Breaktime & Dance on My Grave Titan Books (US, CA)

"A glimpse into the fragile psyche of a dancer." —The Washington Post Jenifer Ringer, a principal dancer with the New York City Ballet, was thrust into the headlines after her weight was commented on by a New York Times critic, and her response ignited a public dialogue about dance and weight. Ballet aficionados and aspiring performers of all ages will want to join Ringer behind the scenes as she shares her journey from student to star and candidly discusses both her struggle with an eating disorder and the media storm that erupted after the Times review. An unusually upbeat account of life on the stage, *Dancing Through It* is also a coming-of-age story and an inspiring memoir of faith and of triumph over the body issues that torment all too many women and men.

A History of Ballet Crown

"A compelling and important history that this nation desperately needs to hear." - Bryan Stevenson, New York Times bestselling author of *Just Mercy* and executive director of the Equal Justice Initiative Winfred Rembert grew up in a family of Georgia field laborers and joined the Civil Rights Movement as a teenager. He was arrested after fleeing a demonstration, survived a near-lynching at the hands of law enforcement, and spent seven years on chain gangs. During that time he met the undaunted Patsy, who would become his wife. Years later, at the age of fifty-one and with Patsy's encouragement, he started drawing and painting scenes from his youth using leather tooling skills he

learned in prison. *Chasing Me to My Grave* presents Rembert's breathtaking body of work alongside his story, as told to Tufts Philosopher Erin I. Kelly.

Rembert calls forth vibrant scenes of Black life on Cuthbert, Georgia's Hamilton Avenue, where he first glimpsed the possibility of a life outside the cotton field. As he pays tribute, exuberant and heartfelt, to Cuthbert's Black community and the people, including Patsy, who helped him to find the courage to revisit a traumatic past, Rembert brings to life the promise and the danger of Civil Rights protest, the brutalities of incarceration, his search for his mother's love, and the epic bond he found with Patsy. Vivid, confrontational, revelatory, and complex, *Chasing Me to My Grave* is a searing memoir in prose and painted leather that celebrates Black life and summons readers to confront painful and urgent realities at the heart of American history and society.

Big Dreams, False Starts, and My Midlife Quest to Dance the Nutcracker Bookouture

A "tremendous," "intrepid" history of the devastating war in the heart of Africa's Congo, with first-hand accounts of the continent's worst conflict in modern times. At the heart of Africa is the Congo, a country the size of Western Europe, bordering nine other nations, that since 1996 has been wracked by a brutal war in which millions have died. In *Dancing in the Glory of Monsters*, renowned political activist and researcher Jason K. Stearns has written a compelling and deeply-reported narrative of how Congo became a failed state that collapsed into a war of retaliatory massacres. Stearns brilliantly describes the key perpetrators, many of whom he met personally, and highlights

the nature of the political system that brought these people to power, as well as the moral decisions with which the war confronted them. Now updated with a new introduction, *Dancing in the Glory of Monsters* tells the full story of Africa's Great War.

Tuesdays with Morrie Wesleyan University Press

In a town full of secrets, the truth won't stay buried... When a girl's body is discovered in a park in the sleepy Massachusetts town of Oakhurst, local detective Jo is shocked to the core. Because the girl is the second innocent victim to turn up dead in three days. And just like the first, a tarot card has been left by the body. The meaning of the card: betrayal. After uncovering a series of threatening messages targeting the girl, a student at the university, and the first victim, her teacher, Jo thinks she's locked the killer in her crosshairs. The primary suspect is a volatile ex-military student with an axe to grind for failing grades, and the frightened town is out for his blood. But the next day, a much-loved member of the community is found dead in her home, a tarot card in her mail. There's no clear motive to link her death to the others, and the message on the card this time is even stranger: domestic bliss. With a fourth body and card appearing the following day, Jo knows she's running out of time to crack the code and bring the killer to justice. And the pressure only gets worse with heart-breaking news about Jo's father forcing her to choose between helping her family heal or the victims' families get justice. Can Jo find the twisted murderer sending the town into a panic before another life is lost? Or this time, will the dangerous killer find her first? A completely addictive detective thriller that will keep you guessing into

the early hours of the morning. If you love Kendra Elliot, Melinda Leigh and Lisa Regan you'll love *Taken to the Grave*. Read what everyone is saying about M.M. Chouinard: "Loved it, loved it, loved it!!... If I could give it 6 stars I would! In this current climate of 'twists you will never see coming' - believe me... you will never see this coming!... Cannot wait for the next book!... Best book I have read for some time." NetGalley Reviewer [REDACTED] "Holy Freaking Hell when is the next book out?! From start to finish this book is just WOW!... Keeps you on the edge of your seat... full of twists and turns... Talk about mind-blowing... Want to shout about it from the rooftops... I cannot recommend this book enough." Baker's Not So Secret Blog [REDACTED] "I was just blown away by its climax, wandering around going OMG... Found it totally gripping... impossible to put down." Muse Books [REDACTED] "Wow, Wow, Wow... the most exciting new author I have read for a long time... Extremely addictive and left me wanting more. This book has everything... and a huge unexpected twist you will not see coming. I can't emphasise enough how much enjoyment I got from reading this... I'll be queuing up for the next... Well-deserved 5 stars - Wow." Goodreads Reviewer [REDACTED] Things Fall Apart Simon and Schuster A look inside a dancer's world Inspiring, revealing, and deeply relatable, *Being a Ballerina* is a firsthand look at the realities of life as a professional ballet dancer. Through episodes from her own career, Gavin Larsen describes the forces that drive a person to study dance; the daily balance that dancers navigate between hardship and joy; and the dancer's continual quest to discover who they are as a person and as an artist. Starting with her arrival as a

young beginner at a class too advanced for her, Larsen tells how the embarrassing mistake ended up helping her learn quickly and advance rapidly. In other stories of her early teachers, training, and auditions, she explains how she gradually came to understand and achieve what she and her body were capable of. Larsen then re-creates scenes from her experiences in dance companies, from unglamorous roles to exhilarating performances. Working as a ballerina was shocking and scary at first, she says, recalling unexpected injuries, leaps of faith, and her constant struggle to operate at the level she wanted--but full of enormously rewarding moments. Larsen also reflects candidly on her difficult decision to retire at age 35. An ideal read for aspiring dancers, Larsen's memoir will also delight experienced dance professionals and fascinate anyone who wonders what it takes to live a life dedicated to the perfection of the art form.

Break Dancing for Beginners Coloring Book Penguin UK

"If you ever wondered how much better Sherlock would be if people could hurl hellfire at each other, well this one is for you." Starburst Magazine on *A Study in Brimstone* As they blunder towards doom, Warlock Holmes and Dr. John Watson find themselves inconvenienced by a variety of eldritch beings. Christmas brings a goose that doesn't let being cooked slow it down; they meet an electricity demon, discover why being a redhead is even trickier than one might imagine, and Holmes attempts an Irish accent. And, naturally, Moriarty is hanging around... in some form or other. *Choreographing Difference* Penguin From the co-author of *I Would Find a Girl Walking* and an award-winning true-crime television reporter comes the

shocking story of Debbie Flores, a Las Vegas showgirl whose dreams of a dazzling career ended in a nightmare... Vivacious Debbie Flores was a college educated Washington Redskins cheerleader when she headed for "Sin City." It was a smart move for the aspiring showgirl who'd soon be making her star-making solo debut at the legendary Luxor. But after the morning rehearsals of December 12, 2010, no one saw Debbie alive again. A cryptic text message she left for her mother led authorities to Debbie's charismatic boyfriend, Jason "Blu" Griffith. A fellow Vegas dancer, Blu was hiding a terrible secret. It involved a rental van, bags of cement, two plastic tubs, and a handsaw. When the details of the crime unfolded, everyone asked: how could a girl with such passion and promise come to an end so violent and unexpected? In time, the truth would reveal a life more tumultuous than believed—and what exactly transpired on Debbie's tragic final day would stun the nation.

#1 NEW YORK TIMES BESTSELLER • A special 20th anniversary edition of the beloved book that changed millions of lives—with a new afterword by the author Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights

faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He rediscovered Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class": lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

The Scarlet Letter William Morrow

The Body and Identity in Contemporary Dance Penguin

NATIONAL BESTSELLER For more than four hundred years, the art of ballet has stood at the center of Western civilization. Its traditions serve as a record of our past. Lavishly illustrated and beautifully told, *Apollo's Angels*—the first cultural history of ballet ever written—is a groundbreaking work. From ballet's origins in the Renaissance and the codification of its basic steps and positions under France's Louis XIV (himself an avid dancer), the art form wound its way through the courts of Europe, from Paris and Milan to Vienna and St. Petersburg. In the twentieth century, émigré dancers taught their art to a generation in the United States and in Western Europe, setting off a new and radical transformation of dance. Jennifer Homans, a historian, critic, and former professional ballerina, wields a knowledge of dance born of dedicated practice. Her admiration and love for the ballet, as *Entertainment Weekly* notes,

brings "a dancer's grace and sure-footed agility to the page." NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW • LOS ANGELES TIMES • SAN FRANCISCO CHRONICLE • PUBLISHERS WEEKLY
The Dance of Death Bloomsbury Publishing USA

Winner of the Pulitzer Prize "A masterwork . . . the novel astonishes with its inventiveness . . . it is nothing less than a grand comic fugue."—The New York Times Book Review
A Confederacy of Dunces is an American comic masterpiece. John Kennedy Toole's hero, one Ignatius J. Reilly, is "huge, obese, fractious, fastidious, a latter-day Gargantua, a Don Quixote of the French Quarter. His story bursts with wholly original characters, denizens of New Orleans' lower depths, incredibly true-to-life dialogue, and the zaniest series of high and low comic adventures" (Henry Kisor, *Chicago Sun-Times*).

Dancing on My Grave UPNE

From Newbery Medalist Jerry Spinelli comes the story of a girl searching for happiness inside the walls of a prison. And don't miss the author's highly anticipated new novel, *Dead Wednesday!* Cammie O'Reilly lives at the Hancock County Prison--not as a prisoner, she's the warden's daughter. She spends the mornings hanging out with shoplifters and reformed arsonists in the women's exercise yard, which gives Cammie a certain cache with her school friends. But even though Cammie's free to leave the prison, she's still stuck. And sad, and really mad. Her mother died saving her from harm when she was just a baby. You wouldn't think you could miss something you never had, but on the eve of her thirteenth birthday, the thing Cammie most wants is a mom. A prison might not be the best

place to search for a mother, but Cammie is determined and she's willing to work with what she's got. "A tapestry of grief and redemption, woven by a master storytellerMoving and memorable." --Kirkus Reviews, Starred Review

Being a Ballerina Random House

"I am doomed to remember a boy with a wrecked voice—not because of his voice, or because he was the smallest person I ever knew, or even because he was the instrument of my mother's death, but because he was the reason I believe in God; I am a Christian because of Owen Meany." In the summer of 1953, two eleven-year-old boys—best friends—are playing in a Little League baseball game in Gravesend, New Hampshire. One of the boys hits a foul ball that kills the other boy's mother. The boy who hits the ball doesn't believe in accidents; Owen Meany believes he is God's instrument. What happens to Owen, after that 1953 foul ball, is extraordinary and terrifying. (a Play) Zace Limited

It takes a graveyard to raise a child. Nobody Owens, known as Bod, is a normal boy. He would be completely normal if he didn't live in a graveyard, being raised by ghosts, with a guardian who belongs to neither the world of the living nor the dead. There are adventures in the graveyard for a boy—an ancient Indigo Man, a gateway to the abandoned city of ghouls, the strange and terrible Sleer. But if Bod leaves the graveyard, he will be in danger from the man Jack—who has already killed Bod's family.

Dancing Through It Macmillan

Traces the author's experiences as an illegal child immigrant, describing her father's violent alcoholism, her efforts to obtain a higher education, and the inspiration of Latina authors.

The Distance Between Us Harper Collins
Songs of Innocence and of Experience is an collection of poems by William Blake. It appeared in two phases. A few first copies were printed and illuminated by William Blake himself in 1789; five years later he bound these poems with a set of new poems in a volume titled Songs of Innocence and of Experience Shewing the Two Contrary States of the Human Soul. William Blake was also a painter before the songs of innocence and experience and made paintings such as Oberon, Titania, and Puck dancing with fairies. "Innocence" and "Experience" are definitions of consciousness that rethink Milton's existential-mythic states of "Paradise" and "Fall". Often, interpretations of this collection centre around a mythical dualism, where "Innocence" represents the "unfallen world" and "Experience" represents the "fallen world". Blake categorizes our modes of perception that tend to coordinate with a chronology that would become standard in Romanticism: childhood is a state of protected innocence rather than original sin, but not immune to the fallen world and its institutions. This world sometimes impinges on childhood itself, and in any event becomes known through "experience", a state of being marked by the loss of childhood vitality, by fear and inhibition, by social and political corruption, and by the manifold oppression of Church, State, and the ruling classes. The volume's "Contrary States" are sometimes signalled by patently repeated or contrasted titles: in Innocence, Infant Joy, in Experience, Infant Sorrow; in Innocence, The Lamb, in Experience, The Fly and The Tyger. The stark simplicity of poems such as The Chimney Sweeper and The Little Black Boy display Blake's acute

sensibility to the realities of poverty and exploitation that accompanied the "Dark Satanic Mills" of the Industrial Revolution.

Dancing the Charleston Harlequin

Hal's summer affair with Barry Gorman ends tragically when Hal discovers he is much more committed to the relationship than his friend.

Celebrating Fifty Years Of New York City Ballet Dancing on My Grave An Autobiography

Seventeen-year-old Jacob Todd is about to discover himself. Jacob's plan is to go to Amsterdam to honor his grandfather who died during World War II. He expects to go, set flowers on his grandfather's tombstone, and explore the city. But nothing goes as planned. Jacob isn't prepared for love or to face questions about his sexuality. Most of all, he isn't prepared to hear what Geertrui, the woman who nursed his grandfather during the war, has to say about their relationship. Geertrui was always known as Jacob's grandfather's kind and generous nurse. But it seems that in the midst of terrible danger, Geertrui and Jacob's grandfather's time together blossomed into something more than a girl caring for a wounded soldier. And like Jacob, Geertrui was not prepared. Geertrui and Jacob live worlds apart, but their voices blend together to tell one story—a story that transcends time and place and war. By turns moving, vulnerable, and thrilling, this extraordinary novel takes the reader on a memorable voyage of discovery.

The Graveyard Book Da Capo Press
The choreographies of Bill T. Jones, Cleveland Ballet Dancing Wheels, Zab Maboungou, David Dorfman, Marie Chouinard, Jawole Willa Jo Zollar, and others, have helped establish dance as a crucial discourse of the 90s. These

dancers, Ann Cooper Albright argues, are asking the audience to see the body as a source of cultural identity — a physical presence that moves with and through its gendered, racial, and social meanings. Through her articulate and nuanced analysis of contemporary choreography, Albright shows how the dancing body shifts conventions of representation and provides a critical example of the dialectical relationship between cultures and the bodies that inhabit them. As a dancer, feminist, and philosopher, Albright turns to the material experience of bodies, not just the body as a figure or metaphor, to understand how cultural representation becomes embedded in the body. In arguing for the intelligence of bodies, *Choreographing Difference* is itself a testimonial, giving voice to some important political, moral, and artistic questions of our time. Ebook Edition Note: All images have been redacted. Dance on My Grave Knopf Books for Young Readers

'Wild glamour, class conflict, buried secrets and a cameo appearance by Hetty Feather are all delivered with Wilson's inimitable, intensely readable flair, interspersed with Nick Sharratt's cheery illustrations'- The Guardian A new sparkling and glamorous novel from the beloved, bestselling children's author, Jacqueline Wilson! In a little cottage on the edge of the grand Somerset Estate, Mona lives with her aunt - a dressmaker to the lady of the house.
