques, as well as interpretations of both theoretical and experimental results. Journal of Electromagnetic Waves and Applications The aim of the International Journal of Applied Electromagnetics and Mechanics is to contribute to intersciences coupling applied electromagnetics, mechanics and materials. The journal also intends to stimulate the further development of current technology in industry. The main subjects covered by the journal are: International Journal of Applied Electromagnetics and ... Electromagnetic analysis is carried out for two electric angle periods, that is, 0.0204 s. The rotating speed of the motor is 1469 rpm. The setting of the three-phase current is shown below: Electromagnetic Analysis - an overview | ScienceDirect Topics Journal of Electromagnetic Waves and Applications, Volume 34, Issue 17 (2020) ... Electromagnetic, thermal and diffusive wave analysis on a two-temperature generalized thermo-elastic problem in a semi-infinite solid with cylindrical cavity subject to thermal loads. Journal of Electromagnetic Waves and Applications: Vol 34 ... (1995). Analysis of current and electric field distributions of coaxial-slot antenna for interstitial microwave hyperthermia. Journal of Electromagnetic Waves and Applications: Vol. 9, No. 5-6, pp. 831-849. Analysis of current and electric field distributions of ... The journal publishes original papers and review articles on new theories, methodology and computational techniques, and interpretations of both theoretical and experimental results. The aim is to ... Journal of Electromagnetic Waves and Applications International Journal of Magnetism and Electromagnetism is an Open Access, peer reviewed, academic journal promoting the various interdisciplinary aspects of Magnetism, Magnetism and Electromagnetism. The Journal focuses upon publishing various aspects under the scope of Electrostatics, Vector Analysis, Vector Calculus, Steady Magnetic Field, Electric and Magnetic Fields in Materials, Time Varying Fields, Maxwell's Equations, Electromagnetic Waves, Engineering Electromagnetic, Elements of ... International Journal of Magnetism and Electromagnetism ... Electromagnetic and power side-channel

analysis (SCA) provides attackers a prominent tool to extract the secret key from the cryptographic engine. Electromagnetic and Power Side-Channel Analysis: Advanced ... Efficient and optimal design of radar-based Advanced Driver Assistant Systems (ADAS) needs the evaluation of many different electromagnetic solutions for evaluating the impact of the radome on the electromagnetic wave propagation. Because of the very high frequency at which these devices operate, with the associated extremely small wavelength, very fine meshes are needed to accurately ... Parametric Electromagnetic Analysis of Radar-Based ... Scientific Research Publishing (SCIRP) is an academic publisher of presumably peer-reviewed open-access electronic journals, conference proceedings, and scientific anthologies of questionable quality. Although it has an address in southern California, in reality it is a "Chinese operation". As of December 2014, it offered 244 English-language open-access journals in the areas of science ... Scientific Research Publishing - Wikipedia Journal of Electromagnetic Analysis and Applications (JEMAA) is a professional journal in the field of electromagnetic analysis, testing and application. The goal of this journal is to provide an international platform for engineers and academicians all over the world to promote, share, and discuss various new issues ... Journal Of Electromagnetic Analysis And Applications Effects of electromagnetic fields emitted by GSM phones on working memory: a meta-analysis. O. Zubko. Corresponding Author.
